Thousands upon Thousands
fell victims to the ravages of the recent plague, famine and earthquake in India. As a result there are now over twenty thousand orphans. The various missionaries are greatly in need of funds to support them, so we have published a new book, entitled
INDIA, the Horror-Stricken Empire
and have obligated ourselves to donate a liberal share of our profits on the same to the India relief fund. This book gives an accurate and authentic description of the great calamity, also the measures taken to bring relief, and is embellished with over 100 half-tone illustrations from actual photographs.
There is No Other Book Like It
The proprietor of one of the largest religious papers in the country realized the value of this book and asked for a number of ages in it to advertise his medium. The object of this book is not to promote selfish interests but to give to the public a correct report and create a relief fund. It is having an enormous sale. **WE WANT AGENTS EVERYWHERE.** Every purchaser becomes a contributor. Will you help us to increase our donation by increasing the sales of this book? Prospectus is now ready. Write at once for our Liberal Terms to Agents.

The *Times* has a larger circulation by many thousands than any other daily newspaper published in Pittsburg. This is admitted even by its competitors. The reasons for it are not hard to find. The *Times* is a tireless newsgatherer, is edited with extreme care, spares no expense to entertain and inform its readers. It prints all the news in compact shape, caring always more for quality than quantity. It keeps its columns clean, but at the same time bright. Nothing that is of human interest is overlooked by it. It aims to be reliable rather than sensational. It believes in the gospel of get there, but it gets there with due respect for the facts. Test any department of it you choose—political, religious, markets, sporting, editorial, society, near town news—and you'll find the *Times* may be depended upon. \$3 a year, 6 cents a week.
