The *Times* has a larger circulation by many thousands than any other daily newspaper published in Pittsburg. This is admitted even by its competitors. The reasons for it are not hard to find. The *Times* is a tireless newsgatherer, is edited with extreme care, spares no expense to entertain and inform its readers. It prints all the news in compact shape, caring always more for quality than quantity. It keeps its columns clean, but at the same time bright. Nothing that is of human interest is overlooked by it. It aims to be reliable rather than sensational. It believes in the gospel of get there, but it gets there with due respect for the facts. Test any department of it you choose—political, religious, markets, sporting, editorial, society, near town news—and you'll find the *Times* may be depended upon. \$3 a year, 6 cents a week.
