# SPECIAL ANNOUNCEMENT TO FURNITURE BUYERS!

40 cents for this large, high-backed Dining Chair.

This chair is something extraordinary for the money. It is a large chair, nicely finished, large in the seat, and is a very serviceable chair.

Some months ago we started our present business in Salisbury, not a little skeptical as to the outcome, but with a determination to win your trade. Not by misrepresentations in our advertising, but by plain, straight-forward dealing, and by giving the best goods to be had for the money. With this end in view we have placed within your reach a stock of Furniture and Bedding, which in size and quality is second to none in the county, and in price we guarantee to meet the lowest quoted anywhere.

## WE ARE BUSINESS BUILDERS!

No merchant can earn either money or reputation by misrepresenting what he has to sell.

The fight is to get a reputation for selling a reliable article at a moderate price.

The usefulness of a store depends not upon what it promises, but on what it really does.

It's the plain, direct fact of money-saving that is winning us the trade.

This large Arm Rocker at the astonishing price of 99 cents.

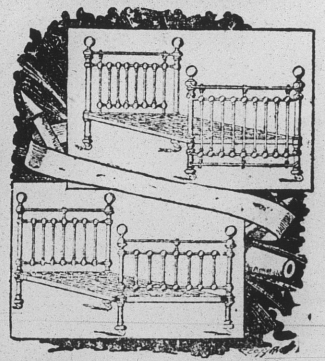

This Rocker is a large high-backed chair with iron braces to stay the arms. This is a nicely finished chair, artistic in design, something that has service and beauty combined.

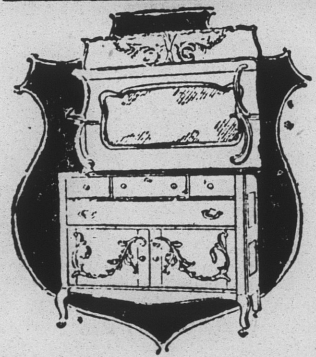

5-piece Parlor Suite, Mahogany finish, highly polished, spring seat, upholstered in crushed plush, worth \$35.00, now only \$22.50.

## UNDERTAKING AND EMBALMING!

Our past experience in this line puts us in a position to render the most satisfactory service obtainable. Night calls answered at our office, next door to Hay's Hotel.

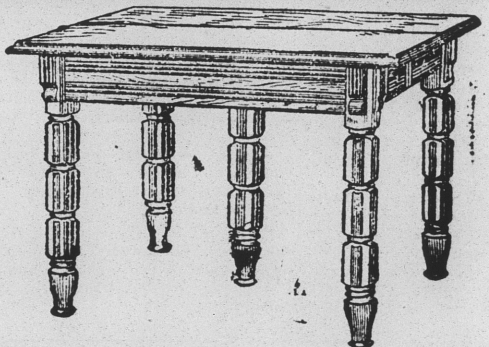

Nothing can induce good, healthful sleep quicker than one of our Enameled Steel Brasm-trimmed Beds. We have good ones for \$3.25.

Sideboards of solid oak, nicely finished, with 12x30 French beveled plate mirror, handsomely carved, a regular \$15 Sideboard, reduced to \$10.

## Sewing Machines!

Don't forget that we are agents for the White Sewing Machine. This machine is the latest candidate for public favor, handsome, finely finished, with nickel-plated fly wheel, long center drawer and three drawers at each end. A very striking machine in its make-up, from the fact that the head drops into a wooden receiver when closed and is covered by the leaf, which forms a convenient and useful table. A pleasure in all that the word implies. Made in oak, ash, walnut or birch wood, beautifully figured.

This large and nicely finished Extension Table, 42x44 inch top, with finely carved legs, at the low price of \$3.50. Sizes, 6, 8, 10, 12, 14 and 16 feet.
