Just received, at THE STAR office, a nice line of Visiting Cards.

The Republican county and legislative ticket to be voted for next Tuesday needs no recommendation. It is made up of the best of Republicans and the best of men.

There is Hon. W. H. Koontz for Assembly. Where can you find a better or a grander man? His career in Somerset county is a long and honorable one. No man can point to a single dishonorable act in his entire professional career, and in politics he has always been a power for the good of the Republican party. He is fearless, honest, honorable and an orator of national reputation. Back in the Sixties he was in Congress and the whole nation was proud of him. He is kind-hearted and a friend of the poor. He will guard well the interests of the plain people, if elected.

There is S. A. Kendall, his running mate. Everybody knows Sam, and everybody knows what an honest, whole-souled fellow he is. He was born in Greenville township of poor but honorable parents. His was a hard struggle to get an education and a start in life, but he who know him know how by hard work and energy he overcame every obstacle and made his mark in life. He is made of the right kind of clay, and will be true to you and to me and to everybody. Sam Kendall is one of nature's noblemen. He is kind, brainy and scrupulously honest. He is just the kind of a man to send to Harrisburg, and that's where we will send him.

But why devote any more space to our county and legislative ticket? It is a good ticket all the way through, made up of the best of men, and no good Republican will fail to vote for every man on it.

The Johnstown Democrat is trying hard to make it appear that Joseph E. Thropp was a bolter, two years ago, and that J. D. Hicks was the regular Republican nominee for Congress at that time. The Democrat knows that there is not one word of truth in its statement, but it makes the misrepresentation for the purpose of aiding the Democratic nominee in the present campaign. Neither Thropp nor Hicks had the regular Republican nomination, two years ago, and this is a fact that all intelligent voters are aware of. At that time the conferees made no nomination. It is true, however, that the majority of the conferees at that time agreed to take State Treasurer Haywood into the conference and give him the power to cast four votes, one for each county. This was objected to by the conferees of Kosser and Thropp, on the ground that none of the regularly appointed conferees had a lawful right to delegate any nominating power to Haywood or anyone else outside of the district. Of course the conference disagreed, whereupon the Hicks and Evans conferees went to Harrisburg and took Haywood, the outsider, into the conference, giving him the power to cast four votes, and in this way Hicks was nominated. But while this was being done, the Kosser and Thropp conferees remained at Johnstown, where the conference had been in session, and nominated Kosser. Then the question arose as to whether Hicks or Kosser was the lawfully nominated candidate, and the matter was decided in the Dauphin county court. And what was the court's decision? Just what all intelligent people predicted, namely, that neither Hicks nor Kosser was lawfully nominated. The court decided that Kosser's nomination was illegal because it was made by a minority of the conference. And the court also decided that the nomination of Hicks was illegal, because it was brought about by the four votes cast by Haywood, whom the court decided was not a lawfully chosen conferee, hence had no right to cast a vote for anyone. The Republican party was therefore left without a candidate, and it being too late to go on the ticket in the regular Republican column, Thropp and Hicks both took out nomination papers, as the law provides for in such cases, the former appearing on the ballot as the Protectionist candidate, and the latter as the Sound Money candidate. Therefore, neither Thropp nor Hicks was the Republican nominee, although both were staunch Republicans, and one had as good a right to take out nomination papers as the other, and neither of them was a bolter, the Johnstown Democrat's lying to the contrary notwithstanding.

Republican Meeting.

The Republican meeting held in Salisbury, last Friday evening, was well attended, and the speakers, Messrs. F. J. Kosser, S. A. Kendall and W. H. Sanner all made stirring speeches that were received with rounds of enthusiastic applause. The only drawbacks about the meeting were the bad order and the fact that the hall was not warmed for the occasion. The evening was very cold, and as the room was not heated, many could not stand the chill and were obliged to leave the hall. Our committee should have seen to it that the hall was properly warmed, and he should also have provided a stand

and a pitcher of water for the speakers, as well as an officer to preserve order, as there were several intoxicated persons present who greatly interrupted the meeting.

When the meeting was called to order, if it can be said that it really was called to order, A. L. Lowry nominated O. W. Boyer, a Swallowite, and Esquire Samuel Lowry and Dr. A. F. Speicher as vice presidents. The same A. L. Lowry also nominated S. R. McKinley and J. L. Barchus as secretaries, and for chairman—well, it was hard to tell just who was chairman, although we believe Committeeman S. O. Newman was supposed to be the chairman.

However, the speaking was splendid and all the speakers urged the great importance of voting the straight Republican ticket. The speeches were well received, and we think Salisbury and Elk Lick Republicans will do their duty.

Hon. Joseph E. Thropp, Hon. W. H. Koontz and F. W. Biesecker were billed to address the meeting, but owing to other pressing engagements, neither of them could be with us.

Many a household is saddened by death because of the failure to keep on hand a safe and absolutely certain cure for croup, such as One Minute Cough Cure. See that your little ones are protected against emergency. P. S. Hay, Elk Lick, Pa.

Prosperous Agent Riley.

B. & O. Agent Riley, of West Salisbury, is not only a very accommodating station agent, but he is also a very thrifty gentleman and a great improver of that town. For the past few years he has erected about one new dwelling house annually, and besides the snug dwelling he occupies himself, he has two snug tenement houses and is now erecting the third. Mr. Riley has learned that it pays to build houses for renting purposes, and he deserves much credit for his enterprise. In building houses he not only benefits himself, but he benefits the whole community; for the more houses the more people, and the more people the more business and prestige is added to the community. People who have the means would do well to follow his example.

There is an old saying that he who causes two blades of grass to grow where but one has grown before, is a public benefactor; but that depends entirely upon circumstances. There are places around here where there is already too much grass growing—places where buildings should be erected instead of causing or allowing grass to grow. Where too much grass grows in a town, and moss on the backs of the citizens, there is something wrong. Truth compels us to say that there are too many cases of mossback right here in Salisbury, but we are glad to note that they are dwindling in numbers and that the whole community is forging ahead. Let the good work go on, and all honor to the people who build houses and favor improvements.

Late to bed and early to rise, prepares a man for his home in the skies. But early to bed and a Little Early Riser, the pill that makes life longer and better and wiser. P. S. Hay, Elk Lick, Pa.

A Letter From Bishop McCabe Of New York City.

"With regard to Dr. James' Headache Powders, I have no hesitation in commending them to sufferers from headache. They relieve the pain speedily, and I have never known any one to be harmed by their use. I have been a great sufferer from headache in my life, but have almost gotten rid of it by the constant use of hot water and fruit, and by doing without coffee. The Dr. James' Headache Powders have, however, greatly relieved me at times, and I never allow myself to be without them, and have recommended them to others freely."

I have used Ripans Tablets with so much satisfaction that I can cheerfully recommend them. I have been troubled for about three years with what I called bilious attacks coming on regularly once a week. Was told by different physicians that it was caused by bad teeth, of which I had several. I had the teeth extracted, but the attacks continued. I had seen advertisements of Ripans Tablets in all the papers but had no faith in them, but about six weeks since a friend induced me to try them. Have taken but two of the small 5 cent boxes of the Tablets and have had no recurrence of the attacks. Have never given a testimonial for anything before, but the great amount of good which I believe has been done me by Ripans Tablets induces me to do so to the many testimonials you doubtless have in your possession now.

A. T. LEWITT.

I have been a great sufferer from constipation for over 15 years. Nothing gave me any relief. My feet and legs and abdomen were bloated so I could not wear shoes on my feet and only a loose dress. I saw Ripans Tablets advertised in our daily paper, bought some and took them as directed. Have taken them about three weeks and there is such a change! I am not constipated any more and I owe it all to Ripans Tablets. I am thirty-seven years old, have no occupation, only my household duties and nursing my sick husband. He has had the dropsy and I am trying Ripans Tablets for him. He feels some better but it will take some time, he has been sick so long. You may use my letter and name as you like.

Mrs. MARY HOOKER CLARK.

I have been suffering from headaches ever since I was a little girl. I could never ride in a carriage or on a horse without getting a headache and sick at my stomach. I heard about Ripans Tablets from an aunt of mine who was cured of her stomach. She had found such relief from this medicine that she wanted to take them too, and I have been doing so since. Had a severe headache one day and I will say they have completely cured my headaches. Even when I was a child you are welcome to use this testimonial.

Mrs. J. E. HOUGHTON.

ONE GIVES RELIEF.
R-I-P-A-N-S
The modern standard Family Medicine: Cures the common every-day ill of humanity.

I want to inform you, in words of highest praise, of the benefit I have derived from Ripans Tablets. I am a professional nurse and in this profession a clear head is always needed. Ripans Tablets does it. After one of my cases I found myself completely run down, acting on the advice of Dr. Geo. Boyer, Pa. G., 228 Newark Ave., Jersey City, I took Ripans Tablets with grand results. Miss Jessie Windham.

Mother was troubled with heartburn and sleeplessness, caused by indigestion, for a good many years. One day she saw a testimonial in the paper endorsing Ripans Tablets. She determined to give them a trial, was greatly relieved by their use and now takes the Tablets regularly. She keeps a few cartons Ripans Tablets in the house and says she will not be without them. The heartburn and sleeplessness have disappeared with the indigestion, which was formerly so great a burden for her. Our whole family take the Tablets regularly, especially after a hearty meal. My mother is fifty years of age and is enjoying the best of health and spirit. It also eats hearty meals, an impossibility before she took Ripans Tablets. ANTON J. BLAUSCH.

A new style packet containing TEN R-I-P-A-N-S TABLETS packed in a paper carton (without glass) is now for sale at some drug stores for five cents.
