A Letter

From Bishop McCabe Of New York City.

"With regard to Dr. James' Headache Powders, I have no hesitation in commending them to sufferers from headache. They relieve the pain speedily, and I have never known any one to be harmed by their use. I have been a great sufferer from headache in my life, but have almost gotten rid of it by the constant use of hot water and fruit and by doing without coffee. The Dr. James' Headache Powders have, however, greatly relieved me at times, and I never allow myself to be without them, and have recommended them to others freely." (Formerly Chaplain) C. C. McCABE.

If you cannot get Dr. James' Miniature Headache Powders at your store, send us a stamp for a sample, or five stamps for regular size.
