

SHOES OF SOUTHERNER

As a rule shorter than the Northern... with higher heels.

WHEN THE FISH BITE

The woods are waiting and the hills are gushing down the rocky hills.

A STORY

The Australian Bush

Some years ago two men, Charles Story and Edward Ladbury, had come to an outlying sheep station.

BEAUTY'S GRAVEST FOE

An ill Temper is sure to Rain its Victim's Beauty.

PALE AND WEAK WOMEN

Beauty and strength in women vanish early in life because of monthly pain or some menstrual irregularity.

Lydia E. Pinkham's Vegetable Compound

helps women preserve roundness of form and freshness of face because it makes their entire system healthy.

Franklin College

DRUGS

The Little Book For Ladies

It is afflicted with Thompson's Eye Water

CHILDREN'S COLUMN

Very Like a Whale

An Elephant came to the sea, meaning to take a swim.

A mighty Whale raised from the deep a huge and tall.

The Sparrow Hawk

The sparrow hawk is a very bird that pursues its prey with great speed.

A Mockingbird's Franks

His cage hung over the house wall within the vine-covered veranda.

The Commander

I speak to the captain, cried Luke Edwards, just as he put his head round the corner of the barn.

But you don't know so much 'bout training," expostulated Tommy, although less reluctantly.

W. K. TEXAS PEARL-HUNTERS

Growth of an Obscure Industry—Valuable Gems Found.

Some fine pearls from the Concho river in Texas are now marketed in New York City.

INDUSTRIAL NOTES

A Weekly Review of the Happenings Throughout the World of Labor in This and Other Countries.

The supply of labor on the Hawaiian islands is very short.

Baltimore & Ohio employees are given medals for length of service.

Ten thousand glassworkers have struck work at Charleroi, Belgium.

Scottish miners' wages are to be advanced to a point not reached in thirty years.

The Brotherhood of Locomotive Firemen has gained over 3,700 members in the past year.

Because of over production the ore mines at Watts Station, Ky., have been shut down.

Daniel Howell, for forty-seven years a clerk in the New York City Postoffice, has resigned.

The carriers of Dallas, Texas, have secured the eight-hour day and several minor concessions.

Four thousand cab drivers in Louisville have gone on strike, demanding a law for driving bright taxis.

The coal mines of Alabama have accepted a reduction of two and one-half cents a ton.

According to the report of the labor commissioner of New Hampshire the index of the State last year was \$2,900,000.

The labor press of the country is demanding a shorter day for the miner and more stringent legislation to keep out Asiatics.

Some of the miners in the Day coal fields, near Huntington, W. Va., have been granted ten per cent. increase.

Cigarette smokers will not be employed in Swift & Co's stock yards in Chicago.

The joint executive board of the International Bakers' and Confectioners' Union has issued an appeal to the 10,000 bakers of New York City.

According to the report of the labor commissioner of the ten-hour law.

MINES AND MINERS

Southern Copper Fields to be Operated by a Rich Mining Company—New Mines in West Virginia.

Drilling for coal is to be undertaken at Marietta, in earnest.

The output in the Joplin (Mo.) district during the week ended July 25 was 8,874,700 pounds of zinc ore and 924,700 pounds of lead ore.

At Charleston, W. S. Smith, in developing manganese ore, has discovered lead and zinc deposits.

J. S. Cunningham, superintendent of the New River White Coal Company at Windber, Pa., says he has received instructions from the company to open more mines.

It is said the output of coal year will be increased to 5,000,000 tons a year.

William M. Kean, in Collier township, Washington county, Pa., near Carnegie, was recently found to have a coal seam underlain by a six-foot vein of coal.

The New Central Coal Co., who recently purchased the coal lands in the heart of the Fairmont, W. Va., region, report that they propose going right ahead with the property.

It is expected to be shipped coal within a year. This concern is also negotiating for a tract of 100,000 acres of coal land in Pennsylvania.

A number of good-sized mines are now on fire in the West Virginia States, and have been for years.

The Vulcan mine, on the Green River, opposite New Castle, in Collier township, has been the scene of the great explosion several years ago.

When about eighty persons lost their lives, all but one of the men were killed.

It is said that the mine has been proved fruitless. In Butte, Mont., there is a mine which has been on fire since 1884.

The mine has been on fire since 1884, and has steadily burning mines, and in one place the output of natural gas is very great.
