SOMETHING NEW
Send no Money With Your Reply.
Here is something new, an original contest. Read very carefully. You may get \$100.00 in Cash, a Parlor Organ, a Bicycle, a Gold watch or Silk Dress. Who can arrange these nine groups of jumbled letters into the names of nine cities, "Oxykruw htau," "weldarac," "awio," "hoioi," "hloioi," "dihua," "heiam," "momywig" and "dyek" can be transposed into New York and so on. You can only use each letter in its own group. It will be found a hard study, but if you stick to it you may get five, or even seven, or perhaps all of the words correctly. The proprietors of Ward's Root Beer, that delicious healthful temperance beverage, offer the following contest prizes: To the person who sends a complete correct list will be paid \$100 in money; to the person sending the second correct list will be given a \$75 Bicycle (lady's or gent's) for the next largest correct list will be given a beautiful \$65 Parlor Organ; for the fourth largest list will be given a fine \$50 Gold Watch; for the fifth and sixth correct lists will be given a handsome \$25 Silk Dress Pattern. If more than one person succeeds in making a complete list the \$100 cash and the equivalent in money of the other prizes will be divided among those who send correct list of nine States. We want you to try and make out the entire nine States, for who knows but what you may be the lucky winner? Contest closes Oct. 30. The object of giving away these prizes is simply an advertisement of Ward's Root Beer.
Send no money with your reply, but be sure to send us the name and address of the person to whom you wish to tell us whether he keeps Ward's Root Beer or not.
This is simply one of our plans of advertising and we hope our giving these costly prizes will be the means of having Ward's Root Beer talked about in many new homes. Send your answers to day if possible. Everyone has an equal opportunity. Honest and fair treatment is guaranteed. No one in our employ will be allowed to enter contest. Contestants who enclose a self-addressed stamped envelope will receive an immediate reply. All that is required if successful is your assistance in introducing Ward's Root Beer or Bitters, the purest and best. Address early as possible, Ward Drug Co., Dept. "C" 30-32 E. 14th St., New York.

See a lot of men and women in another column carrying on their heads great loads of grapes at Boa Vista vineyards, Portugal, for making into wine. It is interesting. Read all about it. Speer, N. J. wines are made from the same grape, the oldest and finest produced in the world.
All Physicians Here and in Europe who have used Speer's Port Grape Wine recommend it in preference to any other for its medicinal properties, especially for females, debilitated persons and the aged.

Mr. John Boncher, who for some time has been firing one of the Pennsylvania Railroad Company's splendid engines, is at home on a vacation. John is a genial, whole-souled fellow, and of course, his friends are all glad to welcome him back to the old "burg." At no other time since the establishment of THE STAR have we had so many funerals to write up as appear in this issue. In fact this is a sort of funeral edition, and in the columns of this issue will be found sufficient evidence to prove that in the midst of life we are in death. Whose turn will come next we do not know. It may be the old person with age, the babe on its mother's breast, or the youth in the prime and vigor of life. "Prepare to meet thy God" is an admonition too little heeded by all.
