opular young business man of Salis ary, and the bride is one of the bes women of this vicinity. The my was performed by Rev. E. S. on. The many friends of the ung couple extend their most hearty ngratulations.

The cold wave was the means of clos-ing our schools on Monday. The heat-ing apparatus was out of repair, as usual. How long, oh Lord, how long will this wealkly community put up with our dreary, overcrowded, shabby and poorly arranged old school build-ing? Every winter the lives of inno-cent children are sacrificed to the greed and mossbackism of this town. Only the most robust children can keep Tuesday ngut we had the first of the senson, and it was a heavy Probably never before in the his of Somerset county have frost delayed as long as this year. All ation was fully matured befor ost came, this year, which is sel

Large sun spots, astronomers say caused the extreme heat this summer and doctors declare nearly all the pros he most robust children can kee the most robust children can keep from falling vietims to disease con-tracted in the overcrowded, unhealthy primary rooms. We firmly believe that more than one child has lost it-life by being sent to the primary schoo-rooms of this town, and it is a sharm and a sin to say the least. This town sends many dollars abroad every yea-to convert the heathen people, while
