Committees of the Crusha constitu- ment which will effect radical chango- in the government of the island. Lappe Bros, of Allegheny, Pa., har	 Companions Tied Him is a Horse Which Ran Away Dragging Him to Death. Dragging at the heels of a frightened horse a boy named Hall was battered, to death at Mt. Liberal. Ind. Two older companions, names Pittman and Copen- haver, in a spirit of boyish recklessness, heel young Hall on the horse's back, heeling him they would teach him to be- come a circus rider. He was warned to hold on the rentric but is companions a direct rest of the sease warned to hold on the rentric but is companions the mediately took fright and tran away. The rider lost his hold and fell under the horse's hoos. His horros-stricken com- panions started in pursuit of the flering animal, which was captured nearly a mile away, but not until the rider was kicked and battered beyond recogni- tion. Maint American Shees. The finkus of American-smade shoes into Germany has prompted a petition from German boot and shoe manufac- turers to the national legislature for a raise in the import tariff on articles of this description. Vice Consul General Hanauer, at Frankfort, says that these manufacturers claim the tariff as a ne- cessity to protect their industry against foreign encroachments. MAIL TRAIN ROBBED. Badits Make a Heavy Haul Alter Beating the Petial Clerk Honsensible. A bold robbery on the Cottonbelt raixa, in the horse Clerk John H. Dennis was almost killed and the mail prothes on bis car rifted of their con- tes. The rifted of their con- tes. The none span and trap door in the floor of the vestibule. In the vestibule is a erank with which a person can uncou- ule the car from the contran the it is be- 	body of rebels will effect a junction relegraphic communication with the interior has been suspended by gov- ernment order, and fighting is proceed- ing at various points. Both sides lost heavily in the battle at Tumaco. When the government forces destroyed the rebel steamer Gaitan they also destroy- ed a large supply of ammunition. Notolk Navy Yard Destroyed. The building occupied by the con- struction department at the Norfolk Navy Yard was completely destroy- ed all the important papers, models and plans of the construction department. Over 7,000 drawings and Stoo.000 worth of live oak timber were destroyed. The loss to the building and contents is over \$2000 construction of the first is unknown. Locusts Devaslating Peru. Locusts are devastating the depart- ment of Ayacucho, Peru, which includes scottael for the capital. The department has a large population, and the losses ue to the pest have been enormous. It is probable - that public subscriptions will be asked to aid the sufferers. Mot Fighting In Panama. Advices from the State of Panama say that after a three days' engagement Tu- maco, the former stronghold of the in- surgent movement, has been re-occupied by the government troops. Governor Alban has returned to the city of Panama and will hand back un- ingured to her owners the British steam- er Taboga, which was seized last month by the Colombian government trans- port an antice of the and will hand back un- store used in the bomsterment of Deins Bazan and Soldado.	TRAMPS TURN BURGLARS. Lecked up Town Marshal and Then Dyna- miled Sveral Salea. Five men, posing as tramps, were per- mitted to lodge in the lockup at Brigh- ton, Ill., Saturday evening. During the hight they overpowered the town mar- shal, locked in a cell, and broke into the private bank of Blodett Brothers. Several charges of dynamite were ex- ploded but the vault, which contained a large sum, was only partially wrecked, and the men gave up trying to secure it. The general store of Edward But- ler was next visited. Here the safe was blown open and several hundred dollars secured. The men were entering an- other store when an alarm of fire was sounded from Butler's. Meantime the robbers escaped. A posse with blood- hounds is in pursuit. One Hundred Cadets Drowned. The German training frigate Gneise- nau has foundered of Malaga, 65 miles northeast of Gibraltar. The cotain and many of the cadets have been drowned. It is believed that ao who let in one oit the ship's boats and have not been seen since are also lost. The total loss is now thought to be no less than too. Some dispatches say tao. Forty of those saved are badly hurt. MICHIGAN'S TAX RAISING. Gev. Pingree Assembles State Legislature to Increase Corporate Property Taxes. The Michigan Legislature met in spe- cial session Wednesday to consider tax- ation of the railroads, telephone and telegraph companies, express companies and other forms of corporate property on the cash value of their property. State of upon their carnings, as under the present law. Gov. Pingree's mes- sage estimated that the proposed law would increase the State's revenue from the railroads alone from \$1,20,845 to	fended Milner, and said the government was willing to offer terms for surrender, so long as it could not be interpreted as proof of weakness and thereby cause a prolongation of the guerilla warfare. COST OF THE GOVERNMENT. Estimated Cost for the Next Fiscal Year Reaches \$743.374.804. The statement of the relative amounts of treasury estimates for the next fiscal year, compared with the estimates for the last fiscal year, and for the next fis- gyear, compared with the estimates for the last fiscal year, and for the next fis- mares for appropriations for 1002 amounting to \$74,374.804. compared with actual appropriations for 1002 amounting to \$74,374.804. compared with actual appropriations for 1002 mounting to \$74,374.804. compared with actual appropriations for 1002 interpret of the next year is: Agriculture, \$460,005, cmry, \$11,301,004; diplo- matic and consular, \$1.897,638; District of Columbia, \$0,080,703; fortifications, \$14,364,5700; mayy, \$87,172,430; pensions, \$14,364,5700; mayy, \$87,172,430; pensions, \$14,545,530; postofice, \$121,267,349; river and harbor, \$25,130,000; sindry civil, \$63,238,230; postofice, \$121,267,349; river and harbor, \$25,130,000; sindry civil, \$63,238,13]. Permunent annual ap- propriation, \$124,358,230. GOING AFTER THE POLE. The Ewell-Equipped Expeditions Preparing for the Tip Next Year. Telegrams from London say: Evelyn B. Baldwin, of the United States weath- tre bureau, who is preparing an expedi- tion in scarch of the north pole, has ar- rived here to consult with scientists and inspect ships. He will go to the commont at the end of the weath. Mr. Baldwin has definitely decided to adopt the Franz Josef land route and hopes to get away next summer. Companions Tied Him is a Horse Which Ran Away Dragging Him to Death. Dragging at the heels of a frightened horse a boy named Hall was battered to death at Mt. Liberal, Ind. Two older companions, names Pittman and Copen- haver, in a spirit of boyish recklessness, ited young Hall on the horse's back, telling him they would teach him to be- come a circus rider. He was warned to hold on the reins by his companions, who released their hold on the bridle and since, the horse. The animal im- rider lost his hold that dell marger. The horse's hoois. His horros-stricken com- panions started in pursuit of the flexing animal, which was captured nearly a mile away, but not until the rider was kicked and battered beyond recogni- tion. Mainst American Shees. The finks of American-made shoes into Germany has prompted a petition from German bost and shoe manufac- turers to the national legislature for a raise in the import tariff on articles of this description. Vice Consul General Hanauer, at Frankfort, says that these manufacturers claim the tariff as a ne- cessity to protect their industry against ioreign encroachments. MAIL TRAIN ROBED. Badits Make a Heavy Haul Alter Beating the Potal Olerk Insensible. A bold robbery on the Cottonbelt raixa in the horse tariff on articles of the scating the start as a ne- cessity to on the Cartholeth raixay occurred Thursday at Bassetts, Tex., in which Postal Clerk John H. Dennis was almost killed and the mail potoches on his car rifted of their con- tents. Examination of the car showed that the robbers gained entrance by crawling through a small trap door in the floor of the vestibule. In the vestibule is a crank with which a person can uncou- ple the car from the other, and it is be- livers disconnect and go courd of her heres secured, but it is believed hery made a good haut. 	body of rebels will effect a junction with the force operating around Buena- ventura. Telegraphic communication with the interior has been suspended by gov- ernment order, and fighting is proceed- ing at various points. Both sides lost heavily in the battle at Tumaco. When the government forces destroyed the rebel steamer Gaitan they also destroy- ed a large supply of ammunition. Notok Navy Yard Destroyed . The building occupied by the con- struction department at the Norfolk Navy Yard was completely destroy- ed all the important papers, models and plans of the construction department. Over 7,000 drawings and \$100,000 worth of live oak timber were destroyed. The loss to the building and contents is over \$200,000. The origin of the fire is unknown. Locusts Devastating Peru. Locusts are devastating the depart- ment of Ayacucho, Peru, which includes several fertile valleys in the Cordilleras, southeast of the capital. The department has a large population, and the lossed ue to the pest have been enormous. It is probable - that public subscriptions will be asked to aid the sufferers. Goveron Alban has returned to the ciny of Panama and will hand back un- ingured to are devarted to the several armed expedition to trans- port an armed expedition to trans- port an armed expedition of Points Bazan and Soldado. Another Ohio Bank Locded. Frve masked and desorearte outwars in the early hours of Thurdary morning weeked do adoes due tiron vanit in the John Doerschuck private bank at Shares.	TRAMPS TURN BURGLARS. Lecked up Town Marshal and Then Dyna- mited Sveral Sales. Five men, posing as tramps, were per- mitted to todge in the lockup at Brigh- ton, III., Saturday evening. During the hight they overpowered the town mar- shal, locked in a cell, and broke into the private bank of Blodett Brothers. Several charges of dynamite were ex- ploded but the vault, which contained a large sum, was only partially wreckd. and the men gave up trying to secure it. The general store of Edward But- ter was next visited. Here the safe was blown open and several hundred dollars secured. The men were entering an- obarded from Buter's. Meantime, the robbers escaped. A pose with blood- hounds is in pursuit. One Hundred Cadets Drowned. The German training frigate Gneise- ma has foundered off Malaga, 65 miles northeast of Gibraltar. The captain and many of the cadets have been drowned. It is believed that ay who left in one of the ship's boats and have not been save are also lost. The total loss is now thought to be no less than 100. Some displatches say pao. Forty of those saved are bady httt. MICHIGAN'S TAX RAISING. Gov. Pingree Assembles State Legislature to Increase Corporate Properly Taxes. The Michigan Legislature to in stelegraph companier, express companies and other forms of corporate property in stead of upon their earnings, as under who leas have to their property thu- stag of upon their earnings, as under who leas have of heir property fun- stag of upon their earnings, as under the present law. Gov. Pingree's mes- sage estimated that the proposed law who may an interver the were will introduce the ax bill. It provides that the State at commission shall constitut a board of intargible property shalbe taxed, as	fended Milner, and said the government was willing to offer terms for surrender, so long as it could not be interpreted as proof of weakness and thereby cause a prolongation of the guerilla warfare. COST OF THE GOVERNMENT. Estimated Cost for the Next Fiscal Year Reaches \$743.374.804. The statement of the relative amounts of treasury estimates for the next fiscal year, compared with the estimates for the last fiscal year, and for the next year, compared with the actual ap- propriations of last year, shows esti- mates for apprepriations for 190 amounting to \$743.374.804.
