If you went to buy a lion whelp you would'nt accept a kitten as a substitute, even if the dealer urges you. Now, don't accept a substi-

tute for

LION COFFEE.

It is bound to turn out a common yellow cat, with none of the strength of the lion.

You want LION COFFEE because it is LION COFFEE.

If, on the other hand, you want a coffee which, in order to hide imperfections, is "highly polished" with eggs and other preparations, then do not buy

LION' COFFEE. If LION COFFEE were common, ordinary stuff, coffee drinkers would'nt insist on having it. It is used in millions of homes because it is the best coffee in the world for the price. If you doubt this, take a single package home and try it.

In every package of LION COFFEE you will find a fully illustrated and descriptive list. No housekeeper, in fact, no woman, man, boy or girl will fail to find in the list some article which will contribute to their happiness, comfort and convenience, and which they may have by simply cutting out a certain number of Lion Fleads from the wrappers of our one pound scaled packages (which is the only form in which this excellent coffee is sold).
