**Addison News.**  
April 29th.—Elder M. Biddle, of Meyersdale, last Friday evening closed a series of meetings lasting two weeks, in the Addison Christian church. The attendance was very good, but there were no additions to the membership of the church. Mr. Biddle preached some very excellent sermons and made many friends while here. We would have been pleased to have him remain longer, but he had to go from here to Centerville to preach, and from there to Meyersdale.  
Jasper Augustine, of Uniontown, is here on business, this week.  
T. J. Augustine, one of our leading merchants, spent Sunday and Monday at Keyser's Ridge. Something out there seems to draw his attention that way.  
Mr. George Frazee, of Friendsville, Md., and Miss Carrie DeHaven, of Addison, were married, last week, in Oakland, Md. They have gone to Friendsville, Md., to go to house-keeping. We wish them a long, happy life.  
Cassius M. Hartzell and wife, of Chicago, have returned to Addison to spend the season at their summer home. Mr. Hartzell is doing some more repairing and is having a very fine porch built to the front of his house, which adds much to the good appearance of the same.  
Last Sunday evening Elder Eastburn, of the M. E. church, preached a sermon on Odd Fellowship to the members of Addison Lodge No. 444. His discourse was a very able one and was preached to a large audience.

**A Revelation.**  
If you will make inquiry it will be a revelation to you how many succumb to kidney or bladder troubles in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure. It never disappoints. Sold by E. H. Miller.

**Sand Flat News.**  
Apr. 28.—We have fine weather at present, and farmers are busy sowing oats and planting early potatoes.  
W. B. Stevanus and T. R. Sufall were callers at the home of J. S. Stevanus, Sunday last.  
Last Wednesday a fire raged through a portion of the eastern slope of Negro mountain, doing much damage to forest and fences. It was almost impossible to stop the fire, on account of the high wind.  
Last Tuesday W. B. Tressler and J. J. Stevanus started the drilling machine owned by E. K. Blanch and B. F. Tressler. They began near Grantsville, Md.  
We are sorry to say that Mrs. D. H. Bender has been sick for some time. She was taken to the hospital at Pittsburgh on April 24th. **KINTON. 5-8**

**What Is Foley's Kidney Cure?**  
Answer: It is made from a prescription of a leading Chicago physician and one of the most eminent in the country. The ingredients are the purest that money can buy, and are scientifically combined to get their utmost value. Sold by E. H. Miller.

**Soaking It to the Insurer.**  
There is undoubtedly a great deal of humbug afloat with regard to the fire insurance conditions in the United States. The number of companies which have gone out of business or re-insured within the past year or so, give wings to the idea that an uncontrollable fire loss is sole and sufficient reason for a flag of distress and help needed by some of these companies. May not the real trouble lie in the internal economy of the companies themselves, in their underwriting abilities to cope with an ever-yarting calorific? In the long run, fire underwriting, as well as the successful vending of pea-nuts, is a matter of business ability—of brains. Fire insurance conditions may be all that they are cracked down to be, and inadequate rates and sharp business practices may be making the business less of a bonanza and more of a hand to mouth speculation, but in spite of all, the great companies are making money right along, sawing wood, saying nothing and paying big dividends.—*Insurance Topics.*

**A Lesson in Health.**  
Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. Sold by E. H. Miller.

**Brother Marshall is Right.**  
Some of the town's staid conservatives are crying out for another newspaper, to be pitted against the Record's attitude toward town progress. Bless the dear old slow conservatives, newspapers are not built on their would-be pattern. A second printery would simply pump in for the good cause and create more woe than ever for the progress-opponents. The "Stand-stills" will have to look a different direction than toward a newspaper for comfort in their efforts to keep the town a dead stick.—*Berlin Record.*

We have a number of very handsome family records for framing, size 18x22 inches. They are worth 75 cents apiece, but while they last, from this date we will present one to every subscriber who calls at the office and pays at least a dollar on his or her subscription. All those who have favored us with cash on subscription on or before Jan. 1st, 1902, are invited to call for records, but we cannot send them by mail, as they cannot be sent without being crushed. You must call at the office if you want one, and don't wait until they are all gone. **tf**

I was a slave, chained with putrid sores, throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had over-spoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-size bottle."

**Dr. Taft Bros., New York.**  
**Gentlemen:—**  
I received your Asthmalene in good shape and in due time. I must say that it is an elegant medicine and has done all you claim for it. I was not able to walk up hill on account of my breath. After taking your medicine one day I went to chopping timber and have been working right along every day that is fit to work; this is a very bad climate and this has been the worst kind of a spring, hardly two days alike. I am sending an order enclosed in this to be sent at once.  
Yours gratefully,  
**William A. Bradley.**  
The wholesale drug houses in the United States and Canada unhesitatingly say, "ASTHMALENE is and has been our standard remedy for the cure of Asthma for more than thirty years; we can offer nothing just as good."  
Ask your druggist for it. Price, large bottle, \$1.50. Delay in using Asthmalene means untold suffering.
