"Scottie" Easton Holding Down a Good Job in New York.

In a recent letter from W. S. Easton, who has been in New York ever since about the middle of March, our friend "Scottie" says:

"I was sick two weeks after I came here and then had a big boil on my jaw. Now I have a sty on my eye. I have not attended church or Sunday school since coming here.

I am working on the great Pennsylvania railroad tunnel underneath the Hudson and East rivers. We do drilling on water, have a special steamboat with us, and have drillers working in New York, Brooklyn and Jersey City. I am boss over the job, but hired to the P. R. R. Co. by the Rand Drill Company.

We have a lot of trouble with the spectators. They crowd around so that we have to call the police. A man came up the other day and struck his finger in some cogs, which took two of them off, and now he has brought suit for damages.

One can have no good time here. They hustle us like hades. I work nights and day and sometimes get under air lock or 28 pounds per square inch, for hours. There is nothing pleasant about it."

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes L. M. Everly, Moundsville, W. Va. "They do me more good than anything I have ever tried." E. H. Miller.

The idiosyncy of the American press in chronicling all the trivial affairs of and happenings to prominent men and their families, is not only deplorable, but it is disgusting. For example, if the President of the United States gets a pain in the belly, or stubs his toes against a curb stone, some papers will write a half column concerning the same. And it's the same way if one of his children gets the colic or the earache. Some papers are even now heralding the fact to the world that there will soon be an increase in the President's family, and much senseless gush is being written about it. We don't know whether the rumor is correct or not, and we don't care. Such an event is no more important in the President's family than in any other family, and furthermore, it's nobody's business except that of Mr. Roosevelt and his noble wife. But if some people couldn't slobber and slop over about all the occurrences in a prominent family, they would surely die, and that's what they ought to do.

Ready to Yield.

"I used DeWitt's Witch Hazel Salve for piles and found it a certain cure," says S. R. Meredith, Willow Grove, Del. Operations unnecessary to cure piles. They always yield to DeWitt's Witch Hazel Salve. Cures skin diseases, all kinds of wounds. Accept no counterfeits. E. H. Miller.

After Virgil Saylor's brother was "hornswoggled" for County Superintendent, Virgil said the Saylor would be heard from at the primary. According to the returns, some of the Saylor heard from the people. F. P. Saylor and Samuel Saylor, for instance. The Saylor are a good many, but they don't cut much ice.

Lucifer Smith warned the miners not to vote for the anti-Soull delegates unless they wanted armed deputies to shoot them down. He wanted them to vote for Saylor, Housel and Shaffer, but he forgot to tell the miners that one of Mr. Saylor's sons was one of the armed deputies at the Merchants mines in 1898. Yes, Lucifer forgot that, but the miners didn't, as the vote in the mining districts shows. Lucifer ought to rub his old dried up pate with a brickbat.

Be Not Deceived.

The forty-five years experience of Alfred Speer, President of the Speer N. J. Wine Co., has resulted in the production of Grape Brandy that rivals Hennessy and Martell of Cognac, is known as Speer's *** Climax Brandy made in 1878.

Asthma Cure Free

Dr. Taft's Asthmalene!

Brings Instant Relief and Permanent Cure in All Cases.

Trial bottle sent ABSOLUTELY FREE. Write your name and address plainly. There is nothing like ASTHMALENE. It CURES when all else fails.

The Rev. C. F. WELLS, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had over-spoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-size bottle.

The Only Genuine Bears This "SWALLOW."

Polk, Pa., June 20th, 1901.

Dr. Taft Bros., New York. Gentlemen:—Your medicine has helped me very much, it has cured me of the Asthma. I am very thankful that I saw your advertisement. I tried every kind of Asthma medicine I could think of and could get no relief until I tried Dr. Taft's Asthmalene and it helped me directly.

Yours truly, Mrs. Mary Adams. Uniontown, Pa., January 17th, 1902.

Dr. Taft Bros., New York. Gentlemen:—It gives me great pleasure to let you know that I received your trial bottle of Dr. Taft's ASTHMALENE and received more relief from it than from any other medicine I have tried. Enclosed find money for a large bottle of Asthmalene. Please send immediately to, N. H. Barnes, No. 9 Church St.

Lilly, Pa., April 7th, 1902. Dr. Taft Bros., New York. Gentlemen:—I received your Asthmalene in good shape and in due time. I must say that it is an elegant medicine and has done all you claim for it. I was not able to walk up hill on account of my breath. After taking your medicine one day I fit to work; this is a very bad climate and this has been the worst kind of a spring, hardly two days alike. I am sending an order enclosed in this to be sent at once.

Yours gratefully, William A. Bradley.

The wholesale drug houses in the United States and Canada unhesitatingly say, "ASTHMALENE is and has been our standard remedy for the cure of Asthma for more than thirty years; we can offer nothing just as good." Ask your druggist for it. Delay in using Asthmalene means untold suffering.
