THE ERA, the 50-cent Windber paper which is made up principally of boiler plate, and which is known in Windber as the "gutter-snipe," set up a pitiful howl last week and remarked that some people may be led to believe that its veritable editor was a candidate for some office. And surely the poor thing was, and still is a candidate for some office. The office the Era thing is a candidate for is a cell in a lunatic asylum, and the measly microbes bids fair to be elected. For verandcy it takes the banner, the thing from "Indianaer." Selah!

Grantsville Election.

At the municipal election held in Grantsville, Maryland recently, the following gentlemen were elected Councilmen to serve one year: Dr. Charles Keller, Dr. J. L. Bevans, Urban Blocher, Louis Breneman and Dennis Kurtz. The election was without political significance. The Council will elect a President, who by the virtue of his office becomes Burgess. They also elect a Bailiff, whose duties are that of constable and tax collector. This comprises the entire borough organization.—Oakland Journal.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant, of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. E. H. Miller.

Base Ball.

Last Saturday a game of base ball was played by the Hyndman and Salisbury-Niverton clubs, on the grounds of the latter. When the Seventh inning was played, the Hyndman team played the baby act and quit, giving as their excuse that they couldn't get to Meyersdale in time to catch their train if they remained to finish the game. But the real reason they quit was because their pitcher fagged out and they feared a defeat, which would surely have been their lot if they would have finished the game. When the game was stopped, the score stood 5 to 2 in favor of the visitors.

On Tuesday, however, our boys got even with the Hyndman aggregation. They went to their town and wiped them up by a score of 7 to 1, and as a result, Manager Floyd Morrison is happy. He says his team made but two errors during the entire game; while Hyndman made practically nothing else. James May, of Boynton, umpired the game, and all his decisions were very fair. "Kah for Salisbury and Niverton."

AN OPTIMIST.

Old Uncle Finn was a good old chap, But never seemed fer to care a rap, If the sun forgot To rise some day, Just like as not Ole Finn would say: "Oncommon dark, this here we're in, But 'tain't so bad as it might 'a' been." But a big cyclone came 'long one day, An' the town was wrecked and blowed away, When the storm had passed We turned around And thought at last Ole Finn had found The state o' things he was buried in About as bad as it might 'a' been.

So we dug 'im out of the twisted wreck And lifted a rafter off his neck. He was bruised an' cut And a sight to see; He was ruined, but He says, says he, With a weak look 'round and a smashed up grin, "Tain't half so bad as it might 'a' been!"

But after all it's the likes o' Finn Makes this world fit fer livin' in. When days are drear And skies are dark, It's good to hear Some ole sage bark, "No see here, son!" with a cheerful grin. "Tain't half so bad as it might 'a' been!"

CHAINED FOR TEN YEARS

The Rev. C. F. WELLS, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had over-spoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-size bottle.

Lilly, Pa., April 7th, 1902.

Dr. Taft Bros., New York.

Gentlemen:—I received your Asthmalene in good shape and in due time. I must say that it is an elegant medicine and has done all you claim for it. I was not able to walk up hill on account of my breath. After taking your medicine one day I went to chopping timber and have been working right along every day that is fit to work; this is a very bad climate and this has been the worst kind of a spring, hardly two days alike. I am sending an order enclosed in this to be sent at once.

Yours gratefully, William A. Bradley.

The wholesale drug houses in the United States and Canada unhesitatingly say, "ASTHMALENE is and has been our standard remedy for the cure of Asthma for more than thirty years; we can offer nothing just as good."
