**"Disinfectine" THE MODERN MEDICATED SOAP**

The Most Wonderful Product of Modern Science

Prevents Contagion

It is Healing, Soothing and Antiseptic

MANY DISEASES are caused by microbes and bacilli which lurk everywhere; in paper, money, books, paper, carpets, rugs, clothing, on walls, windows, car seats, in toilet rooms, and even in the air we breathe. The hands sometime or other, come in contact with all these articles and surroundings. THE SKIN ABSORBS. The hands are liable to carry the germs with articles of food or otherwise, to the mouth, where the germs are absorbed by the lymphatics and blood vessels, and in this way spread the poisonous germs through the whole system.

WHETHER EXPOSED TO CONTAGION OR NOT, people should always use "Disinfectine" Soap. Teach the children in schools and households to wash their hands with "Disinfectine" Soap, especially BEFORE MEALS. It is endorsed by the Medical profession everywhere. A public benefactor and scientific preparation worth ten times its price. There is only one "Disinfectine" Soap; all similar brands are imitations. Popular price, 10c. At Druggists and reliable Grocers. See the case by mail. Satisfaction guaranteed.

**Was Wasting Away.**

The following letter from Robert R. Watts, of Salem, Mo., is instructive. "I have been troubled with kidney disease for the last five years. I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." E. H. Miller.

**Coal Run News.**

June 16th.—We are sorry to note the death of our esteemed neighbor, grandma Pofenberger, who passed away on June 7th, 1902, and was buried on June 8th, in the Odd Fellow's cemetery at Salisbury. She was aged nearly 86 years. She was the mother of Mrs. Carr Chaney of this place.

Mr. Carr Chaney is down with typhoid fever and has had a long seige of it. He is very sick, but hopes are entertained for his recovery.

Improvements are still progressing here. Milton Tipton and Henry Pile have built additions to their residences, adding much to the convenience of the same.

The wife of Milton Tipton was taken to the Connellville hospital a few days ago, where she will have to undergo a surgical operation. We hope she will soon return home greatly improved in health.

Samuel Mason had a very narrow escape from being killed in Merchants mine No. 3, last Friday, by a fall of slate. He is slowly improving. No bones were broken.

We are informed by the Methodist church people that their new church edifice here will be dedicated on Sunday, June 22nd. Everybody is cordially invited to come and attend the services of the day. There will be preaching at 10 o'clock a. m. and at 7:30 p. m.

**Interesting to Asthma Sufferer.**

Daniel Baute, of Orterville, Iowa, writes: "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all." E. H. Miller.

**Oriental Logic.**

Harper's Magazine.

A man bought three pounds of meat, and brought it home to his wife to cook for dinner, and then went his way to his place of business in the bazaar. The wife was hungry, and ate the meat.

In the evening the man came home and asked for his dinner.

"There is no meat," said the wife, "for the cat ate it."

"Bring the cat," said the man "and a pair of scales."

"Weigh the cat," said the man. The cat weighed three pounds.

"If this is the cat," said the man, "where is the meat?" And if this is the meat, where is the cat?"

**Happy Time in Old Town.**

"We felt very happy," writes R. N. Bevil, Old Town, Va., "when Bueklen's Arnica Salve wholly cured our daughter of a bad case of scald head." It delights all who use it for cuts, corns, burns, bruises, boils, ulcers, eruptions. Infalible for piles. Only 25c. at E. H. Miller's drug store.

**The Speer Wine Company, Passaic N. J.**

have their vineyards stocked of the same grape, the only vineyard of the kind in this country, the vines were imported and planted here over forty years ago. The Speer Port wine and Burgundy are now regarded the finest in the world, their rich, full body and high character is unexcelled. Invalids, weakly persons, especially females, and the aged are made strong and vigorous by its use, as a medicinal wine it has no equal. As a family wine it has no superior. First class physicians all over the country, here and in Europe, who have tried them recommend them as the best.

A close study by physicians on the effect of different brands of wines on the system convinces them of the superiority of the Speer Passaic wines for their patients.

Sold by Druggists and Grocers.

**D. DODGE TOMLINSON'S**

Celebrated H. H. H. Medicine is not a mere perfumed lubricating oil, the application of which serves only to amuse and occupy the patient, but is in reality a scientific combination of powerful chemicals and potent drugs, which have the marvelous property of going straight to the seat of the pain, where they act upon the lymphatics in such a manner, that the cause of the pain is absorbed and removed. It does not matter much whether the pain be due to an abnormal swelling, to sprains of the joints or strains of the muscles or tendons, to rheumatism, lumbago, neuralgia, sciatica, to toothache or headache, all of these are quickly relieved by the magic effect of H. H. H. No other medicine or liniment seems to equal it in the rapidity or certainty of its action. Often a single thorough application causes the pain and discomfort to vanish, as if by magic.

The H. H. H. is used only externally. It is put up in a 25 cent size and also larger bottles.

The signature and portrait of the inventor, Dr. D. Dodge Tomlinson, 400 North Third St., Philadelphia, Pa. is printed on the wrapper around each bottle. Sold by druggists. A slightly smaller sample vial will be delivered by U. S. Mail on receipt of 25 cents in stamps.
