Last Thursday afternoon this section of country was visited by quite a storm. A good many trees were blown down, but that was all the damage that was done.

The richest joke of the season is the fact that there are a few Democrats who are foolish enough to believe that Pattison will be our next Governor. The idea!

Five cases of smallpox are reported from Shamrock, the little mining village just north of Rockwood. The victims are being treated by a Rockwood physician.

Last Sunday morning the infant child of Mr. and Mrs. Scott Brown (colored) died of cholera infantum after a very brief illness. The child was aged about two months.

Eggs 35 and 40 cents per dozen in Waynesburg markets! We have heard of the "goose that laid the golden egg," and now the old hen has got at it.—Waynesburg Messenger.

It is reported that gold has been discovered near Casselman, and the beauty of it is, it is near a distillery, according to the Johnstown Democrat. All aboard for the new gold field.

Some of our people went to Pittsburg to spend the 4th, where they could see "Teddy" and hear him make a speech. All agree that Roosevelt is all right and that we never had a better President.

Joseph F. Joy, who is holding down a good and responsible position with a big coal company at Shire Oaks, Pa., spent the glorious 4th with his parents in Salisbury, returning to his post of duty on Sunday morning.

It is reported that several brutal fights took place at Rockwood on the 4th. With a sensation implicating a preacher in that town, a number of fights and other disturbances, Rockwood is becoming notorious.

The Shanksville correspondent of the Somerset Standard bemoans the fact that Shanksville is afflicted with "whiskynasty, profanity and cigarette insanity." Briefly, the disease, then, is triplicity.—Johnstown Democrat.

Several gentlemen interested in the proposed Meyersdale & Salisbury electric railway were in town on Tuesday looking over the survey of the route. They said while here that the prospects for the building of the road are very good.

About eighteen months ago Mr. W. S. Manning, of Albany, N. Y., widely known in trade circles as the representative of the Albany Chemical Co., was suffering from a protracted attack of diarrhoea. "I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy," he says, "and obtained immediate relief. I cheerfully recommend this medicine to those similarly afflicted." Sold by E. H. Miller.

C. T. Hay and family this week moved into their old home, which was purchased from John J. Keim, last fall. Wm. N. Hay, one of their sons, is now the proprietor of the Hay hotel, which they have retired from.

Mrs. I. J. Engle, who became a mother one day last week, is dangerously ill, but we are glad to say that hopes are entertained for her recovery. Her babe, however, is dead, a fact which we are sorry to note. Much sympathy is felt for Mr. and Mrs. Engle.

Our friend Israel Schrock informs us that he expects to sell his property east of town and move to Southern California before another winter comes. He says the long, hard winters of this locality do not suit him, and he says he will endure no more of them.

Our friend Charles Suhrie went to Fayette county, last week, to visit friends. It is said that among other friends he will visit one that is very fair to look upon, and that one in particular, it is said, is the one that inspired the trip. How about it, Charles?

George Hoffman, formerly of Coal Run, but now of Colorado, is visiting his father, Paul Hoffman, and other friends in this vicinity. George is holding down a good job of firing an engine on the Rio Grande & Western railroad. He will return to Colorado after completing his visit.

Slight injuries often disable a man and cause several days' loss of time, and when blood poison develops, sometimes result in the loss of a hand or limb. Chamberlain's Pain Balm is an anti-septic liniment. When applied to cuts, bruises and burns it causes them to heal quickly and without maturation, and prevents any danger of blood poisoning. For sale by E. H. Miller.

Our jovial friend Elijah Livengood went to Cumberland, last week, to see Bucksin Bill's show, or something of that sort. He says he saw a man in the show biting the heads off of real, live rattlesnakes, then eating the snakes as a boy would eat bananas. Just what kind of red circus lemonade Elijah had been drinking, he did not say.

Hon. B. Wellfey, accompanied by his wife and daughter, visited their numerous Salisbury friends several days during the past week. These estimable people are always given a warm welcome in Salisbury, where they are well known and used to reside. We acknowledge a very pleasant call from Mr. Wellfey. He is one of the most kind-hearted men we ever knew, and to have a chat with the good old man always affords us much pleasure. May he and his estimable wife have all the comforts old age is entitled to and few of its attendant ills.

Last Saturday night two miscreants who evidently were badly in need of a few pennies, or else very fond of petty thieving, loosened the chewing gum slot machine fastened on the outside of W. D. Thompson's store front and were about to make away with it, when it fell and made enough noise to attract the attention of Policeman Joy. As the officer at once hastened to the scene, he saw two fellows take a rapid sneak. They did not take time to pick up the machine, and it was good for them that they didn't. The officer has a clue to the crime and may yet arrest the guilty persons.

Our good-natured friend "Bob" Walker, who is one of our most prompt paying subscribers, called at our sanctum on Monday evening to cash up for another year, and, incidentally, to apologize for not paying sooner. Rest easy, Robert, for you have a reputation for paying your debts that any man may well feel proud of. If we had all such patrons as you, we would never need to send out a statement, and that would enable us to save at least \$50 annually in postage and stationery, and an equal amount in valuable time. May your shadow and your tribe never grow smaller, old boy.

Judge and Mrs. F. J. Kooser returned home on Monday. The Judge was away about ten days. Mrs. Kooser had been visiting in New York City for several weeks, where their daughter, Miss Mary, just graduated from an art school. Mr. and Mrs. Kooser accompanied Miss Mary to Boston, where she will take a further six-weeks' course in an art institution before returning home. While in New England they visited many of the points of historic interest, and enjoyed several of the delightful ocean coast trips that may be indulged in in that vicinity.—Somerset Standard.

Workmen employed at the limestone quarry, one-fourth of a mile south of this place, last Thursday discovered a subterranean passage at that place which is about eighty feet deep. At the bottom is a stream of pure limestone water about twelve feet wide and eight feet deep. The sides and floor of the cave contain some very pretty stalagmitic formations. Messrs. Bert J. Crabbe and Dov S. Mullin last Friday explored the cave, going down to the bottom with the aid of a rope. They report the stream of water ice cold, but were not able to get across it on account of it being too cold to swim.—Hyndman Bulletin.

W. S. Easton, who was away from home from about March 3d to July 4th, is here enjoying a short vacation. He is still holding a very responsible position with the Rand Drill Co., of New York City, and since leaving here in March he spent most of his time in New York, but was also down in the Southern states part of the time. He will return to his employment this week. "Scottie's" numerous friends are all pleased to give him the glad hand and extend a royal welcome to him. He deserves much credit for what he is making of himself, and to have the "stand-in" he has with a large concern like the Rand Drill Co., requires brains and ability. More power to "Scottie" as the days go by.

Saves a Woman's Life.

To have given up would have meant death for Mrs. Lois Cragg, of Dorchester, Mass. For years she had endured untold misery from a severe lung trouble and obstinate cough. "Often," she writes, "I could scarcely breathe and sometimes could not speak. All doctors and remedies failed till I used Dr. King's New Discovery for Consumption and was completely cured." Sufferers from Coughs, Colds, Throat and Lung Trouble need this grand remedy, for it never disappoints. Cure is guaranteed by E. H. Miller. Price, 50c. and \$1.00. Trial bottles free.

Notice to Cow Owners.

We are requested to say to the owners of cows in this borough that they will do well to strictly obey the ordinance, which provides that all cows must be kept off the streets and alleys of this borough at night. The ordinance is not being observed by some people, and Officer Joy requests us to give warning to all such and say that if they want to keep from paying fines, they must keep their cows shut up at night. From this date the ordinance will be rigidly enforced.

Mother Always Keeps It Handy.

"My mother suffered a long time from distressing pains and general ill health due primarily to indigestion," says L. W. Spalding, Verona, Mo., "Two years ago I got her to try Kodol. She grew better at once and now, at the age of seventy-six, eats anything she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic. E. H. Miller.

Wabash Railroad Coming Our Way.

George Gould is preparing to extend his Wabash system to the Atlantic seaboard and to establish a new deep water terminal at Drum Point, Md., according to information given out yesterday by a competent local authority. The enterprise credited to Mr. Gould contemplates an extension of the Wabash eastward from Pittsburg via Greensburg, Latrobe, Somerset, Bedford and Hustonport, to a connection with the Western Maryland and the Reading near Shippensburg in the Cumberland Valley.—Philadelphia Record.

Don't Fail to Try This.

Electric Bitters positively cures Kidney and Liver Troubles, Stomach Disorders, Nervousness, Neuralgia, Sleeplessness, Rheumatism, and expels Malaria. Satisfaction guaranteed by E. H. Miller. Tornado Strikes Somerset County.

Last Thursday afternoon a regular tornado of no small magnitude swept over portions of Black, Milford and Middlecreek townships, doing thousands of dollars worth of damage. Large forest trees were up-rooted and twisted off, whole orchards were destroyed and no small amount of damage was done to buildings; but no loss of life is reported. Among those who lost heavily are P. K. Moore, George and Edward Hay, Alex. Newman, Jacob H. Miller, Irvin J. Walker, Jacob N. Walter, John C. Weller, Bruce Dickey and Barney Walker. P. K. Moore is said to be the heaviest loser, his damage being estimated at \$3,000. Hugh Denison, the popular and well-known organ and piano agent, who resides in New Centerville, was in Salisbury this week and said that the ravages of the storm are awful to behold, and that it is a great wonder that no lives were lost.

Vacation Days.

Vacation time is here and the children are fairly living out of doors. There could be no healthier place for them. You need only to guard against the accidents incidental to most open air sports. No remedy equals DeWitt's Witch Hazel Salve for quickly stopping pain or removing danger of serious consequences. For cuts, scalds and wounds. "I used DeWitt's Witch Hazel Salve for sores cuts and bruises," says L. B. Johnson, Swift, Tex. "It is the best remedy on the market." Sure cure for piles and skin diseases. Beware of counterfeits. E. H. Miller.

Foley's Kidney Cure makes kidneys and bladder right.

ENGAGE YOUR TICKETS.

Niagara Excursion Tickets Sold at The Star Office.

Our readers are nearly all aware that the Somerset Orchestra has arranged to run a magnificent excursion from Somerset to Niagara Falls on Saturday, July 28th, leaving Somerset at 4 p. m., and arriving at Niagara Falls the following morning. The excursion train will not leave Niagara until in the evening, thus giving the excursionists a full day to behold the grandeur of the falls, the whirlpool, the lower rapids and the many other world-famed wonders to be seen there on both the American and the Canadian side of the picturesque and historic stream. Furthermore, those who do not wish to return on the excursion train, have the privilege to remain five days. Or in other words, their tickets will be good to return at any time within five days on any regular train over the route tickets are sold for.

The route will be via B. O. P. & L. E., and the Lake Shore and Michigan Southern, through Pittsburg, Pa., Youngstown and Ashtabula, Ohio, and Buffalo, N. Y. It will be a delightful trip, worth at least \$500 to any person who has never seen the great Niagara Falls, and only \$9.00 is required for a round trip ticket—less than half fare. It is the chance of a lifetime to see one of the world's greatest wonders. Tickets will be on sale at THE STAR office in a few days. Place your orders now, as only a limited number of tickets will be issued. Mail orders for tickets will be promptly filled upon receipt of the price, \$9.00.

At Niagara Falls good hotel accommodations can be had at prices ranging from \$1.00 to \$2.00 per day. A sleeping car will be attached to the excursion train for the benefit of those who desire additional comfort, and a pleasant feature will be an abundance of good music enroute. Excursionists from the south of the county can get aboard the excursion train at Rockwood.

Be sure to take advantage of this great trip, while you have the chance to do so at so trifling a cost. For tickets and full information, call on or address P. L. Livengood, STAR office, Elk Lick, Pa.

If a Man Lie to You,

and say some other salve, ointment, lotion, oil or alleged healer is as good as Bucklen's Arnica Salve, tell him thirty years of marvelous cures of Piles, Burns, Boils, Corns, Felons, Ulcers, Cuts, Scalds, Bruises and Skin Eruptions, prove it's the best and cheapest. 25c. at E. H. Miller's drug store.

Lightning Strikes House in Salisbury.

During a severe thunder storm on Monday afternoon, lightning struck the residence of John Swartzwelder, on Ord street, doing considerable damage. Mrs. Swartzwelder, who was in the kitchen at the time, had a narrow escape from being killed. The electric fluid splintered the floor between her feet, but we are glad to report that aside from a pretty severe shock and a few slight burns, the woman was not injured.

Treat Your Kidneys for Rheumatism.

When you are suffering from rheumatism, the kidneys must be attended to at once so that they will eliminate the uric acid from the blood. Foley's Kidney Cure is the most effective remedy for this purpose. R. T. Hopkins, of Polar, Wis., says: "After unsuccessfully doctoring three years for rheumatism with the best doctors, I tried Foley's Kidney Cure and it cured me. I cannot speak too highly of this great medicine." E. H. Miller.
