Where the three States of Virginia, west Virginia and Maryland come together; where the Potomac and Shenandoah Rivers unite; where the towering steeps of the Blue Ridge end abruptly, frowning upon the heights of Maryland and Bolivar Heights in West Virginia, lies the quaint historic town of Harper's Ferry. John Brown baptized it in blood in 1859, when he captured the town and the U. S. Arsenal and made his final and fatal stand in the engine house (known afterwards as John Brown's Fort), alongside the Baltimore & Ohio Railroad. A plain shaft, simply inscribed, now marks the location. Under the new schedule there will be 12 daily passenger trains on the Pittsburg Division, due at Meyersdale as follows:

Again in 1861, grim visaged war seized the village and held it tight in its grasp for nearly four years. The deeds that were done, and the tales that are told concerning Harper's Ferry fill volumes.

The heights at Harper's Ferry guarded the Shenandoah Valley. It was a most important stronghold to be desired when some great campaign was planned by either army.

### Let Bad Enough Alone.

Some Gipsies camped near Allegany Grove, and Saturday they came to town to hoodo and flimflam, as they always do, and everybody knows it. Yet, because they were too sharp for some business men who allowed them to proceed, Thomos B. Smouse, Wm. Cook and S. D. Dixon all appeared before 'Squire Humbird and "kicked," and Lizzie Mitchell was sent over to jail to tell the inmates their mis-forvalid for return to September 8-7 clusive.

### Two Bottles Cured Him.

"I was troubled with kidney com-plaint for about two years," writes A. H. Davis, of Mt. Sterling, Pa., "but two bottles of Foley's Kidney Cure effect-ed a permanent cure." E. H. Miller.

July 7th.—The 4th of July is past, and we have no accidents or knockdowns to report from Coal Run, nor, in fact, anything to mar the pleasure and enjoyment of the glorious 4th at this place. The Coal Run people had a great day of it. We are told that the picnic was a success financially and otherwise.

Our friend Carr Chaney is now slow ly recovering from his long seige of typhoid fever. He has had a hard tussle for his life.

The mines in and around this place have been running very poorly for some time, owing to scarcity of rail-road cars. Orders appear to be plentiful with the different coal companies. but they cannot get the cars.

Quite a number of our people at-tended the races at Meyersdale on the 4th. All report very good racing on the Meyersdale fair grounds.

The M. E. church at this place dedicated on June 22nd. Everything pertaining thereto was a success, and all went nicely. Quite a number of the good people of Elk Lick were in attendance at the dedication and ren-dered good service, especially the choir for which many thanks are returned. Mr. R. A. Winter and Miss Mattie Wright, of this place, were quietly married in Meyersdale, on Sunday last.

have their vineyards stocked of the same grape, the only vineyard of the kind in this country, the vines were imported and planted here over forty years ago. The Speer Port wine and Burgundy are now regarded the finest in the world, their rich, full 'body and high character is unexcelled. Invalids, weakly persons, especially females, and the aged are made strong and vigorous by its use, as a medicinal wine it has no equal; as a family wine it has no equal; as a family wine it has no superior. First class physicians all over the country, here and in Europe, who have tried them recommend them as the best.

A close study by physicians on the effect of different brands of wines on the system convinces them of the superiority of the Speer Passaic wines for their patients.
