

"Disinfectine"
THE MODERN MEDICATED SOAP

The Most Wonderful Product of Modern Science

Prevents Contamination

For Toilet, Bath and Shampoo

It is Healing, Soothing and Antiseptic

MANY DISEASES are caused by microbes and bacilli which lurk everywhere; in paper money, books, paper, carpets, rugs, clothing; on walls, windows, car seats, in toilet rooms, and even in the air we breathe. The hands sometimes or other, come in contact with all these articles and surroundings. THE SKIN ABSORBS the germs with articles of food or otherwise, to the mouth, where the germs are absorbed by the lymphatics and blood vessels, and in this way spread the poisonous germs through the whole system.

WHETHER EXPOSED TO CONTAMINATION OR NOT, people should always use "Disinfectine" Soap. Teach the children in the schools and household to wash their hands with "Disinfectine" Soap, especially BEFORE MEALS. It is endorsed by the Medical profession everywhere. A public benefactor and scientific preparation worth ten times its price. There is only one "Disinfectine" Soap; all similar brands are imitations. Popular price, 10c. At Druggists and reliable Grocers. Be the cake by mail. Satisfaction guaranteed.

No False Claims.

The proprietors of Foley's Honey and Tar do not advertise this as a "sure cure for consumption." They do not claim it will cure this dread complaint in advanced cases, but do positively assert that it will cure in the earlier stages and never fails to give comfort and relief in the worst cases. Foley's Honey and Tar is without doubt the greatest throat and lung remedy. Refuse substitutes. E. H. Miller.

Bitten by a Copperhead.

Samuel Beltz, an aged citizen of this place, accompanied by his wife, Monday morning left for the top of Wills Mountain for the purpose of picking huckleberries. While Mr. Beltz was picking berries close to a rock, he was bitten on the index finger of his right hand by a large copperhead snake, which was concealed underneath the rock. His hand and arm immediately began swelling from the effects of the deadly poison, and it was with difficulty that he reached home, where a local physician was summoned. Mrs. Beltz, after having been bitten, killed the snake by cutting off its head with a penknife, and applied a piece of the snake's flesh, thus counteracting some of the poison in his system. He is resting as easy as can be expected at present.—Hydnamer Bulletin.

Need More Help.

Often the over-taxed organs of digestion cry out for help by Dyspepsia's pains, Nausea, Dizziness, Headaches, liver complaints, bowel disorders. Such troubles call for prompt use of Dr. King's New Life Pills. They are gentle, thorough and guaranteed to cure. 25c. at E. H. Miller's drug store.

Don't Use Big Words.

In promulgating your esoteric cogitations and in articulating your superficial sentimentalities and amicable philosophical or psychological observations beware of platitudinous ponderosity. Let your conversational communications possess a clarified consciousness, a compacted comprehensibility, a coalescent consistency and a concatenated cogency. Eschew all conglomerations of flatulent garrulity, jejune bablement and asinine affectations. Let your extemporaneous decantings and unprepared expatiations have intelligibility and veracious vivacity without rhodomontade or thrasological bombast. Sedulously avoid all polysyllabic profundity, pompous prolixity, psittacous vacuity, ventriloquial verbosity and vaniloquent vapidity. Shun double ententes, purient, jocosity and pestiferous profanity, obsecrant or apparent. In other words, talk plainly, briefly, naturally, sensibly, purely and truthfully. Keep from slang; don't put on airs; say what you mean; mean what you say and don't use big words.—Ex.

Acts Immediately.

Colds are sometimes more troublesome in summer than in winter, it's so hard to keep from adding to them while cooling off after exercise. One Minute Cough Cure cures at once. Absolutely safe. Acts immediately. Sure cure for coughs, colds, croup, throat and lung troubles. E. H. Miller.

Another Version.

Oh the belles! Oh the belles! What a plenitude of heartaches their giddiness compels! How they giggle, giggle, giggle. In the sea-ooze-laden night, How their victims squirm and wriggle In an ecstasy of fright, How they hurt When they flirt, When with ghoulish glee they gleat On the squirming of a fellow when they have him by the throat.

Oh the belles! Oh the belles! How the conjure, scheme and plan To entrap the summer-man, The ribbon-counter gentlemen who masquerade as swells.

Oh the belles! Greedy belles; How they wring, wring, wring Soda water, everything, From the pockets of those "cash!"-exclaiming swells.

Oh the belles! Foxy belles; What a wealth of bits they fling To compel the pleasant ring, Diamond ring. Ah! the heart-engaging ring Of the golden wedding bells, bells, bells, bells, bells, Oh the belles!—Catholic Standard.

Poisoning the System.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dullness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver and promote easy, healthy action of the bowels. These little pills do not act violently, but by strengthening the bowels enable them to perform their own work. Never gripe or distress. E. H. Miller.

D. DODGE TOMLINSON

Celebrated H. H. H. Medicine is a mere perfumed lubricating oil, the application of which serves only to amuse and occupy the patient, but in reality a scientific combination of powerful chemicals and potent drugs, which have the marvelous property of going straight to the seat of the pain, where they act upon the lymphatics in such a manner, that the cause of the pain is absorbed and removed. It does not matter much whether the pain be due to an abnormal swelling, to sprains of the joints or strains of the muscles or tendons, to rheumatism, lumbago, neuralgia, sciatica, headache or headache, all of these are quickly relieved by the magic effect of H. H. H. No other medicine or liniment seems to equal it in the rapidity or certainty of its action. Often a single thorough application causes the pain and discomfort to vanish, as if by magic.

The H. H. H. is used only externally. It is put up in a 25 cent size and also larger bottles.

The signature and portrait of the inventor, Dr. D. Dodge Tomlinson, 400 North Third St., Philadelphia, Pa. is printed on the wrapper around each bottle. Sold by druggists. A slightly smaller sample vial will be delivered by U. S. Mail on receipt of 25 cents in stamps.
