#### A Great Home Brightener.

Notwithstanding the numberless fads that divide the attention of the people, there are a few things concerning which all sane persons are in perfect accord and among them is the superiority of the High Speed Moulded Record recently put on the market by the Columbia Phonograph Co. For smoothness, naturalness and volume, this new process record is miles ahead of any small record that has ever been heard before. The graphophone, which is the greatest home brightener the people have ever had, when equipped with the latest records made by the moulding method, is indeed an instrument that "entertains everybody everywhere." The price of these records being only 50 cents each, or \$5 per dozen, they are within the reach of all. They are almost equal to the Grand Records which sell for one dollar each.

Sears, Roebuck & Co., of Chicago, one of the largest dealers in graphophones and records in the world, say: "It is a pleasure to us to offer our unsolicited testimonial to the value and high quality of the New High Speed Moulded Records. Fidelity of tone and accuracy to the original composition, as well as distinctness, without harshness, place them in the forefront of talking machine records."

#### Shatters all Records.

Twice in hospital, F. A. Gullede, Verbena, Ala., paid a vast sum to doctors to cure a severe case of piles, causing 24 tumors. When all failed, Bucklen's Arnica Salve soon cured him. Subdues inflammation, conquers Aches, kills Pains. Best salve in the world. 25c. at E. H. Miller's drug store.

#### Barnum's Joke.

P. T. Barnum, the showman, having told his Adirondack landlord with great solemnity that he hesitated to find fault with anything about the hotel when so much was agreeable, he was urged by the landlord by all means to be frank and do so. "Well," said Barnum, "I have discovered with regret that your pepper is half peas." The landlord declared that it could not be, but on being assured that Barnum knew as much about pepper as ginger, he wrote a caustic letter to the grocer for sending him such stuff. They, knowing, doubtless, what the real complaint was, replied that if he would spell "pepper" he would doubtless find half of it composed of "p's" and that which they sold had only the amount of orthography required.

#### Look Pleasant, Please.

Photographer, C. C. Harlan, of Eaton, O., can do so now, though for years he couldn't, because he suffered untold agony from the worst form of indigestion. All physicians and medicines failed to help him till he tried Electric Bitters, which worked such wonders for him that he declares they are a god-send to sufferers from dyspepsia and stomach troubles. Unrivaled for diseases of the Stomach, Liver and Kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed by E. H. Miller, the druggist.

#### A Somerset County Veteran.

Somerset county has but two survivors of the Mexican War since the death, some months ago, of Charles Kimmell, of Somerset. One of these is Eli Shockey, who was born 77 years ago near his present home in Larimer township. He enlisted at Cumberland, Md., May 18, 1846, and his regiment embarked for Mexico at once. A storm off the coast wrecked them and they were taken back to Fort Moultrie. Shockey was assigned to Battery M, First United States Regular Artillery, under the gallant Southern officer, Gen. Twiggs, and served until the close of the war, participating in all the principal battles. He was present at the fall of the City of Mexico. He was honorably discharged about the 1st of September, 1848, at Fort Hamilton. Mr. Shockey also served over three years in the Civil War in Company C, Fifty-fourth Pennsylvania Volunteers. He has now retired from active life, but still enjoys remarkable health. He is a stalwart Republican.

Three sons and one daughter are living, one son, C. H. Shockey, being postmaster at Stoyestown, Pa. One sister, past 90 years of age, Mrs. Lavina Crosby, residing in Illinois, and another, Mrs. Susar Weller, past 84, lives in Kansas City, Mo.—Cor. Cumberland Times.

#### "Stick to It."

Geo. L. Heard, of High Tower, Ga., writes: "Eczema broke out on my baby covering his entire body. Under treatment of our family physician he got worse as he could not sleep for the burning and itching. We used a box of 'Banner Salve' on him and by the time it was gone he was well." The doctor seeing it was curing him said, "stick to it for it is doing him more good than anything I have done for him." E. H. Miller.

#### No Lutheran Reunion this Year.

The committee having in charge arrangements for the proposed reunion of Lutherans of Somerset county feel that they are not justified in acceding to the demand of the railroad company for the largely increased rate of fare named for reunions this summer. We regard as exorbitant the rate of a fare and a third for tickets good one day, with no special trains, but only additional coaches attached to regular trains, and believe we have the approval of our people in not yielding to the imposition proposed by the company in seeking to exact this excessive rate of fare. The members of the committee are of the opinion that reunions hereafter should be held in some more centrally located and easy of access by private conveyance, that arrangements should be made without dependence on railway accommodations.

#### EXECUTIVE COMMITTEE.

#### To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it. Geo. W. Fry, Viola, Iowa. Health and strength, and moral activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals. E. H. Miller.

#### Journalistic.

The Forum appeared last week under the auspices of W. M. Conn & Co., publishers, and J. L. Rodier, editor. It is now "an independent newspaper," with indications favoring the adoption of a combination of the principles of Andrew Jackson, Abraham Lincoln and Henry George. This is a field beside which those covered by the Cumberland Times and Lonaconing Star are corner lots. It forecasts the approach of another golden age of the economic east, and if all goes as all hope, Frostburg will be its Jerusalem.—Frostburg Mining Journal.

But if all goes as it has been customary to go with the Forum, Frostburg will be its Waterloo as heretofore. It seems that no paper can thrive in Frostburg, except Ode's "Exclusively Great." But let us hope for the best.

#### It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purgatives that gripe and weaken. DeWitt's Little Early Risers expel all poison from the system and act as a tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress. E. H. Miller.

#### A Snakeful.

Mrs. D. B. Hannum, of Capon Springs, W. Va., killed 53 snakes at one time, one day last week. She was near her home when she noticed an immense snake near the road with a swarm of crawling, wriggling, twisting little snakes around the larger one. As Mrs. Hannum approached, the larger snake opened its mouth and the little snakes disappeared quickly down its throat. Then the mother snake showed fight, but Mrs. Hannum pluckily procured a rock, and with a well aimed blow broke the snake's back. She then despatched the little snakes as they ran out of their dead mother's mouth. When counted the reptiles numbered 53.—Queen City Courier.

Lilly, Pa., April 7th, 1902.

Dr. Taft Bros., New York.

Gentlemen:—I received your Asthmalene in good shape and in due time. I must say that it is an elegant medicine and has done all you claim for it. I was not able to walk up hill on account of my breath. After taking your medicine one day I went to chopping timber and have been working right along every day that is fit to work; this is a very bad climate and this has been the worst kind of a spring, hardly two days alike. I am sending an order enclosed in this to be sent at once.

Yours gratefully, William A. Bradley.

The wholesale drug houses in the United State and Canada unhesitatingly say, "ASTHMALENE is and has been our standard remedy for the cure of Asthma for more than thirty years; we can offer nothing just as good."

Ask your druggist for it. Delay in using Asthmalene means untold suffering. For FREE trial bottle, write at once to B. S. MCKEAN, Sole Agent, 76 East 130th St., New York City.
