A Weak Stomach

Indigestion is often caused by over-eating. An eminent authority says the harm done thus exceeds that from the excessive use of alcohol. Eat all the good food you want but don't overload the stomach. A weak stomach may refuse to digest what you eat. Then you need a good digestant like Kodol, which digests your food without the stomach's aid. This rest and the wholesome tonics Kodol contains soon restore health. Dieting unnecessary. Kodol quickly relieves the feeling of fullness and bloating from which some people suffer after meals. Absolutely cures indigestion.

Kodol Nature's Tonic.

Prepared only by E. C. DeWitt & Co., Chicago. The St. Louis contains 1/4 times the dose. SOLD BY E. H. MILLER.

Addison News.

Sept. 1st.—Mr. and Mrs. John Davis, of Connellsville, Pa., were recently the guests of Mr. and Mrs. E. Largent for a few days. Mr. Davis is in the ice cream business in Connellsville.

The infant child of Mr. and Mrs. Jacob Keim died last Sunday morning, of dysentery, and was buried in the Addison cemetery.

Mr. and Mrs. Wm. Darr, of the Addison hotel, recently gave a very nice reception to some of their friends in behalf of Mr. and Mrs. Jasper Augustine, who are about to return to their winter home in Uniontown. We are all sorry whenever they leave here, as they are excellent people.

A Parson's Noble Act.

"I want all the world to know," writes Rev. C. J. Budlong, of Ashaway, R. I., "what a thoroughly good and reliable medicine I found in Electric Bitters. For their wonderful work in Liver, Kindey and Stomach troubles. Don't fail to try them. Only 50 cts. Satisfaction is guaranteed by E. H. Miller.

Base Ball.

On Monday the Rockwood and Salisbury clubs played on the latter's ground. The score was 15 to 6 in favor of Salisbury.

Same day Meyersdale defeated Frostburg by a score of 10 to 3, and last Saturday Midland defeated Meyersdale by a score of 12 to 8.

Take Care of the Stomach.

The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Halladay, of Halladay, Miss., writes: Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians. Kodol saved my life. Take it after meals. E. H. Miller.

State Committee May Select Our Congressional Candidate.

Republican candidates for Congress have not yet been agreed upon in the Thirteenth, Twentieth, Twenty-second, Twenty-third and Twenty-sixth districts. Two of these districts, the Thirteenth and Twenty-sixth, are Democratic, the former being the Berks-Lehigh district, where the Republican nomination will likely await the outcome of the Democratic row now in progress. The differences in the Twenty-second, composed of Butler and Westmoreland, and in the Twenty-third, composed of Fayette, Greene and Somerset, will probably go to the Chairman of the State Committee for settlement. The districts have until September 10 to make their own nominations before the intervention of the State Chairman.—Philadelphia Press.

Used For Pneumonia.

Dr. C. J. Bishop, of Agnew, Mich., says, "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." Refuse substitutes. E. H. Miller.

Suicide at Meyersdale.

Mary Buntan, an 18-year-old Meyersdale girl, committed suicide last Sunday afternoon by drinking a bottle of laudanum. Miss Buntan procured the laudanum at a drug store and then took a walk a short distance out of town with a companion. After reaching a point about a quarter of a mile east of town, she surprised her companion by swallowing the poison in her presence. The companion at once spread the alarm, but before assistance could reach Miss Buntan she was dead.

There is a rumor afloat to the effect that the young woman took the poison because her father would not let her accompany a certain young man to Cumberland that morning on an excursion train; but we have no definite information to confirm the rumor. The Buntan family formerly resided in Berlin, but moved to Meyersdale a short time ago.

A New Jersey Editor's Testimonial.

M. T. Lynch, Editor of the Philadelphia, N. J., Daily Post, writes: "I have used many kinds of medicines for coughs and colds in my family, but never anything so good as Foley's Honey and Tar. I cannot say too much in praise of it." E. H. Miller.

Son of Prominent Meyersdale Barber Charged With Murder.

Urias, a 13-year-old son of Arthur Scott, a well known Meyersdale colored barber, was lodged in jail at Somerset, Monday evening, on a charge of murder preferred by George Donges, also of Meyersdale.

On Thursday afternoon of last week young Scott and several companions were shooting mark with a Flobert rifle in an orchard near town. It is claimed that the mark the boys were shooting at had been placed on a pile of dirt, and that Malcom Donges, aged seven or eight years, was concealed in some bushes back of the mark. When young Scott's turn came to shoot and the weapon was discharged, a scream was heard in the bushes, and upon investigation it was found that young Donges had been shot in the intestines. The lad died in great agony the next morning.

Young Scott claims, and it seems to be the general opinion, too, that neither he nor his companions knew that the Donges boy was in the aforesaid bushes. But the father of the dead boy refuses to believe that the killing of his son was accidental, hence young Scott's arrest. An effort will be made to get the colored boy out of jail by a habeas corpus proceeding when Judge Kooser returns from the west, where he is now spending a vacation.

This accident should be a warning to parents who allow boys of tender age to handle deadly weapons. Boys who are allowed to have guns and prowl around shooting birds and the like, usually grow up to be cruel men. To present even an air rifle to a boy is to create in his mind a desire to kill something, and usually the innocent and useful birds have to suffer, while the boy killing them becomes hard-hearted and cruel.

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without benefit. I then started to take Foley's Honey and Tar and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble." E. H. Miller.

Another Somerset County Murder.

Last Saturday afternoon a cold-blooded murder was committed near Friedens, when an Italian shot and killed another Italian. The Italian who killed the man had aimed his pistol at another man, a brother of the deceased, but missed his mark and killed the brother with whom he had no quarrel. All persons implicated in the affair were employed on the new Boswell branch of the Somerset & Cambria railroad. The man who committed the murder made his escape, and it is believed will never be captured.
