A Weak Stomach

Indigestion is often caused by overeating. An eminent authority says the harm done thus exceeds that from the excessive use of alcohol. Eat all the good food you want but don't overload the stomach. A weak stomach may refuse to digest what you eat. Then you need a good digestant like Kodol, which digests your food without the stomach's aid. This rest and the wholesome tonics Kodol contains soon restore health. Dieting unnecessary. Kodol quickly relieves the feeling of fulness and bloating from which some people suffer after meals. Absolutely cures indigestion.

Kodol Nature's Tonic.

Prepared only by E. C. DEWITT & Co., Chicago. The $1. bottle contains 2½ times the 50c. size.

THE STAR is agent for the sale of a very desirable piece of real estate located 3 miles east of the thriving town of Salisbury. Said real estate consists of about 72 acres of land, part of which is in a fair state of cultivation, and part covered with a large amount of timber suitable for mine props and ties. A very thick vein of most excellent limestone, easy of access, is opened on the land, as well as a vein of the finest paving stone to be found anywhere. The famous Findlay Spring, one of the finest pure water springs in all Somerset county, having a volume of water sufficient to supply a town of several thousand inhabitants, is also located on this land, and the spring alone is worth a handsome sum of money. Opportunity to Secure Employment.

The Philadelphia North American maintains a Free Employment Bureau at 1309 Filbert street, Philadelphia, to assist all those who seek situations, or employers who are looking for help.

At the present time there is a dearth of servant girls in Philadelphia, and many applicants for servants, through necessity, are disappointed. There is a great demand for first-class German, Swedish and American girls for domestic work.

If the young women in the communities throughout the State who are desirous of securing positions in Philadelphia will communicate with The North American Free Employment Bureau it will obtain places for them without charge. Positions are daily being secured for both men and women, who express themselves as being highly pleased with the service.

The Bureau will be pleased to receive applications of all young men and women who contemplate positions in Philadelphia and vicinity. 1t

J. H. Lowry, of Coal Run, who plead guilty at the present session of our county court to the charge of rape committed with his two daughters, has been sentenced to five years to the penitentiary. Considering the revolting nature of his crime, the sentence is a very light one. He deserved lynching, and it's a pity he didn't get it.

THE UNION PARTY ROW

Attempt of Democracy to Steal the Party Opens Eyes of the People.

If ever the so-called Union Party had any standing before the people of Pennsylvania it was irrevocably lost by the bare-faced attempt of the Democrats, with Democratic money in its pocket and black-jacks and ax-handles in its hands, to capture the party at its Philadelphia convention.

That this political hybrid is dead is shown by the action of the principal men in its councils to organize another party called the "Ballot Reform Party." Papers have been filed with this object in view. The same men who helped the Democracy in its attempt to capture the Union Party convention have signed their names to the papers of the "Ballot Reform Party."

On this subject the Pittsburg Commercial Gazette has this to say about the Union Party and its rowdy Democratic members:

"The riotous proceedings of the Union Party gathering at Philadelphia are a commentary on the present lack of unity of an eastern sentiment that plasters itself with large reform labels. Riotous doings in political gatherings are never to be commended, but the disorder in this case is a useful straw showing that real reform can't be headed off by machine workers wearing a reform mask. The Union Party as an organization was financed a year ago from the same barrel that supplied the back-bone for the Democratic ticket. The net result of the operation was to wreck the Philadelphia Democratic organization."

"Undeterred by this boomerang, the same financial power this year again undertook to control the real as well as make-believe reform sentiment embraced in the Union organization. Hence there is a Union split that promises to make business for the courts and the lawyers. The first round ends in a knock down, figuratively and literally, of the Democratic barrel faction. It is probably at the same time the beginning of the end of the Union Party.

"Whatever may happen to the Union factions in their contest in the courts, the differences revealed furnish proof that the tide of public sentiment runs strongly in the direction of a largely increased Republican majority as compared with last year."

Quay, Penrose and the Ticket.

Senators Quay and Penrose have an earnest sympathy for the men of the anthracite region. It was this fact, coupled with the receipt of nearly two thousand letter by the United States senators, that led them to visit President Baer, of the Reading Railroad, in the hope of bringing the trouble to a speedy termination. Thus far all efforts have failed. Governor Stone took up the matter, but he, too, has failed to bring about any change in existing conditions. Miners and operators seem determined to grant no concessions and the settlement of the strike now seems a long way off.

Take Care of the Stomach.

The man or women whose digestion is perfect and whose stomach performs its every function is never sick Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat. Rev. J. H. Halladay, of Halladay, Miss., writes: Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians. Kodol saved my life. Take it after meals. E H. Miller.

A Sensible and Truthful Preacher.

STROUDSBURG, PA., Sept. 12.

"Festivals are sometimes held in the main audience room of the church. In this way you admit both dirt and the devil in the holy of holies. It is unbiblical to support the church by means of fairs and festivals. There must be something wrong with the spirit of the giver if he must have something in return to please his palate, such as ice cream, cake and candy."

These were the words of the Rev. Mr. Mack, of the Cherry Valley church, who was today successful in securing the passage by the Monroe County Ministerial Union of the following resolution:

"That church fairs and festivals foster a wrong idea of giving to the cause of the Lord; that they are detrimental to the actual growth of the church; that they are unchurchly and they should not be tolerated, save only where the extreme poverty of the congregation necessitates them."

Rev. Mr. Mack voices THE STAR'S sentiments exactly. He hits oyster and ice cream religion a hard blow, and the blow should be repeated by all ministers who have pure and undefiled religion at heart. Too many churches have within the last decade been turned into houses of merchandising and dens of thieves. Too many of them dispense only oyster and ice cream religion, a brand that is not recognized by the Master, and a brand that is productive of no substantial results.

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind. "I took treatment with several physicians without benefit. I then started to take Foley's Honey and Tar and my lungs are now as sound as a bullet. I recommend it in advanced stages of lung trouble." E. H. Miller.

A Change In The Business!

I Want Your Patronage!

I will try hard to please you, and will always sell as low as prices of live cattle will permit. I will handle all kinds of meats that there is a sufficient demand for to justify the handling.

A WONDERFUL WORK.

To be a man who can excel one hundred thousand men in any one line is good; to be one in a million is better; but to be the only living man, (and the second one in the world), who has drawn a perfect single line picture, is wonderful! This Mr. Fleming, author and illustrator of "Around the Pan," and "Around the Capital," ($2.00 books) has done in his drawing of McKinley. Price on best Japanese paper, $1.00.

SENATOR QUAY. The Czar of Pennsylvania.

His "Around the Capital," containing one hundred and fifty full-page Washington life pen and ink sketches and five hundred pictures of prominent Americans, including the states men, ambassadors and commanders participating in the Spanish-American War—comprising by far the greatest collection of facts and faces ever produced in one volume in condensed form, will interest the entire civilized world. The drawings equal, if they do not surpass, those of John Ten Broeck's, for which work he was knighted by Queen Victoria. The humor is contagious. THE NUT SHELL PUBLISHING COMPANY, New York, U. S. A.

Circus Employe Handles a Gun with Results.

Sun Bros'. aggregation which exhibited here Monday was rather a flat affair and a good deal of a "give-away" to the show business in general. The street parade was a not drawing card, the afternoon attendance not what could be called a "crush." A final performance, which was not down on the bills, consisted of a racket between some of the showmen and a few young men who lingered about the grounds after the regular performance was over, and who, the showmen allege, were peeping into the women's dressing tent. The showmen ordered the crowd away, then sallied out and gave chase to them, firing a number of shots, one of which nipped Roy Philson on the left arm. Two arrests followed, one of the persons being Leoh Collins, high diver, rope walker and main attraction of the Sun shiners, and the other being Harry Gee, a colored roustabout belonging to the show. The men were lodged in the lock-up and afterward taken before Justice Heffley, but the Sun Bros. were anxious to have Collins and effected a release of the prisoners by the payment of $50 to J. R. Philson, father of Roy Philson, $25 to Policeman Dayton and about $15 in costs.—Berlin Record.
