REITZ'S CIDER AND APPLEBUTTER FACTORY NOW OPEN.

My Cider and Applebutter Factory in Salisbury is now open for the season of 1901. I have increased the capacity of the boiling department and can give prompt service to all who come. My experience enables me to turn out the very best products, and this year there will be a demand for all the Applebutter that can be made. Do not let any of your apples go to waste; but put them into money. For best results, bring good, clean apples and use two bushels of good flavored apples, any size, for filling, to every ten bushels of cider apples.

THE STAR is agent for the sale of a very desirable piece of real estate located 3 miles east of the thriving town of Salisbury. Said real estate consists of about 72 acres of land, part of which is in a fair state of cultivation, and part covered with a large amount of timber suitable for mine props and ties. A very thick vein of most excellent limestone, easy of access, is opened on the land, as well as a vein of the finest paving stone to be found anywhere. The famous Findlay Spring, one of the finest pure water springs in all Somerset county, having a volume of water sufficient to supply a town of several thousand inhabitants, is also located on this land, and the spring alone is worth a handsome sum of money. There is also a fine bearing young apple orchard on the place, and a good, new two-story residence and suitable outbuildings. The place can be bought at a very reasonable price, or will trade same for desirable town property. For terms and further particulars, call on or address THE STAR, Elk Lick, Pa. 10-1

Comrades of the G. A. R. who intend to visit Washington during the 36th National Encampment in October:

Many inquiries have been made concerning Washington and its many places of interest, your attention is respectfully called to the illustrated Guide to Washington printed by the Baltimore & Ohio Railroad, as one of the most complete, correct and the cheapest guide published. The information contained therein is carefully compiled and assists visitors in touring the city to best advantage in shortest time. It is beautifully printed on heavy paper, the cover containing an exquisite steel engraved portrait of the "Stuart" Washington suitable for framing. All the half-tone illustrations are made from recent photographs.

Take Care of the Stomach.
The man or woman whose digestion is perfect and whose stomach performs its every function is never sick. Kodol cleanses, purifies and sweetens the stomach and cures positively and permanently all stomach troubles, indigestion and dyspepsia. It is the wonderful reconstructive tonic that is making so many sick people well and weak people strong by conveying to their bodies all of the nourishment in the food they eat.
Rev. J. H. Halladay, of Halladay, Miss., writes: "Kodol has cured me. I consider it the best remedy I ever used for dyspepsia and stomach troubles. I was given up by physicians. Kodol saved my life. Take it after meals." E. H. Miller.

Wooden Pails Are Worth \$5.00 A Pair in Salisbury.

Several days ago a wealthy farmer of Elk Lick township stole two wooden pails from a poor laboring man in Salisbury. The wealthy farmer passed the poor man's stable, and seeing a lot of wooden pails which the poor man used during the berry season, he "swiped" two of them. However, as luck would have it, he was seen committing the theft, and the owner of the buckets promptly notified the thief to come and make satisfaction, which he did by paying \$5.00. It is bad enough when your man steals a man or a dog, but when a man who is worth his thousands commits a theft for no other reason than that he is too stingy to buy what he needs, the crime is all the more outrageous. The fellow who committed the theft, if we are correctly informed, is a member in good standing in one of our churches, but he is one of the class that is too stingy to subscribe for his home paper. The man who does not take his home paper is usually too stingy to be honest, but as to the thief in this instance, may the Lord have mercy on his stingy soul and keep the editor's heart sufficiently softened to keep the poor wretch's name out of public print.

MEYERSDALE FAIR AND RACES.
Sept. 30th to Oct. 3rd, Inclusive—Special Attractions and Cheap Railroad Rates.

The management of the Meyersdale Fair and Races have secured the world-renowned Leo Dervalto, assisted by his sister, Miss Nola Dervalto, the great attraction. They roll a 20-inch ball up a spiral incline 40 feet and back again, standing upright upon it with as much ease as an ordinary person walks along the street. This act alone is worth the price of admission. Harry Bosc, the great club swinger, juggler and fancy rifle shot will also appear daily.

There are two harness races and a running race each day, and the purses for these events aggregate \$2,000.00. The exhibit of horses, cattle, stock and farm products, bids fair to be quite a showing for the second year.

Beals' Military Band will play a concert program each afternoon, and the reputation of this famous organization will cause many people to attend.

The B. & O. R. R. are offering a rate of one fare for the round trip from all points between Uniontown, Connellsville, Johnstown and Cumberland, where the fair is in excess of 50 cents. Take a day off and go to this great amusement event and enjoy yourself. 10-1

Editors Get Duns, Too.

A subscriber once got a dun through the postoffice, and it made him mad. He went to see the editor about it and he showed him a few duns of his own—one for paper, one for type, one for fuel and several others. "Now," said the patient editor, "I didn't get mad when these came because I knew that all I had to do was to ask several reliable men to come in and help me out, then I could settle all of them." When the subscriber saw how it was, he re-lented and renewed. Moral—Never get vexed when asked to pay what you owe, for the other fellow may need the money.—Windber Journal.
