**NOT IN ANY TRUST**

Many newspapers have lately given currency to reports by irresponsible parties to the effect that the **THE NEW HOME SEWING MACHINE CO.** had entered a trust or combination; we wish to assure the public that there is **no truth** in such reports. We have been manufacturing sewing machines for over a quarter of a century, and have established a reputation for ourselves and our machines that is the envy of all others. Our "New Home" machine has never been rivaled as a family machine. It stands at the head of all **High Grade** sewing machines, and stands on its own merits.

**The "New Home" is the only really HIGH GRADE Sewing Machine on the market.**

It is not necessary for us to enter into a trust to save our credit or pay any debts as we have no debts to pay. We have never entered into competition with manufacturers of low grade cheap machines that are made to sell regardless of any intrinsic merits. Do not be deceived, when you want a sewing machine don't send your money away from home, call on a "New Home" Dealer, he can sell you a better machine for less than you can purchase elsewhere. If there is no dealer near you, write direct to us.

Indigestion is often caused by over-eating. An eminent authority says the harm done thus exceeds that from the excessive use of alcohol. Eat all the good food you want but don't overload the stomach. A weak stomach may refuse to digest what you eat. Then you need a good digestant like **Kodol**, which digests your food without the stomach's aid. This rest and the wholesome tonics **Kodol** contains soon restore health. Dieting unnecessary. **Kodol** quickly relieves the feeling of fullness and bloating from which some people suffer after meals. Absolutely cures indigestion.
