

Mrs. Hughson, of Chicago, whose letter follows, is another woman in high position who owes her health to the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suffered for several years with general weakness and bearing-down pains, caused by womb trouble. My appetite was fitful, and I would lie awake for hours, and could not sleep, until I seemed more weary in the morning than when I retired. After reading one of your advertisements I decided to try the merits of Lydia E. Pinkham's Vegetable Compound, and I am so glad I did. No one can describe the good it did me. I took three bottles faithfully, and besides building up my general health, it drove all disease and poison out of my body, and made me feel as spry and active as a young girl. Mrs. Pinkham's medicines are certainly all they are claimed to be."—Mrs. M. E. HUGHSON, 347 East Ohio St., Chicago, Ill.

Mrs. Pinkham Tells How Ordinary Tasks Produce Displacements. Apparently trifling incidents in woman's daily life frequently produce displacements of the womb. A slip on the stairs, lifting during menstruation, standing at a counter, running a sewing machine, or attending to the most ordinary tasks may result in displacement, and a train of serious evils is started. The first indication of such trouble should be the signal for quick action. Don't let the condition become chronic through neglect or a mistaken idea that you can overcome it by exercise or leaving it alone.

More than a million women have regained health by the use of Lydia E. Pinkham's Vegetable Compound. If the slightest trouble appears which you do not understand write to Mrs. Pinkham, at Lynn, Mass., for her advice, and a few timely words from her will show you the right thing to do. This advice costs you nothing, but it may mean life or happiness or both.

Mrs. Leah Stowell, 177 Wellington St., Kingston, Ont., writes: "DEAR MRS. PINKHAM:—You are indeed a goddess to women, and if they all knew what you could do for them, there would be no need of their dragging out miserable lives in agony. I suffered for years with bearing-down pains, womb trouble, nervousness, and excruciating headache, but a few bottles of Lydia E. Pinkham's Vegetable Compound made my life look new and promising to me. I am light and happy, and I do not know what sickness is, and I now enjoy the best of health." Lydia E. Pinkham's Vegetable Compound can always be relied upon to restore health to women who thus suffer. It is a sovereign cure for the worst forms of female complaints—that bearing-down feeling, weak back, falling and displacement of the womb, inflammation of the ovaries, and all troubles of the uterus or womb. It dissolves and expels tumors from the uterus in the early stage of development, and checks any tendency to cancerous humors. It subdues excitability, nervous prostration, and tones up the entire female system. Its record of cures is the greatest in the world, and should be relied upon with confidence.

**CAUGHT BY THE GRIP. RELEASED BY PE-RU-NA.**

"The world of medicine recognizes Grip as epidemic catarrh."—Medical Talk.

A GRIPPE is epidemic catarrh. It spares no class or nationality. The cultured and the ignorant, the aristocrat and the pauper, the masses and the classes are alike subject to the grippe. None are exempt—all are liable.

Have you the grip? Or, rather, has the grip got you? Grip is well named. The original French term, la grippe, has been shortened by the busy American to read "grip." Without intending to do so a new word has been coined that exactly describes the case. As if some hideous giant with awful Grip had clutched us in its fatal grasp. Men, women, children, whole towns and cities are caught in the baneful grip of a terrible monster.

The following letters speak for themselves as to the efficacy of Pe-Ru-na in cases of the grippe or its after effects. After Effects of La Grippe Eradicated by Pe-Ru-na. Mrs. Fred Weinberger, Westerlo, Albany County, N. Y., writes: "Several years ago I had an attack of La Grippe which left me worse. I had tried three good physicians, but all in vain. I gave Pe-Ru-na a trial. In a short time I was feeling better, and now I am well as well as any one."—Mrs. Fred Weinberger.

Hon. James R. Gull, of Omaha. Hon. James R. Gull is one of the oldest and most esteemed men of Omaha, Neb. He has done much to make it what it is, serving on public boards a number of times. He endorses Pe-Ru-na in the following words: "I am 68 years old, am hale and hearty, and Pe-Ru-na has helped me attain it. Two years ago I had the grippe—my life was despaired of. Pe-Ru-na saved me."—J. R. Gull.

A Relative of Abraham Lincoln. Mr. Silas S. Lincoln, who resides at 313 I Street, N. W., Washington, D. C., has the honor of being third cousin to Abraham Lincoln. He writes: "I had the grippe five times before using your medicine. Four years ago I began the use of Pe-Ru-na, since which time I have not been troubled with that disease. I can now do as much work as my desk as I ever could in my life. I have gained more than ten pounds in weight."—S. S. Lincoln.

Pe-Ru-na Not Only Cured La Grippe But Benefited the Whole System. Miss Alice M. Dressler, 1315 N. Bryant Ave., Minneapolis, Minn., writes: "Last spring I suffered from the grippe and was afflicted with a very serious catarrhal condition of the throat and head. I did so, and found it all and more than I had expected. It not only cured me of the catarrh, but restored me to perfect health, built up the entire system and brought a happy feeling of buoyancy which I had not known for years."—Alice M. Dressler.

An Actress' Testimonial. Miss Jean Cowgill, Griswold Opera House, Troy, N. Y., is the leading lady with the Aubrey Stock Co. She writes the following: "During the past winter of 1901 I suffered for several weeks from a severe attack of grippe, which left a serious catarrhal condition of the throat and head. Some one suggested Pe-Ru-na. As a last resort, after wasting much time and money on physicians, I tried the remedy faithfully, and in a few weeks was as well as ever."—Jean Cowgill.

A Southern Judge Cured. Judge Horatio J. Goss, Hartwell, Ga., writes: "Some five or six years ago I had a very severe spell of grippe, which left me with systemic catarrh. A friend advised me to try your Pe-Ru-na, which I did, and was immediately benefited and cured. The third bottle completed the cure."—H. J. Goss. If you do not derive prompt and satisfactory results from the use of Pe-Ru-na write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
