Scene in the Valley de-Mendiz, Portugal. oup of Girls Carrying Weighty Baskets Full of Grapes to the Winery to be Crushed and Made into Wine,

The Speer Wine Company,

Passaic N. J.,
have their vineyards stocked of the
same grape, the only vineyard of
the kind in this country, the vines
were imported and planted here
over forty years ago. The Speer
Port wine and Burgundy are new
regarded the finest in the world,
their rich, full body and high
character is unexcelled. Invalids, weakly persons, especially
females, and the aged are made
strong and vigorous by its use, as
a medicinal wine it has no equal;
as a family wine it has no superior. First class physicians all over
the country, here and in Europe,
who have tried them recommend
them as the best.

A close study by physicians on
the effect of different brands of
wines on the system convinces
them of the superiority of the Speer
Passaic wines for their patients.

A Physician Healed.

Dr. Geo. Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure: "For years I had been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I commenced to use Foley's Kidney Cure. After taking three botheries I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all hysicians for such troubles. I have prescribed it in hundreds of cases with perfect success." Sold by E. H. Miller.

The following blanks can be obtained at all times at THE STAR office: Leases, Mortgages, Deeds, Judgment Bonds, Kidney Cure. After taking three botheries I was entirely relieved and cured the engineer has to take chances. Forty miles an hour is the highest speed, he says, consistent with safety. This theory might stand a better show of acceptance, were it not for the fact that trains on English railways run quite as rapidly as on American and with far fewer disasters.
