Died of Strange Malady.
Charles Quelle Denunzie, an Italian patient died at the Oil City, Pa., hospital. The case had attracted the attention of the medical profession in this section. Denunzie was suffering from echinococcus, which causes timers in the liver and lungs, a disease peculiar to the tropics, but rarely known to develop in colder climates. Unless friends claim the remains they will be sent to an anatomical society.

About 60 Japanese laborers from the Southern section of Santa Clara county, Cal., walked in a body to San Joe bearing the Japanese and American flags, where the party took train for San Francisco, whence they will sail for Japan to enlist for the war.

The Interior Department to-day rejected all the bids submitted for the supply of from 150,000 to 250,000 barrels of Portland cement for the Sait river irrigation in Arizona.

GREAT WASTE OF AMMUNITION.

Many Shells From Fleet Failed to Escaped.

A fleet of five Japanese battleships and two cruisers appeared off Vladivostok at 1:25 o'clock Saturday afternoon and bombarded the town and shore batteries for 55 minutes.

age caused by the explosion will amount to \$40,000.

amount to \$40,000.

Quinlan was the watchman stationed at the powder house. Not a single trace of his body or any of his clothes has been found. The force of the explosion was so great that not a stick of timber larger than a man's arm is to be found. In the powder house was stored a car load of dynamite and a car load of powder, which had been but recently received.

The H. S. Kerbaugh officials state they have no idea as to the cause of the explosion, and give it as their opinion the cause will never be determined.

Failed to Agree on Miners Scale.

The joint conference between the coal miners and operators of the central competitive district adjourned without reaching an agreement as to the scale of wages for the year commencing April 1. This is the second time there has been a failure to agree.
