

Miss Whittaker, a prominent club woman of Savannah, Ga., tells how she was entirely cured of ovarian troubles by the use of Lydia E. Pinkham's Vegetable Compound.

DEAR MISS PINKHAM:—I heartily recommend Lydia E. Pinkham's Vegetable Compound as a Uterine Tonic and Regulator. I suffered for four years with irregularities and Uterine troubles. No one but those who have experienced this dreadful agony can form any idea of the physical and mental misery those endure who are thus afflicted. Your Vegetable Compound cured me within three months. I was fully restored to health and strength, and now my periods are regular and painless. What a blessing it is to be able to obtain such a remedy when so many doctors fail to help you. Lydia E. Pinkham's Vegetable Compound is better than any doctor or medicine I ever had. Very truly yours, MISS EASY WHITTAKER, 604 39th St., W. Savannah, Ga.

FINANCE AND TRADE REVIEW

SPRING BUSINESS EXPANDING. Failure to Adjust Wage Conditions Between Employers and Employes Retards Building Operations.

R. G. Dun & Co.'s Review of Trade Conditions: Little change in trade conditions is noted for the past week. Storms and floods did much damage to property and threatened agricultural prospects at the start, but subsequently the weather improved and the outlook brightened. Spring trade is expanding, although still backward to normal extent, and new labor controversies have added to the number of unemployed, despite an amicable arrangement of the sheet and tin plate scale. Building operations would be vigorous if employers and wage earners could adjust differences.
