ARE YOU A DYSPPEPTIC?

If you are a dyspeptic you owe it to yourself and your friends to get well. Dyspepsia annoys the dyspeptic's friends because his disease sours his disposition as well as his stomach. Kodol Dyspepsia Cure will not only cure your dyspepsia, indigestion and sour stomach, but this palatable, reconstructive tonic digests and strengthens the whole digestive apparatus, and sweetens the life as well as the stomach. When you take Kodol Dyspepsia Cure the food you eat is enjoyed. It is digested, assimilated and its nutrient properties appropriated by the blood and tissues. Health is the result. Sold by E. H. Miller. 5-1

CRITICAL TIME for Weakly Persons.

This is the worst month in the year for lung complaints. If consumptives and weakly persons can pass through March and April they are carried safe for another year at least.

The use of Speer's Port Grape Wine is well known to have been the means of prolonging the lives of thousands until this critical period has passed, when their chances of becoming entirely well and strong is assured. It

A Physician Healed.

Dr. Geo. Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure: "For years I had been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I commenced to use Foley's Kidney Cure. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles. I have prescribed it in hundreds of cases with perfect success." Sold by E. H. Miller. 5-1

Children in Peril.

Some of the most anxious hours of a mother's life are those when the little ones have the croup. Foley's Honey and Tar is a safe and effective remedy that never fails. "My boy would have died from membranous croup if it had not been for Foley's Honey and Tar," writes C. W. Lynch, of Winchester, Ind. Sold by E. H. Miller. 5-1

Killing the Kangaroo.

Some curious figures come from the state of Queensland, dealing with the gradual extinction of the harmful, unnecessary kangaroo. In the early days of settlement in the colony the squatters found that the resident marsupials had an irritating way of eating up the grass and indigenous herbage required for stock. So the government came to their assistance, and passed a measure called the marsupial destruction act, under which rewards were offered for these animals' scalps. This act has been renewed from time to time, and is in force at the present day. For the year ended June, 1901, scalps were brought in to the number of 1,295,748. These scalps included those of kangaroos, wallabies and other marsupials, and of dingoes—sons of the primitive "Yellow-Dog Dingo," who was responsible (according to Mr. Kipling) for the development of the kangaroo's hind legs. The total sum paid for these scalps was over \$100,000. In the past five and a half years no less than 7,316,843 scalps were paid for in this state.

The Thrifty Dame.

A story is going the rounds of an Irish automobilist who ran over a chicken, but did not injure it, yet gave its owner, an old woman, a sixpence. The thrifty dame thanked him profusely and confessed that when she wanted a pullet killed she sent the flock into the road. "Like as not," said she, "one of them is killed and paid for, and I has my pullet in the bargain."

HOW TO MAKE MONEY.

OUR CALENDARS.

As per announcement of Jan. 28th, THE STAR has issued an additional supply of handsome art calendars. They are in two designs, one showing a handsome street scene of our own town, the other a handsome picture of the old stone bridge one mile east of Grantsville, Md. We printed no calendars showing Tab Mill Run Falls, as we had intended, owing to the fact that the cut we intended to use did not give satisfaction.

Our calendars are fine works of art, and they are for distribution among STAR subscribers only.

The conditions upon which they can be obtained were stated in our issue of Jan. 28th, but we have since decided to modify the conditions somewhat, as follows: Every subscriber whose subscription is paid to date is entitled to one calendar. Subscribers in arrears must pay at least \$1.00 on account in order to get one, and new subscribers must pay at least 50 cents for a three-month subscription. Subscribers who cannot call at our office for their calendars, must remit 50 cents to pay postage, or 10 cents if a copy of both calendars is wanted. Subscribers desiring more than one calendar, will be required to pay 10 cents for each extra copy, besides the postage, if calendars are to be sent by mail. tf

OLD PAPERS for sale at THE STAR office.

They are just the thing for pantry shelves, wrapping paper and cartridge paper for the miners. Five cents buys a large roll of them. tf

A GOOD COMBINATION, DIRTY CHEAP.

Until further notice we will give you THE STAR and the New York Tribune Farmer, both one year, for only \$1.50 cash. This offer is good to all new subscribers, also to all old ones who pay all arrears and a year in advance. The Tribune Farmer easily stands at the head of the list of agricultural papers. It is large, finely illustrated and published every week. Address all orders to THE STAR, Elk Lick, Pa.
