I used everything known to the profession without relief, until I commenced to use FOLEY'S KIDNEY CURE. After taking three bottles I was entirely relieved and cured. OLD BOYS' AND GIRLS' REUNION.

Enterprising citizens of Johnstown, the famed Flood City, have perfected arrangements for a grand home-coming of all former residents of the big steel town, including men and women. The Johnstown Old Boys' Reunion and Summer Carnival association was organized some time ago, when Percy Allen Rose, one of the most prominent young men in the city, was elected president; Harvey G. Barclay, secretary; Edward H. Bailey, one of the local editors of The Daily Democrat, treasurer. A number of the other business and professional men of Johnstown compose the directorate. The purpose of the association is to hold a reunion of all former Johnstown residents in that city the week of July 18-23. Such a reunion was held last year in Dayton, O., and it proved one of the most memorable occasions in the history of that place. Former resi-

dents of Dayton from every part of the United States poured into Dayton, and there was a solid week of handshaking of old-time acquaintances. From Chicago alone came a delegation of nearly 100, accompanied by a band.

Johnstown proposes to repeat the Dayton affair, except on a larger scale. To the end that the home-coming old boys and girls may have amusement, a contract has been made with the Ferreri Bros.' Great London Carnival Company—the Barnum of them all—to give a street fair and carnival from Monday, July 18, until Saturday, July 23. There are living in Braddock, McKeesport, Pittsburgh, Allegheny, Homestead and Wilmerding, Pa., and Cleveland and Lorain, O., several thousand former residents of Johnstown, and all of these will be invited to attend the reunion. That the cities mentioned will send large delegations is assured. Relatives still residing in Johnstown have already sent out invitations and, every mail brings news that former old boys and old girls will be present at the big reunion. New York, Philadelphia, Washington, Chicago, St. Louis, Kansas City, Denver, Los Angeles, Tacoma and other distant cities will send representatives, letters to that effect having been received in large numbers. A great outpouring from Braddock, McKeesport, Pittsburgh, Allegheny and Lorain is certain. Braddock threatens to take a band along and make things merry. All the Johnstown city bands—there are half a dozen of them—will be in evidence, and the gala week will no doubt eclipse the notable Johnstown centennial celebration some few years ago.

HIS LAST HOPE REALIZED.

From the Sentinel, Gebo, Mont.
In the first opening of Oklahoma to settlers in 1889, the editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by E. H. Miller. 7-1
