A Physician Healed, Now Prescribes It Daily

Dr. Geo. Ewing, a practicing physician at Smith's Grove, Ky., for over thirty years, writes his personal experience with FOLEY'S KIDNEY CURE: "For years I have been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I commenced to use FOLEY'S KIDNEY CURE. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles, for I can honestly state I have prescribed it in hundreds of cases with perfect success."

Had to Get Up Several Times Every Night

Mr. F. Arnold, Arnold, Ia., writes: "I was troubled with kidney disease about three years. I was nervous and all run down, and had to get up several times during the night, but three bottles of FOLEY'S KIDNEY CURE effected a complete cure. I feel better than I ever did and recommend it to my friends."

MEN WHO HAVE MADE THEIR MARK.

An Appropriate and Effective Booklet on the Savings Habit.

The above is the title of a very interesting booklet just issued by the Pittsburgh Bank for Savings, of Pittsburgh, Pa. The booklet is one of the best ever published for the purpose. It contains a brief but surprisingly complete biography of great American statesmen and kings of finance. It is admirably illustrated with half-tone portraits of characteristic scenes illustrating striking episodes in the lives of various characters among whom are Benjamin Franklin, Abraham Lincoln, Andrew Carnegie, Stephen Girard, John Wanamaker, James A. Garfield, John D. Rockefeller and others. Following each biography is an apt quotation appropriate to the matter preceding. Typographically it is one of the handsomest little booklets we have seen for some time, and it will repay our readers to send for a copy of the same, which will be furnished free of charge by the Pittsburgh Bank for Savings, provided you mention this paper, but not otherwise.

Just a Few For You to Think About.

Marrying for money is more a matter of dollars than of sense.—Everybody's Magazine.

Your investment in the minds and memories of the people is the safest thing you own.

Mistakes will be made in every business, but the greatest mistake is to worry about them.

There are moments when courage will do more than cash for your business.

Next to doing a thing without being told, is to do it, with being told. ONCE.

Letting well enough alone is poor satisfaction for the man who knows that better can be done.

Some folks enjoy trouble so much that they can't enjoy honey for thinking of how the bee might have stung 'em.

The man who doesn't see his mistakes is not so much to be pitied as the man who won't see them.

Some men never learn to govern their future actions by their past experience.

The difference between the boss and the bossed is the difference between the ability that can conceive ideas and the ability that can only carry them out.

The business world doesn't bank much on the man who has a maximum of knowledge backed by merely a minimum of ability to do things.

Business men want assistants who look upon their present positions as stepping stones to something higher.

The employe who aims for nothing higher is small for the job.—Jed Scarborough.
