MEN WHO HAVE MADE THEIR MARK.

An Appropriate and Effective Booklet on the Savings Habit.

The above is the title of a very interesting booklet just issued by the Pittsburgh Bank for Savings, of Pittsburgh, Pa. The booklet is one of the best ever published for the purpose. It contains a brief but surprisingly complete biography of great American statesmen and kings of finance. It is admirably illustrated with half-tone portraits of characteristic scenes illustrating striking episodes in the lives of various characters among whom are Benjamin Franklin, Abraham Lincoln, Andrew Carnegie, Stephen Girard, John Wanamaker, James A. Garfield, John D. Rockefeller and others. Following each biography is an apt quotation appropriate to the matter preceding. Typographically it is one of the handsomest little booklets we have seen for some time, and it will repay our readers to send for a copy of the same, which will be furnished free of charge by the Pittsburgh Bank for Savings, provided you mention this paper, but not otherwise.
