I used everything known to the profession without relief, until I commenced to use FOLEY'S KIDNEY CURE. After taking three bottles I was entirely relieved and cured. A FLAT FAILURE.

Such Was the New Party Convention at Meyersdale.

For about two months the Meyersdale Commercial and a gang of striking miners worked and schemed to get up a rousing mongrel political convention to be held in Meyersdale on July 30th. Back of the whole thin scheme was the fine Italian hand of the Scull gang in Somerset. Of course Timmie and Bobbie remained in the background, while their cheap and willing dupes, Lou Smith, C. W. Walker and a few more suckers were carrying out their orders.

The convention was held on schedule time, and the object was to set up a scheme to defeat the Republican county ticket at the coming election, by putting a fusion ticket in the field. The convention was well advertised by the Commercial, and handbills and messengers were sent into every district of the county.

But instead of a mighty army of voters turning out, as was expected by the saphead promoters of the affair, only 31 persons were in the convention, and some of them were there only as spectators. Newspaper reporters were barred out, except two who were there in the guise of miners to report for THE STAR. It was announced, of course, that representatives of the Meyersdale Commercial would be admitted, because it was really old "Lucifer's" convention, and was just as flimsy as all the things he undertakes to boom.

There was no system about the affair, and even C. W. Walker, who came over from Somerset to manage the menagerie, was heartily ashamed of it, and has so admitted since. Even talkative O. W. Boyer, who went there to take part, was disgusted with the amount and quality of the talk, and was not backward in expressing his disgust with the whole affair while talking with our reporters. The whole affair was like a ship without a rudder, and about everybody wanted to talk at once, especially those carrying a "jag." It was a confusion of tongues, and not a man present seemed to know just what he wanted or how to get it.

Among the statesmen present were such men as O. W. Boyer, Geo. B. Walker, Tom Walker, J. W. Corbett, Green Showalter, Edgar Showalter, C. L. Walker, C. W. Walker, Jim May, Eph Engle, Jim Simmons, Hen Patton, John Bowser, Geo. Eichnor, C. C. Streng, Bud Casteel, Ed Miller, Jerry Ritenour and others nearly as prominent.

Jerry Ritenour was chairman, and Eph Engle secretary. Chas. L. Walker, of Boynton, was chosen county chairman, and his executive committee consists of Ed Miller, Meyersdale; Geo. Walker, Coal Run; Eph Engle, Keim; "Edgah Showalter," Salisbury; Bud Casteel, Garrett.

The following ticket was nominated: Dr. A. J. Hawes, of Windber, and C. C. String, of Meyersdale, for Assembly. C. W. Walker, of Somerset, for District Attorney. Elijah Livengood, of Elk Lick, for Poor Director.

Dr. Hawes and C. W. Walker are also nominated on the Democratic ticket, but none of the candidates stand a ghost of a show to be elected, and it is doubted whether Dr. Hawes and Elijah Livengood will allow their names to go on the new party ticket. The whole affair is looked upon as a laughing stock, and is denounced and given the laugh by prominent Democrats and Republicans alike.

This is a Republican Presidential year, gentlemen, and your little side-show is so utterly insignificant that neither the Somerset Herald nor the Somerset Democrat gave your ticket as much as a one line notice. The Herald was back of the scheme, but it refuses to father it now, seeing that the convention was a flat failure, only five of the forty-nine districts in the county having been represented in the convention.

THE DEATH PENALTY.
 A little thing sometimes results in death. Thus a mere scratch, insignificant cuts or puny boils have paid the death penalty. It is wise to have Bucklen's Arnica Salve ever handy. It's the best Salve on earth and will prevent fatality, when Burns, Sores, Ulcers and Piles threaten. Only 25c, at E. H. Miller's Drug Store. 9-1

BECAUSE he believed Alton B. Parker, Democratic candidate for President, to be a "creature of the trusts," Ryerson W. Jennings, a Philadelphia Democratic leader, has cut loose from his party and resigned as a director of a prominent club, declaring over his own signature that, "It certainly is the duty of all citizens, irrespective of party, to support President Roosevelt in this grave crisis. He is the people's candidate."

A SUMMER COLD.
 A summer cold is not only annoying, but if not relieved Pneumonia will be the probable result by Fall. It is pleasant to the taste and perfectly harmless. A certain cure for Croup, Cough and Cold. Sold by E. H. Miller. 9-1

NOT THE WOMAN'S CANDIDATE.

If Judge Parker counts on the support of the women of the country he is going to be badly disappointed. To show why, it is only necessary to rehearse the decision in the case of Miss Robertson against the Rochester Folding Box Company.

The plaintiff in that case is a comely young lady. The defendant obtained her photograph without her knowledge or consent and reproduced it in high colors, and with scanty raiment, for use in their business. It was distributed on the goods of the defendant in filling orders for thousands.

When this became known to Miss Robertson the humiliation made her sick to a serious degree. On recovering she sued the concern for a permanent injunction and damages. The trial court granted her the relief demanded. The Appellate Division sustained the circuit. In the Court of Appeals, however, of which Parker is chief justice, the vote was three to three, when Judge Parker decided the case by casting his vote against the lady.

The chief judge held that the pirating concern had a right to use the picture of a citizen, obtained without leave, just as it did, and that the mortification and humiliation, and the sickness caused by them and the expenses attending it furnished no cause of action. Of course the person so shamefully outraged had also to pay the costs of the litigation. The reasoning of the judge was that it was so difficult to draw the line between right and wrong, between equity and rascality, that he would not attempt it. He finds hardly a defender for his doctrine anywhere in his profession.—Buffalo News.

This is doubtless the reason the trusts and such corrupt politicians as "Dave" Hill and "Bill" Shehan wanted Parker nominated for President—because "it is so difficult" for him "to draw the line between right and wrong." He makes a good candidate for them, but does he for anybody else?

DEWITT IS THE NAME.

When you go to buy Witch Hazel Salve look for the name DEWITT on every box. The pure, unadulterated Witch Hazel is used in making DeWitt's Witch Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Witch Hazel Salve, due to its many cures, has caused numerous worthless counterfeits to be placed on the market. The genuine bears the name E. C. DeWitt & Co., Chicago. Sheriff Coleman's Wife at Hospital.

Sheriff Andrew J. Coleman returned Sunday evening from Pittsburg, where he spent a few hours with his wife, who was operated on last Thursday at the Mercy Hospital. When he left Mrs. Coleman was getting along nicely, and the attending physician assured him that she will be able to return home in a few weeks, unless unforeseen complications should arise. Mrs. Coleman suffered an injury on the back three or four years ago, which has since given her more or less annoyance and pain. Ten days ago the wound opened, when it was at once decided to take her to a hospital.—Somerset Herald.

A PERFECT PAINLESS PILL.

is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leave a good taste in the mouth. The famous little pills for doing such work pleasantly and effectually are DeWitt's Little Early Risers. Bob Moore, of Lafayette, Ind., says: "All other pills I have used gripe and sicken, while DeWitt's Little Early Risers are simply perfect." Sold by E. H. Miller. 9-1

A Unique Mine Exhibit.

Visitors to the World's Fair at St. Louis will find at the building of Mines and Mining a complete model of the Pine Hill mine, of the Somerset Coal Company, in operation all the time. Mr. S. B. Philson, who saw it, says that it is one of the finest exhibits of the kind he has ever seen. This mine, formerly known as the Good mine, is located in Brothersvalley township, on a spur leading off from the Berlin branch, and it is one of the modern equipped mines of that company, and the quality of the coal produced there is excellent. The same company also has a very nice exhibit of coal from different mines in this county. It makes no difference where you go, you are always bound to find some product of Somerset county.—Meyersdale Republican.

END OF BITTER FIGHT.

"Two physicians had a long and stubborn fight with an abscess on my right lung," writes J. F. Hughes, of DuPont, Ga., "and gave me up. Everybody thought my time had come. As a last resort I tried Dr. King's New Discovery for Consumption. The benefit I received was striking and I was on my feet in a few days. Now I've entirely regained my health." It conquers all Coughs, Colds and Throat and Lung troubles. Guaranteed by E. H. Miller, Druggist. Price 50c, and \$1.00. Trial bottles free. 9-1
