C. T. Hay's sawmill which he had in operation over in Greenville township, was destroyed by fire on Monday night last. Loss about \$1,000. No insurance. The origin of the fire is unknown. Mr. Hay has our sympathy, for the loss is a severe blow to him.

That awful grinding, stabbing pain in the back is from the kidneys. A dose of Pineules will cure it over night. Pineules is a new discovery put up in a new way. A delightful remedy and specific for all Kidney and Bladder troubles. Sold by Elk Lick Supply Co. 12-1

Report says that Sam Buckwan was the recipient one day last week of a draft for \$4000, the present of a friend in Germany. The Gazette could not verify the rumor, but hopes it is true, and wishes the amount was a hundred times greater, and then you would see Rockwood boom.—Rockwood Gazette.

Delia Mayhew, a well known woman of Grantsville, Md., died at the home of a daughter residing in Johnstown, Pa., one day last week. Deceased was aged nearly 63 years, and is survived by several sons and daughters. Her remains were taken to Grantsville for burial, Monday last. The funeral was conducted by Rev. E. S. Johnston, D. D., of Salisbury.

Jas. Taylor, of Kendallville, Ind., was seriously diseased with kidney and bladder trouble for 20 years. He tested every known remedy without much benefit, until he used Pineules. This new discovery cured him, and Mr. Taylor advises all persons suffering from kidney or bladder trouble to get a bottle of Pineules at once. Sold by Elk Lick Supply Co. 12-1

Howard H. Keim, of Ladoga, Ind., in remitting for THE STAR, says: "Your paper is the only one of its kind, and I enjoy it. I am just home from a trip to Illinois. Farming land in the great corn belt is going 'skyward'; \$200 an acre has been paid for a 200-acre farm in Illinois. Our farm has doubled in value since we bought it. Wish you could come over and help us eat melons. I wish you continued success."

Uncle Jakey Heinbaugh, who was thought to be approaching the end a few weeks ago, is showing his remarkable vitality by getting around again. Mr. Heinbaugh is 87 years old, and people who remember him in his prime say that he was the strongest man that ever trod Somerset county soil. Uncle Abe Yowler, who is a frisky boy compared with Uncle Jake, says that he saw the latter hitch himself to a stone-boulder of rock a good sized horse had failed to pull and walk off with it. Other equally marvelous tales of his enormous strength in his prime are told.—Rockwood Gazette.

Bee's Honey and Tar is different from all other remedies offered for the relief of cough, lung and bronchial troubles. It contains Antiseptic properties that destroy the germs, and Solvent properties that cut the phlegm, allowing it to be thrown off, moves the bowels gently. Cures Croup, Whooping Cough and Colds in one night. Sold by Elk Lick Supply Co. 12-1

Several people out in the vicinity of Barronvale have come up against the lightning rod swindler with disastrous force. One man paid \$140 for having his buildings ornamented with copper rods and pretty steel points, and another \$300. Which reminds us of Uncle Josh Weathersby's experience with a lightning rod agent, who upon returning home from a neighbor's found that the agent with whom he had signed a contract had "put seven rods on the house, six on the barn, two on the corncrib, one on the crabapple tree, and had the old brindle cow up in a fence corner trying to put one on her."—Rockwood Gazette.

A new theory that is proving successful in the cure of Coughs, Lung and Bronchial affections is offered in Bee's Laxative Honey and Tar. This remedy cuts the mucus, heals the membranous lining of the throat, lungs and bronchial tubes; wards off Pneumonia and strengthens the system generally. Croup and Whooping Cough disappear before its use as snow before the sunshine of Spring. It's pleasant. Sold by Elk Lick Supply Co. 12-1

The wife of Oliver W. Boyer died about 8 o'clock Tuesday morning, the 13th inst., after a long and severe siege of dropsy. She was aged 72 years and three months. Mrs. Boyer resided in Salisbury nearly all her life. She was a daughter of the late Mr. and Mrs. Samuel Glogfely. She is survived by her husband and the following named children: Lloyd C. Boyer, Mrs. Ada Hilton, Mrs. M. J. Glogfely, Mrs. S. R. McKinley and Mrs. Fred Otto. Two sons, Milton and Samuel, died some years ago. The funeral took place yesterday at 2 o'clock p. m., conducted by the pastor of the M. E. church of Meyersdale. The service was very short, as the deceased requested before her death that no lengthy sermon should be preached. Mrs. Boyer did not believe in eulogies of the dead, for which she deserves credit. Peace to her ashes.

You cannot cure piles by external application. Any remedy to be effective must be applied inside, right at the seat of the trouble. ManZan is put up in a collapsible tube, with a nozzle, so that it reaches inside and applies the remedy where it is most needed. ManZan strengthens the blood vessels and nerves so that piles are impossible. ManZan relieves the pain almost instantly, heals, soothes, cools and cures. Sold by Elk Lick Supply Co. 12-1

They tell a good joke on our old friend and college chum, Bill Kyle. Bill is an enthusiastic member of the United Mine Workers, and he was at a union dance, one night last week, vigorously turning an ice cream freezer. He was surrounded by a large crowd of men that were calling for cream, but Bill would say: "Just wait a few minutes more gentlemen, till the cream's froze." Well, he churned and churned, the sweat rolling off of him in huge drops, but the cream refused to get solid. When nearly exhausted he opened the freezer to see what was wrong, and then discovered that he had been turning a freezer that had no dasher in it. That was a pretty good

joke on Bill, but the striking miners are all doing about the same foolish thing. They are trying to freeze the coal operators to their terms, but they are turning an old squeaky freezer that has neither ice nor dasher in it.

### WHAT IS LIFE?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly readjust this. It's gentle, yet thorough. Only 25c. at E. H. Miller's Drug Store.

### Female Swindler.

A smooth female swindler is traveling in many sections under the guise of an agent selling medical books to women. Her method is to take orders for as many of a set as her beguiled victim sees fit to order—and sign a document to secure. Sometimes but two or three or four of the twelve booklets are subscribed for, but that doesn't make any difference to the solicitor or the unsuspecting woman whom she dupes. When the signed order turns up for cashing, it is a note or order, promising to pay for the whole twelve, as the signature is bona fide, the printed and signed order is not to be vitiated by mere verbal testimony.

### CURED OF LAME BACK AFTER 15 YEARS OF SUFFERING.

"I had been troubled with lame back for fifteen years, and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher, Gillam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by E. H. Miller.

### A Pretty Wedding.

As per previous announcement, the marriage of Mr. Samuel Pile Sehell, of Connellsville, and Miss Alice Augusta Smith, of Salisbury, took place in the Salisbury Brethren church, yesterday morning at 8:30 o'clock.

The ceremony was performed by Rev. J. H. Knipper, of Meyersdale, and was witnessed by a large number of admiring friends. The church was handsomely decorated with flowers, autumn leaves, etc., and the bride and groom presented a most tasty and pretty appearance. The ceremony was very impressively and gracefully performed, and the whole affair was exceedingly well executed.

The happy couple are the recipients of many handsome presents, and they will be at home at 348 East Main street, Connellsville, Pa., after Oct. 12th. THE STAR joins the many friends of the newly wedded couple in wishing them a long and happy life.

### A BOY'S WILD RIDE FOR LIFE.

With family around expecting him to die, and a son riding for life, 18 miles, to get Dr. King's New Discovery for Consumption, Coughs and Colds, W. H. Brown, of Leesville, Ind., endured death's agonies from asthma; but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove it's matchless for all Throat and Lung troubles. Guaranteed bottles 50c. and \$1.00. Trial bottles free at E. H. Miller's drug store.

### GAS FOUND AT CONFLUENCE.

Johnstown People Have Struck Well of High Pressure in That Vicinity.

Confluence, Sept. 13.—A gas field, the extent of which is not at present definitely known, has been discovered in the vicinity of Confluence. A well drilled within two miles of the town has been corked now for several weeks. The discoverers of the field are Johnstown people. They came here, it is claimed, with the intention of drilling a test well for oil. They were down less than 200 feet when a body of gas was struck that prevented any further drilling for oil. A pressure that equals the best of the wells in the Southern Fayette county field, those on the inside say, exists at the well. It was a month or so after the well was corked that the general public in this vicinity became aware of the fact that a gas field that may rival that of Green county and some of those in West Virginia has been discovered in Lower Turkeyfoot township.

The owners of the well have taken options on considerable territory surrounding the present well, but a great acreage is still in the hands of the farmers owning the ground. They have almost without exception refused to lease.

A gas field of lasting supply at Confluence would be a boon to all the towns in Somerset county, to which it could be easily piped.

### CHAMBERLAIN'S COUGH REMEDY AIDS NATURE.

Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It allays the cough, relieves the lungs, aids expectoration, opens the secretions, and aids nature in restoring the system to a healthy condition. Sold by E. H. Miller.

### A Model Little Barn.

Esquire Levi Lichliter recently erected on his Gay street lot a barn of which he is justly proud. For neatness, substantiality and convenience, it surpasses anything in that line we have yet seen.

The structure is 28x52 feet, and the material used is of the best. The framework is very substantial, and it is covered with fine surfaced lumber and a most excellent slate roof.

On the first floor is a commodious wagon shed and a number of the best constructed stalls we have ever seen, one of them a nicely arranged box stall, just the thing for a horse or cow if one should become sick.

The horses can be led into or out of the wagon shed either through an interior or exterior door, and the shed is large enough to drive a team and wagon into it before unhitching.

The mangers, feed boxes, etc., are well tinned to keep horses from gnawing them, and the feeding entry is well equipped with spacious and convenient feed bins.

On the second floor is room for a large amount of hay, and immediately above the wagon shed is a 35-barrel tank, which is supplied with water from the roof. This is convenient for washing buggies and wagons, and Mr. Lichliter also has a pipe leading the water from the tank to his kitchen door, where it can be tapped for washing and scrubbing purposes.

The building is nicely painted and well supplied with windows, and we cannot see how a barn could be made more comfortable or convenient. It is worth going to see, especially if you are thinking of building a barn.

### THE STOMACH IS THE MAN.

A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissues and revive the tired and run-down limbs and organs of the body. Kodol Dyspepsia Cure digests what you eat, cleanses and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. Sold by E. H. Miller.

### Addison News.

A. S. Jeffreys died at his home in Addison, Sunday evening, Sept. 11th, 1904, after an illness of about 15 days. He was in his 60th year, and lived in Addison 34 years. He is survived by his wife and seven children, viz: C. N. Jeffreys, postmaster of Addison; Walter Jeffreys, of Pittsburg; Judson Jeffreys, pastor of M. E. church at Fairchance, Pa.; Frank Jeffreys, of Markleysburg, Pa.; Albert Jeffreys, of Addison, Pa.; Mrs. Harry McCulloh, of Elk Lick, Pa., and Ruth Jeffreys, of Addison, Pa. Mr. Jeffreys was a good citizen and will be greatly missed in this community. He was a stockholder and officer of the First National Bank of Addison. The funeral will take place on Tuesday, the 13th inst. We all extend our sympathy to the sorrowing friends.

Our schools opened on Monday, Sept. 12th.

It is reported here that the West Virginia and Garrett County telephone lines have consolidated. That is what they should have done long ago, and they should be put in better condition.

Last Saturday Bert Rush, of Uniontown, was here and went out hunting. He tied his horse to a tree, hitching it pretty long, and the animal got one leg over the hitching strap, strangling itself to death in that way. The horse was valued at \$200.

### FROM 148 TO 92 POUNDS.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength. Sold by E. H. Miller.

### Keep This in Mind.

An exchange very truthfully says: Every man in every town during the course of his lifetime has to ask a favor of an editor—not an exception to this rule. A man may wish to escape a doctor, keep clear of the court, but once in a lifetime, at least, every man has to go to the newspaper to have a certain piece put in—a death notice, a marriage notice, etc., to have a certain piece kept out or to have his name printed in, or omitted from some item. It is therefore to your interest to treat the editor fairly. He desires to be fair; he would rather do the right than the wrong thing; but if you give him a kick, the dent of it may be found in the top of your own hat some day, and you will never know how it got there. Don't you think you are immune; don't think that Providence has especially favored you. Your time will come, and when it does, it will be a fine investment if you have a friend in the editor's office.
