Married, Thursday, Sept. 22nd, 1904, at the home of John Platt, West Salisbury, Pa., by Rev. A. K. Travis, Mr. Samuel C. Miller, of Keystone, and Miss Mary E. Wheeler, of West Salisbury. About twenty-five guests were present.

You cannot cure piles by external application. Any remedy to be effective must be applied inside, right at the seat of the trouble. Manzan is put up in a collapsible tube, with a nozzle, so that it reaches inside and applies the remedy where it is most needed. Manzan strengthens the blood vessels and nerves so that piles are impossible. Manzan relieves the pain almost instantly, heals, soothes, cools and cures. Sold by Elk Lick Supply Co. 12-1

Mr. and Mrs. S. P. Schell returned last Thursday from Washington and Baltimore, which places they visited on their wedding tour. They spent a few days with Salisbury friends, then departed for Connellsville, Pa., where they will reside.

THE STAR office will have a larger and more attractive line of calendars this year than ever before. Business men should hold their orders until a representative calls. We can save the agents' and jobbers' profits, as we buy direct from the makers and importers.

Prof. F. B. Shaffer, who had been reading medicine under Dr. A. M. Lichty since our borough schools closed last spring, went to Philadelphia, yesterday evening, where he will enter the University of Pennsylvania with the object to become a full-fledged M. D.

Congressman A. F. Cooper has THE STAR's thanks for a copy of the "Year Book of the Department of Agriculture" for the year 1903. It is a most valuable work, especially to the agriculturists, and is finely illustrated. Those who desire a free copy should address Hon. A. F. Cooper, Uniontown, Pa.

An eastern paper tells of a few boys who dropped an anvil weighing 200 pounds out of a fourth-story window on the head of an African who was passing, and he had them arrested. He said he was willing to let the boys have their money, but when they jammed "a gentleman's hat down over his eyes and spoiled it in that way," the law must take its course.

Bee's Honey and Tar is different from all other remedies offered for the relief of cough, lung and bronchial troubles. It contains antiseptic properties that destroy the germs, and solvent properties that cut the phlegm, allow mucus to be thrown off, moves the bowels gently. Cures Croup, Whooping Cough and Colds in one night. Sold by Elk Lick Supply Co. 12-1

Our genial and popular friend George C. Biser, manager of the Dull Mercantile Company's Salisbury store, went to Frederick, Md., last Thursday, where he took unto himself a wife. We will give further particulars when Mr. Biser returns. In the meantime the boys should prepare their horse fiddles and hunt up all the old tin cans and wash boilers in the back alleys.

Charles and Milton Saylor, familiarly known as "Buzz" and "Booze," collided with our newly-elected policeman, Joseph K. Joy, Monday night. Mr. Joy had seen service of a similar character many a time before, and as a result he is just as good as new. We can't say as much of the other fellows, who are enjoying a period of repose with Sheriff Coleman for the present, which Judge Koser will likely extend at the December term of court.—Somerset Democrat.

The longest and shortest names ever borne by human beings are owned by two residents of the Hawaiian Islands. One is a man living in Honolulu and the other is a young native woman living on the island of Maui. The name of the man is "I," simply I and nothing more. It is pronounced "ee." The name of the young woman reads like a merger of all the alphabets of the Hawaiian Islands. It is Miss Lucy Annie K. Keonahaalanehukaweloikaunika; 33 letters are required to build this name.

Jan Taylor, of Kendallville, Ind., was seriously diseased with kidney and bladder trouble for 20 years. He tested every known remedy without much benefit, until he used Pineules. This new discovery cured him, and Mr. Taylor advises all persons suffering from kidney or bladder trouble to get a bottle of Pineules at once. Sold by Elk Lick Supply Co. 12-1

Doubleless this county never saw such a plum crop as there is this year. The trees are just as full as they can be, and many break down beneath the load of fruit. In the past years the farmers planted plum orchards and trees about the fence rows, and now they are reaping the harvest. The farmer does not know what to do with them. Blain Wright, of Aleppo township, who has a fine plum orchard, is said to have 2,000 bushels. Some farmers are giving of their abundance to those who have no trees. Mr. Otto Orndoff, of Franklin township, hauled some very large plums to town and gave them away in bushel lots.—Waynesburg Times.

While cleaning out the well on the R. N. Wright place, George Anderson came across a roll of butter covered over with a coating of a black, moss-like sediment. The well had not been used since the days of the late Thomas Porter, who died in 1878, and it had doubtless been dropped in the well several years before that time. So that the roll must have been in the well 30 years, at least. When cut open it appeared clean and nice, but after being exposed to the air awhile it became awfully rank. Some time ago George found a roll the well on the Miss Carrie Cooper place that had been in 10 years.—Claysville Recorder.

"Not the least enjoyable of the day's outing," says the Somerset Standard in its writup of the recent G. A. R. reunion held at Somerset, "were the foot races in the afternoon over a course of about two hundred yards. The contestants in the first race were Jonas M. Cook, aged 61, Eli Knupp, aged 68, and Alex. Casebeer, aged 74. In this event Comrade Cook was an easy winner. Mr. Knupp, who came out second in the race, was not satisfied with the result, and at once issued a challenge to any comrade of about the same age, for another race. The challenge was accepted by William Gilbert, who is one year younger than Mr. Knupp. In the second race Knupp caught his second wind and showed his heels to Persoli almost from the start."

Mrs. Wesley McClintock, of Keim, Pa., died at her home last Saturday morning, after a lingering illness. She was aged 58 years, 10 months and 25 days. The deceased was a daughter of Mr. and Mrs. Reuben Kretzman. She was twice married. Her first husband was Samuel M. Ringer, who died some years ago, and when she married Mr. McClintock she became his third wife. Her last husband survives her, and he has the sympathy of his many friends and neighbors, who hold him in the same high esteem they always held his faithful and devoted wife. A funeral service was held at the St. Paul Reformed church, Tuesday morning. Rev. Stover, and interment was made at the Ringer church, in Addison township, Tuesday afternoon.

A BOY'S WILD RIDE FOR LIFE. With family around expecting him to die, and a son riding for life, 18 miles, to get Dr. King's New Discovery for Consumption, Coughs and Colds, W. H. Brown, of Leesville, Ind., endured death's agonies from asthma; but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove it's matchless for all Throat and Lung troubles. Guaranteed bottles 50c. and \$1.00. Trial bottles free at E. H. Miller's drug store.

A new theory that is proving successful in the cure of Coughs, Lung and Bronchial affections is offered in Bee's Laxative Honey and Tar. This remedy cures the mucus, heals the membranous lining of the throat, lungs and bronchial tubes; wards off Pneumonia and strengthens the system generally. Croup and Whooping Cough disappear before its use as snow before the sunshine of Spring. It's pleasant. Sold by Elk Lick Supply Co. 12-1

Mr. Chas. C. Speicher, of Accident, was in Oakland, Saturday, where he qualified before the Orphans' Court as administrator of the personal estate of his lately deceased mother and was also appointed trustee of the real estate belonging to his father, the late Austin Speicher, at the time of his death. Mr. Speicher was accompanied by his brother, Mr. Ross Speicher, of Wray, Colorado, who left his former home at Accident more than twenty years ago, settling first in Iowa, then in Nebraska, and later going to Colorado where he has a fine farm. Although born in the vicinity of Accident where he grew to manhood, his visit to Oakland, Saturday, was his first to this town. Mr. Speicher will remain with relatives at Accident for a month or more before his return to the west.—Oakland Republican.

That awful grinding, stabbing pain in the back is from the kidneys. A dose of Pineules will cure it over night. Pineules is a new discovery put up in a neat package. A delightful remedy and specific for all Kidney and Bladder troubles. Sold by Elk Lick Supply Co. 12-1

CHAMBERLAIN'S COUGH REMEDY AIDS NATURE. Medicines that aid nature are always most effectual. Chamberlain's Cough Remedy acts on this plan. It always relieves the lungs, aids expectoration, opens the secretions, and aids nature in restoring the system to a healthy condition. Sold by E. H. Miller.

School Doors Must Open Outward. A notice has been sent by the State Department of Factory Inspection to the Harrisburg School Board to have the doors on the school rooms open outward instead of in. A deputy inspector recently found that the doors on five of the buildings in the city opened the wrong way, and the notice followed. An act of Assembly requires that doors on school rooms swing outward, so as to afford an easy exit in time of peril.—Windber Journal.

A POWER FOR GOOD. The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot, of Albany, Ga., says: "During a bilious attack I took one. Small as it was, it did me more good than calomel, blue mass or any other pill I ever took, and at the same time the effect was pleasant. Little Early Risers are certainly an ideal pill." Sold by E. H. Miller.

Extension of Telephone Lines. Negotiations are pending which will result in an independent long-distance telephone service between Philadelphia and Baltimore on one end and Pittsburgh on the other. A meeting was held in Keyser, W. Va., to further the project. The Maryland Telephone Company, of Baltimore, which is building a long-distance line to Piedmont, W. Va.; the Keyser Telephone Company and the Somerset Telephone Company of Somerset, Pa., are parties in the transaction, says the Connellsville Courier.

FROM 148 TO 92 POUNDS. One of the most remarkable cases of a cold, deep-seated of the lungs, causing pneumonia, is that of Mr. George E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength. Sold by E. H. Miller.

United Evangelical Appointments. The Eleventh annual conference of the United Evangelical church, Pittsburgh district, concluded its session at Johnstown, Sept. 18th. Following are the names of the ministers and their appointments, for Somerset county, for the next year: Presiding Elder, D. P. K. Laven. Windber, E. W. Rishel. Scalp Level, J. A. Booser. Somerset, David Berkey. Somerset Circuit, W. A. Reininger. Salisbury, S. M. Cousins. Jennertown, O. Frye. Berlin, J. H. Wise. The Rev. J. W. Waters, pastor of the local church, recently tendered his resignation, having accepted the appointment as postmaster of Windber. The Rev. J. W. Waters, who had been stationed at Scalp Level, has been assigned to Mt. Pleasant.

NO CIGARETTES IN HEAVEN. Rev. Cavanaugh Says They Will Be Barred in Next World. Scottsdale, Pa., Sept. 23.—Rev. George Cavanaugh, of East Freedom, Blair county, who led the devotional exercises of the United Brethren conference in session here Thursday, made a strong plea for purity among the ministers and church people. "We ought to live here as we expect to live in heaven," he said. "I don't think that there will be smoking and chewing of tobacco practiced there, and I am very certain there will be no cigarettes."

CHANCE TO MAKE MONEY. Of interest to Those Out of Employment. Our thanks are due to the Johnson-Wynne Co., of Washington, D. C., for a copy of their new book entitled, "Theodore Roosevelt, The Citizen." The Baltimore Herald truly says: "This is a book that thousands will rightly desire to possess." The work is finely illustrated, and the author is Jacob A. Riis, a writer noted for his ability to interest the reading public. As there are many idle men in this town and vicinity at this time, we think it would pay some of them to take the agency for the sale of the aforesaid book. It will prove a rich harvest for those who take the matter up at once. Address the Johnson-Wynne Co., 945 Penna. Ave., Washington, D. C.

THE STOMACH IS THE MAN. A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissues and revive the tired and run-down limbs and organs of the body. Kodol Dyspepsia Cure digests what you eat, cleanses and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach troubles. Sold by E. H. Miller.

Elk Lick No. 2 to Start. Elk Lick mine No. 2 of the Somerset Coal Company, that has been idle since the inauguration of the strike on December 16th last, will resume operations on Monday morning next. E. T. Jones and John Quinn, of this city, have leased the mine and will operate the same under contract, and in accordance with an agreement mutually entered into between the parties concerned in the contract.

Idle men who are looking for employment, and who are acceptable to the parties heading the project, can secure the same upon application to either Mr. Jones or Mr. Quinn. We are pleased to announce the resumption of work at Elk Lick No. 2, and prospects to fill up the same with home workmen are very flattering. The past two weeks have seen more of the old men returning to work at the two mines now in operation, which is an unfailing indication that better times are in store for Meyersdale.—Meyersdale Republican.

WHAT'S IN A NAME? Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt, of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by E. H. Miller.
