## War on Weeds!

THISTLE-INE is sure death to Canada Thistles  
and all other noxious vegetation.

It can no longer be considered an experiment. That it is able  
to and does destroy weeds and thistles of all kinds, is shown by the  
hundreds of letters we have received from farmers, park, cemetery  
and highway commissioners, railroad officials, and others who have  
given it a thorough test. It is easier and cheaper to spray the grass  
and weeds in walks, driveways and street gutters, with THISTLE-INE  
than to cut or dig them out.

If you have a lawn or back yard in which you take pride, you  
will find THISTLE-INE a constant friend in destroying Dandelion,  
Burdock, Wild Lettuce, or other unsightly weeds.  
You run no risk of failure in ordering, for when used according  
to directions, we guarantee the results, to be entirely satisfactory.

## \$2.50 Worth Sent Free.

Dr. Miles, the Great Specialist in Diseases  
of the Heart, Nerves, Stomach and  
Kidneys.

Will Send a Trial Course of His New and  
Remarkable Treatment Free.

When an experienced physician offers  
to give away \$2.50 Treatments for dis-  
eases of the heart, nerves, stomach,  
kidneys or proapsy, it is conclusive evi-  
dence that he has great faith in it. And  
when hundreds of prominent men and  
women freely testify to his unusual  
skill and the superiority of his New  
Special Treatments his liberality is cer-  
tainly worthy of serious consideration.

That Franklin Miles, M. D., LL. B., is  
one of the world's most successful physi-  
cians is proven by hundreds of won-  
derful cures of well-known people.  
One patient cured after failure of  
eleven Grand Rapids physicians, one  
after being given up by thirty physi-  
cians in New York City, Philadelphia  
and Chicago failed.

The late Prof. J. S. Jewell, M. D., editor of  
the Journal of Mental and Nervous Diseases  
says: "By all means publish your surprising  
results." Prof. J. P. Ross, M. D., Ex-  
President of Rush Medical College, wrote in 1874:  
"Dr. Miles has taken two courses of my  
private instructions in diseases of the heart  
and lungs."  
Mr. Truman DeWeese, editor of the Chi-  
cago Times-Herald, states: "Dr. Miles cured  
me of years of inherited headache and dis-  
tress." The well known manufacturer of  
Freepport, Ill., J. C. Scott, says: "I had fruit-  
lessly spent thousands of dollars on phy-  
sicians until I consulted Dr. Miles."

One thousand remarkable testimonials  
sent upon request.  
As all may have the Doctor's Book  
valuable advice and \$2.50 worth of

### Clipped From the Standard.

Norman T. T. Boose, Esq., son of J.  
R. Boose, clerk to the county commis-  
sioners, has filed a petition asking for  
admission to the Somerset bar. At  
present Mr. Boose has, and has had for  
some time, an office in Cleveland, O.,  
where he is a member of the courts of  
that city and of the supreme court of  
that state. Mr. Boose graduated from  
the law department of the University  
of Michigan, and afterward passed an  
examination admitting him to mem-  
bership in the supreme courts of Michigan.

A race riot broke out at Hooversville  
one evening last week between men  
employed at the Frank Johns and Tel-  
ford Lewis mines, in which one of the  
participants was almost killed, and is  
still laid up for repairs. Pickhandles  
and any old thing figured in the mele.  
Three men—Joe Buhencko, John Peter  
and Auto Dalex—are said to have been  
the aggressors in the trouble, and they  
were committed to jail by Justice Nes-  
tor to await trial at the December  
court.

### CAN YOU EAT?

J. B. Taylor, a prominent merchant  
of Christman, Tex., says: "I could not  
eat because of a weak stomach. I lost  
all strength and ran down in weight.  
All that money could do was done, but  
all hope of recovery vanished. Hear-  
ing of some wonderful cures effected  
by use of Kodol Dyspepsia Cure, I con-  
cluded to try it. The first bottle ben-  
efited me, and after taking four bottles,  
I am fully restored to my usual  
strength, weight and health." Kodol  
Dyspepsia Cure digests what you eat  
and cures. Sold by E. H. Miller. 11-1

### World's Fair Accommodations.

The St. Louis Young Men's Christian  
Association has organized a World's  
Fair Bureau, through which it is pre-  
pared to furnish reliable accommoda-  
tions at reasonable rates in hotels,  
boarding houses, and splendid private  
homes. This is really an extension of  
the boarding house register, which  
such associations have always main-  
tained for the benefit of strangers. The  
St. Louis Association makes no charge  
to its patrons, either directly or indi-  
rectly, for the service, and the benefits  
of the Bureau are extended not only to  
young men, but to the public generally.

spond with E. P. Shepard, Secretary Y.

### GOOD ENOUGH FOR HIM.

I've bin a rock-ribbed Democrat fur half  
a hundred years.

An' allus felt a pride to wear the Dem-  
ocratic gears.

I've whooped at Democrat success on-  
till my throat'd smoke,

An' swore some when the other side'd  
put us into soak.

I've allus thought the country was a  
driftin' strait to wreck

For want o' proper handlin' with Re-  
publicans on deck.

But I've been thinkin' some o' late, an'  
thinkin' ser'ously,

An' I guess the present state o' things  
is good enough for me.

I've been to public rallies where the  
men o' hefty brains

'D plead with us to rouse ourselves an'  
break oppression's chains.

'D tell us how the land we love was un-  
der tyrant rule,

An' that the President was just a fig-  
gerhead an' tool.

I've heerd 'em howl calamity with cop-  
pus flow o' tears,

In tremblin' voice elucidate their mul-  
titude'nous fears,

But, waitin' fur the comin' crash, I've  
stuck prosperity,

'N I guess the present state o' things is  
good enough fur me.

I've paid a mor'gage on the ranch that  
worried me like sin.

Have got some money in the bank an'  
more a rollin' in.

My stock increasin' right along an'  
keepin' slick an' fat,

An' grain an' fruit 'ill make a crap that's  
wuth a lookin' at.

Ain't had the skin rubbed off a bit by  
their oppression chains,

Nor haven't felt a cut o' whip from  
them that holds the reins,

An' sizin' everything all up, I somehow  
fail to see

Jest why the present state o' things  
ain't good enough for me.

### A JUDICIOUS INQUIRY.

A well known traveling man who  
visits the drug trade says he has often  
heard druggists inquire of customers  
who asked for a cough medicine,  
whether it was wanted for a child or  
an adult, and if for a child they were  
invariably recommend Chamberlain's  
Cough Remedy. The reason for this is  
that they know there is no danger from  
it and that it always cures. There is  
not the least danger in giving it, and  
for coughs, colds and croup it is unsur-  
passed. For sale by E. H. Miller. 11-1

### Protection for Loved Ones.

Few, if any, of our citizens possess  
accurate knowledge of the aggregate  
sum of money annually paid into the  
local treasuries of the trio of fraternal  
beneficiary societies represented at  
Rockwood; viz., Modern Woodmen of  
America, Royal Arcanum and Knights  
of the Maccabees. The amount is \$3-  
765.00—computed on a basis of their  
present memberships. It may be of  
further interest to note that the com-  
bined memberships at Rockwood of  
the societies named are 179 strong, and  
the insurance carried rounds up the  
handsome total of \$385,500—a sum  
greater by \$160,500, than the total as-  
sessed valuation of Rockwood borough.  
Considerable insurance is also carried  
in railroad brotherhoods and "old line"  
companies, but the correct figures in  
this connection would be difficult to  
obtain. This is an age of insurance,  
and Rockwood is fully abreast of the  
times in this particular.—Rockwood  
Gazette.

### Gooseberries and a Cat.

Not long ago officials of the depart-  
ment of agriculture were much amused  
by a letter sent the department by an  
occasional correspondent in Virginia.  
Among other things, the writer hast-  
ened to advise Secretary Wilson to this  
effect:

"My wife had a Tame cat that dyd.  
"Being a Tortureshell and a Great fa-  
verit, we had the same berred in the  
Gardin, and for the enrichment of the  
soil I had the Carls deposited under  
the roots of a Gooseberry Bush. (The  
Fruit being up to then of the smooth  
variety.) But the next Season's Frute,  
after the Cat was berred, the Goose-  
berrys was all Hairy—and mere Re-  
markable, the Catpilers of the Same  
Bush was All of said Hairy descrip-  
tion."—Collier's Weekly.

### He Knew She Would See It.

At school, little Charlie, being one of  
the geography class deeply interested  
in learning the points of the compass.  
Said the teacher: "You have in  
front of you the north; on your right,  
the east; on your left, the west: what  
have you behind you?"  
After a moment's reflection, Charlie  
exclaimed: "A patch on my pants."  
And to make the information more  
conclusive, Charlie continued in a  
shame-faced manner: "I knew you'd  
see it; I told mamma you would!"

### BROKE INTO HIS HOUSE.

S. L. Quinn, of Cavendish, Vt., was  
robbed of his customary health by in-  
vasion of Chronic Constipation. When  
Dr. King's New Life Pills broke into  
his house, his trouble was arrested and  
now he's entirely cured. They're guar-  
anteed to cure. 25c at E. H. Miller's
