War on Weeds!

THISTLE-INE is sure death to Canada Thistles and all other noxious vegetation.

It can no longer be considered an experiment. That it is able to and does destroy weeds and thistles of all kinds, is shown by the hundreds of letters we have received from farmers, park, cemetery and highway commissioners, railroad officials, and others who have given it a thorough test. It is easier and cheaper to spray the grass and weeds in walks, driveways and street gutters, with THISTLE-INE than to cut or dig them out.

If you have a lawn or back yard in which you take pride, you will find THISTLE-INE a constant friend in destroying Deadnettle, Burdock, Wild Lettuce, or other unsightly weeds.

You run no risk of failure in ordering, for when used according to directions, we guarantee the results to be entirely satisfactory. Send for Circular.

From Dun's Review.

Business improves steadily and there is no evidence of anxiety regarding the future. Payments are more promptly met, tending to stimulate preparations for coming trade, and the disposition to limit purchases to immediate needs is gradually disappearing. All the leading branches of manufacture are in a better position, with noteworthy activity at iron furnaces, woolen mills and footwear factories. Commercial failures last week in the United States, as reported by R. G. Dun & Co., are 229, against 233 the previous week, 215 the preceding week and 246 the corresponding week last year. Of the failures last week in the United States 89 were in the East, 54 South, 58 West, and 28 in the Pacific States, and 83 report liabilities of \$5,000 or more. Bank clearings last week at all leading cities in the United States were \$2,741,858,805, a gain of 59.6 per cent. over last year and 32.4 per cent. over 1902.

THOUSANDS CURED.

DeWitt's Witch Hazel Salve has cured thousands of cases of Piles. "I bought a box of DeWitt's Witch Hazel Salve on the recommendation of our druggist," so writes C. H. LaCroix, of Zavalla, Tex., "and used it for a stubborn case of Piles. It cured me permanently." Sold by E. H. Miller. 12-1

NOT A SICK DAY SINCE.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c, at E. H. Miller's, Drug Store. 12-1

Merchants Coal Company Suffers Another Loss by Fire.

A fire of mysterious origin destroyed a large stable, the property of the Merchants Coal Company, on Centre street, Boswell, between 2 and 3 o'clock Sunday morning. A stiff wind was blowing at the time and it was entirely owing to the efficient fire protection furnished by the Boswell Water Company and the fire department of that place that the flames were kept from communicating with two nearby residences, in one of which two children named Kaufman are down with diphtheria, and in the other a lad suffering with a broken arm. All of the thirty-four head of horses and mules in the barn were saved in the nick of time, but several vehicles, a lot of hay and other valuable material were devoured by the flames. The fire is reported to have been of incendiary origin and the owners of the property claim to be in possession of clues which they hope will lead to the detection of the firebugs. The property destroyed was valued at about \$1,000.—Somerset Herald.

The County Teacher's Institute.

The forty-eighth annual session of the Somerset County Teachers' Institute will be held at Somerset, Monday, the 21st of this month. The sessions will be held in the new opera house. The instructors are Dr. A. E. Winship, of Boston, Mass., Prof. P. M. Pearson, Swathmore, Pa., Mrs. Mary G. Noss, of California, Pa., and Dr. R. A. Armstrong, of Morgantown, W. Va. The music will be in charge of Prof. O. H. Yetter, of Bloomsburg, Pa., assisted by Mrs. Edith Harris Scott, contraalto singer and reciter, of Pittsburg, Pa., and Mrs. Curtis O'Hara Kooser, pianist, of Somerset, Pa.

The evening entertainments will be a lecture, Monday evening, by Gen. Z. T. Sweeney, of Columbus, Ind., whose subject is "The Golden Age"; lecture Tuesday evening by Frank Dixon, of Dixonville, Va., with "Threat of Socialism" as the topic of his discourse; an entertainment Wednesday evening in song-bird fashion, by Charles Dennison Kellog, Philadelphia, the "Bird Man," and elocutionary and harp renditions, Thursday evening, by the Rogers-Grill Recital Company.

County Superintendent D. W. Seibert announces that the prospects were never better for a successful institute. The new opera house, which is well equipped with an improved system of ventilating and heating, will comfortably seat all who wish to attend.

THE NEW COURT HOUSE.

Corner Stone to Be Laid Nov. 23d, with Appropriate Ceremony.

The 23rd of November, 1904, at 12:45 o'clock, p. m., has been fixed as the date and time for the laying of the Corner Stone of the new court house. The ceremony will take place under the auspices of the Bench, Bar and County Officials of Somerset county, Pa. What is believed to be an excellent and very satisfactory program—consisting of prayer, a number of speeches suitable to the occasion, vocal and instrumental music interspersed, and finally the benediction—has been arranged.

In the Corner Stone will be placed a large copper box containing, among other things, a history of the county, statistics of population and property, copies of the various newspapers published in the county, membership of the several religious denominations, rostra of all secret societies of the county, statements of banks, rules of court, and many other articles which it is supposed will be of interest to the generation living two hundred or more years hence, at which time it is possible the contents of the Corner Stone may be disclosed.

It is hoped that there will be a full attendance of the citizens of the county, and others; and all persons, without regard to creed or politics, are cordially invited to be present and witness this interesting ceremony.

NO POISON IN CHAMBERLAIN'S COUGH REMEDY.

From Napier New Zealand Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by E. H. Miller. 12-1

Inform the People.

If you expect the people to guess at what you have to sell you will be disappointed. In this enlightened and progressive age they look for everything in the old-established home paper, and if you are not found there they will in many cases go to some town where the merchants are up-to-date enough to tell them what they have to sell. A business may drag along, but it won't amount to much without liberal advertising.—Ex.

A Vigorous Kicker.

"You are an hour late this morning, Sam."

"Yes, sah; I know it, sah."

"Well, what excuse have you?"

"I was kicked by a mule on my way here, sah."

"That ought not to have detained you an hour, Sam."

"Well, you see, boss, it wouldn't have if he'd only have kicked me in dis direction, but he kicked me de other way!"—Yonkers Statesman.
