Burgess J. T. Shipley, of Meyersdale, was seen on our streets last Friday. A Burgess like Tom Shipley is always a welcome guest here, and he ought to be given a banquet every time he comes.

A proud Irish father in New York who named his son, born a day or two before election, after Mr. Parker, has now decided to change the name to Dennis, averring that Dennis and Parker are pretty much the same, anyway.

THE STAR office will have a larger and more attractive line of calendars this year than ever before. Business men should hold their orders until a representative calls. We said save you agents' and jobbers' profits, as we buy direct from the makers and importers.

Our paper is not up to its usual high standard, this week, owing to the fact that the entire STAR force went to Somerset, yesterday, to attend the corner stone laying of the new court house. Besides, today is Thanksgiving Day, and we must have some time to rest, eat our turkey and give thanks.

J. D. Ross, of Cumberland, Md., informs THE STAR that he intends to locate in Salisbury in the near future and open an establishment for renovating feathers and mattresses, also for upholstering, etc. We need an establishment of that kind, and we believe Mr. Ross will be able to do a nice business here.

An exchange says: we feel sorry for the man who does not read his home paper. He is no better than a man without a country. He is like a homeless cow, that has no regular pasture but grazes promiscuously on weeds and thistles. No matter what other papers may be read, the straight-forward citizen always insists on having his home paper.

A new theory that is proving successful in the cure of Coughs, Lung and Bronchial affections is offered in Bee's Laxative Honey and Tar. This remedy cuts the mucus, heals the membranous lining of the throat, lungs and bronchial tubes; wards off Pneumonia and strengthens the system generally. Croup and Whooping Cough disappear before its use as snow before the sunshine of Spring. It's pleasant. Sold by Elk Lick Supply Co. 12-1

District Attorney Jerome, of New York, however reformed he may be now, was a great card player in his early days, so much so that his mother, who was a pious woman, said to him one day by way of remonstrance: "A great deal of time is wasted, dear, is there not, in playing cards?" "Yes, mother," he smiled in reply, "there is—in shuffling and dealing."

Young men, if you want to succeed, do not hang around the loafing places nearly every night in the week till the midnight hour. By the company you keep you are known. Take the young man who seeks out older persons as his associates. He profits by their knowledge and experience. Keep away from loafing places. The reading of good books is as good past-time as any you can find.—Ex.

That awful grinding, stabbing pain in the back is from the kidneys. A dose of Pineules will cure it over night. Pineules is a new discovery put up in a new way. A delightful remedy and specific for all Kidney and Bladder troubles. Sold by Elk Lick Supply Co. 12-1

When "Mickey" Harding, "Artie" Emerick and Joseph Bantam Wagner were taken to jail, last Saturday morning, a by-stander remarked: "The locking up of those fellows will make a pretty good sized hole in the Democratic party in this locality." Just then another fellow remarked: "Them fellers ain't Democrats, they're brother Socialists of ourn." And then a little schoolboy spoke up, saying: "Aw, youse are all off; them fellers is nothin' and darn little o' that." Who was right?

Abraham G. Livengood, who returned home from Grand Rapids, Mich., several weeks ago, with a case of typhoid fever, has fully recovered and will go back to Grand Rapids again tomorrow, where he will resume his studies at a veterinary college. His brother Daniel, who has been clerking for Druggist E. H. Miller, will also enter the veterinary college at Grand Rapids, and will also leave here tomorrow. A son of S. P. Young will take Daniel's place in the drug store. We wish all three of these young men success, and we believe they are made of the right kind of stuff to achieve it.

Bee's Honey and Tar is different from all other remedies offered for the relief of cough, lung and bronchial troubles. It contains Antiseptic properties that destroy the germs, and solvent properties that cut the phlegm, allowing it to be thrown off, moves the bowels gently. Cures Croup, Whooping Cough and Colds in one night. Sold by Elk Lick Supply Co. 12-1

A story is told of a prominent school teacher who kept "bachelor's hall" in the district where he taught, and was supplied with food by the neighboring farmers. One day a small boy came running toward him, and said, "Say teacher, my pa wants to know if you like pork?" "Indeed I do like pork," replied the teacher, concluding that the very stingy father of this boy had determined to donate some pork to him. "Tell your father if there is anything in this world I do like it is pork." Some days passed and the teacher had seen no pork yet. At last he met the boy alone in the school yard. "Look here, John," he said, "how about that pork?" "Oh," replied the boy, "the pig got well."

Salisbury never before had such a water famine as right now. Wells and springs are dry that have never been dry before, and if it doesn't soon rain abundantly, many people will have to haul water from streams and springs out of town. The need of a good system of water works is very urgent in this town, and why some of our capitalists do not invest some of their capital in such an enterprise, is a wonder to people all over Somerset county. If Salisbury is going to allow herself to remain at the tail end of the procession among the towns of Somerset county, and keep on allowing smaller towns to forge ahead of her in the matter of modern improvements, we will be pointed out as a community of mosebacks.

You cannot cure piles by external application. Any remedy to be effective must be applied inside, right at the seat of the trouble. ManZan is put up in a collapsible tube, with a nozzle, so that it reaches inside and applies the remedy where it is most needed. ManZan strengthens the blood vessels and nerves so that piles are impossible. ManZan relieves the pain almost instantly, heals, soothes, cools and cures. Sold by Elk Lick Supply Co. 12-1

There is probably no place on earth better than a country newspaper office to learn how many kinds of people there are. Some get "huffy" if a statement is sent, while others will not pay until they receive a statement. Still others won't pay if a statement is sent or not, and some it takes more than a statement to square themselves with their fellows. Some say they owed more, others thought they didn't owe quite so much. Some say the paper don't amount to much, while others say "I want to take it as long as I can." But the meanest, scrubbiest in the list are the persons who take it until they are shut off for non-payment and then spend half their time explaining how they used to take "the thing," but stopped it because it was "no 'count." These are only a few of the many different kind of people.

All kinds of Legal and Commercial Blanks, Judgment Notes, etc., for sale at THE STAR office. 12-1

Meyersdale Man Convicted of Criminal Exposure of the Person.

Meyersdale, Pa., Nov. 17.—J. A. Bush, a well known barber of this place, was heavily fined this morning and severely reprimanded by Burgess Shipley, when he was arraigned on a charge of criminal exposure. According to all accounts, Bush has been repeating this offense for some time, but it was only recently that the attention of the authorities was directed to the matter. It is stated that he insulted every woman and girl that passed his shop, and made an especial target of school children. He pleaded guilty to the charge, and no witnesses were called.

DOESN'T RESPECT OLD AGE.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr. King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect Pill. 36c, at E. H. Miller's Drug Store. 12-1

No Doubt of Windber Being County's Metropolis.

Windber, Nov. 17.—When the schools open Nov. 28, after the institute, this week, there will be two new teachers on the local faculty. There are at present over 1,000 pupils, about 100 more than last year, and there is a continual growth. A prominent educator said that if the new parochial school takes 200 of the pupils, there will still be need of the extra teachers. There are now 20 instructors in our schools, and the educational facilities were never better in this place.

The parochial school will not be ready for use before Jan. 1, it is said, or perhaps later.

A GOOD COMPLEXION.

"Sparkling eyes and rosy cheeks restored by using DeWitt's Little Early Risers," so writes S. P. Moore, of Nacogdoches, Tex. A certain cure for biliousness, constipation, etc. Small pill—easy to take—easy to act. Sold by E. H. Miller. 12-1

AN AGED LAWYER.

Somerset Man Who Still Practices at Age of 90 Years.

Somerset, Nov. 21.—In celebration of his 90th birthday, four generations of the Kimmell family gathered Sunday at the home of John Oliver Kimmell. Mr. Kimmell is the oldest member of the Somerset bar. He was born in Berlin, this county. He is still active in his profession.

The guests at the anniversary celebration Sunday included his only son, William C. Kimmell, of the passenger department of the Pennsylvania railroad in Pittsburg, and his daughter, Mrs. George F. Baer, whose husband is president of the Philadelphia & Reading Railroad Company.

HERB W. EDWARDS INJURED.

Herb W. Edwards, of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruising his knee. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm, and after a few applications all soreness had disappeared." Hope to Strike Rich Gas Deposit.

C. E. Specht, of Stoyestown, was in the city yesterday and was asked concerning the gas well drilled recently on the Dan Long farm, near Stoyestown. Mr. Specht said that great interest was being manifested in the operations by all the residents in that section of the county. He himself is a member of the Lincoln Oil and Gas Company.

According to Mr. Specht, two or three more holes will be drilled in the neighborhood of that on the Dan Long farm. The promoters hope to strike a rich gas deposit, or pocket, and if their expectations are realized will pipe the gas to nearby towns. There is some talk of piping it to Johnstown, but of course this project is as yet only in embryo form. The well in which gas was found is now plugged up, so that none of the gas will escape.

It has not yet been determined whether or not the well will be "shot." This is accomplished by lowering carefully into the well can after can of nitroglycerine. Then a piece of iron known as the "go devil" is dropped down the casing. In the meantime those on the surface are scurrying for shelter, as if oil is struck, or a new pocket opened, the spray of the thick, heavy liquid will cover everything within 50 yards of the well.—Johnstown Democrat.

NOT A SICK DAY SINCE.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c, at E. H. Miller's Drug Store. 12-1

A Cereus Gold For Three Months.
The following letter from A. J. Musbaum, of Batesville, Ind., tells its own story: "I suffered for three months with a severe cold. A druggist prepared me some medicine, and a physician prescribed for me, yet I did not improve. I then tried FOLEY'S HONEY AND TAR, and eight doses cured me."

A Circumspect Druggist's Statement.
Robert J. Miller, proprietor of the Read House Drug Store, of Chatsanooga, Tenn., writes: "There is more merit in FOLEY'S HONEY AND TAR than in any other cough syrup. The calls for it multiply wonderfully and we sell more of it than all other cough syrups combined."
