A brother of Dr. E. H. Perry arrived here last week from Woodcock, Pa., for a visit with the doctor and his parents, Rev. and Mrs. J. F. Perry. The visiting brother is a Methodist minister, and last Sunday he preached in the Salisbury M. E. church. His sermon is highly spoken of.

John M. Smith, who some time ago took a dose of strychnine with suicidal intent, and came very near shuffling off his mortal coil, has about fully recovered. We are glad that the doctors succeeded in saving him, and if old John M. will just let booze alone, he is yet young and brainy enough to make for himself a brilliant and honorable record. Brace up, John, and be a man.

The editor has a "game" leg that is giving him no end of trouble, this week, owing to a varicose condition of the veins, which threaten to ulcerate and render him a cripple for life. We are in a bad fix, and all delinquents are perfectly safe now in calling at the office to pay their subscriptions, for we couldn't kick them down the stairway now for such an insult, even if we should try.

One of the young men up in the Amish corner tried courting his girl over the telephone, one night recently, which is a common practice in that neck of the woods. When he told her that he would send her a kiss over the line, she informed him that her other fellow was there in person, and said she was enjoying kisses and hugs galore, of the real and proper kind. Then she said "goodnight" to the fellow at the other end of the line, and rang off.

Her husband died a couple of months ago, but two daughters and a son are left to mourn the loss of a most noble mother. Deceased was aged about 65 years. We have learned nothing concerning the funeral arrangements.

Dr. Howard DeLozier, V. S. and D. S., butchered two prize hogs, last week, one weighing 396 pounds, the other 448. The doctor says he could stand a strike now, but declares that he is too fond of "cabbaging" to quit work, especially since the strikers have conferred upon him the title of "D. S." John Blanchard was at the butcherin', and he says they had a regular old-fashioned jubilee over it, with spiritous, vinous and malt accompaniments. If there had been another quart on hand, the porkers would have weighed over 500 apiece.

Give to a pig when it grunts and to a child when it cries, and you will have a fat pig and a spoiled child. A man who is learning to play a trumpet, and a petted child, are two very disagreeable characters, even as next-door neighbors; but unless we look well to it, our children will be a nuisance to others and a torment to ourselves. "The rod and reproof give wisdom; but a child left to himself bringeth his mother to shame." If we never have headaches through rebuking our little children, we shall have plenty of heartaches after they grow up.—Ex.

Senator Daniel, of Virginia, tells of an old darkey who held to the theory that "the Lord helps them who help themselves" in the matter of prayers. When asked his experience, old "Mose" said: "Well, sah, some pra's is anud, an' some ain't—it depends on what yo' axes for. Just arter de wab, w'en it was mighty hard scratchin' for de culled brederin, I noticed dat whenebber I pray de Lord to sen' one o' Marse Jenkins' fat chickens fo' de old man, dere was no notice took of de petition; but when I pray dat He would sen' de old man fo' de chicken, de matter was 'tended to befo' sunup de next morin'!"

Not so many years ago the editor of the Gazette was manipulating a country paper in Eastern Illinois, and J. Frank Hanly was teaching a country school near by at a starvation salary, wherewith he assisted in the support of a destitute family over in Hoosierdom, and burned midnight oil studying law. He also furnished neighborhood items and school reports for our paper. The other day he was elected governor of Indiana by a plurality of 82,000, and we—well, we voted the straight Republican ticket and still run a country paper, because we don't know how to run anything else.—Rockwood Gazette.

A FRIGHTENED HORSE.

Running like mad down the street dumping the occupants, or a hundred other accidents, are every day occurrences. It behooves everybody to have a reliable Salve handy and there's none as good as Bucklen's Arnica Salve. Burns, Cuts, Sores, Eczema and Piles, disappear quickly under its soothing effect. 25c, at E. Republican Victory Celebrated in True Democratic Style.

The Rockwood Gazette last week told how the recent Big Republican victory was celebrated in Rockwood. If the Gazette speaks the truth, our Republican brethren down there celebrated the event after the manner that Democrats usually celebrate. Following is the Gazette's account of the affair:

"What the projectors termed a Republican ratification meeting was pulled off in Rockwood, Saturday night, and it required pretty much the whole night to throw off, or up, the enormous quantity of 'enthusiasm.' A white horse procession, Emanuel Custer and much noise were the notable features, with Policeman Dupont and Dr. Gilder as managers. Emanuel was the orator of the occasion and his pedestal was a banana crate. Notwithstanding the fact that Emanuel is known to have fought in all the wars since Xerxes invaded Greece, he opened his oration with 'Ladies (hic) and gentlemen (hic), I'm fer peace,' when big 'bang! bump! ah! um! Emanuel measured his length on the ground. The grand finale was a huge bonfire at 2 o'clock in the morning, the fuel being oil barrels appropriated from a store, and for which the gay company were required to pay a neat sum the following day."

FIGHT WILL BE BITTER.

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beall, of Beall, Miss., has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her." Guaranteed by E. H. Miller, Druggist. Price 50c, and \$1.00. Trial bottles free. 1-1

BURGESS LOWRY RESIGNS.

His Successor Not Yet Appointed—Council Passes Resolutions—Other Proceedings of Special Session.

A special meeting of Town Council was held on Friday evening, November 25, 1904, for the purpose of receiving Burgess Lowry's report and his resignation. Members present were Levi Lichter, A. C. Maust, C. A. Wilt, Frank F. Petry and Elijah Newman.

Burgess Lowry reported fines and fees collected since last reported, \$24.28; also lockup rent, \$5.00. It was moved by Petry and seconded by Newman that the report of the Burgess be accepted, which was unanimously carried.

Burgess Lowry presented his resignation, which was accepted and ordered spread upon the minutes, and the following preamble and resolutions were adopted:

WHEREAS, owing to failing health, Michael Lowry, Esq., has tendered his resignation as Burgess of the borough of Salisbury, being unable, in justice to himself, to longer attend to its duties, therefore be it

RESOLVED, that during his term of office Mr. Lowry has performed his duties (not always pleasant duties) with marked ability, strict honesty and singular fidelity to the interests of the people of this borough as he saw them.

RESOLVED, that we most sincerely regret that his present physical condition is such as to prevent him from rendering further public services in the discharge of the duties of the office, and we therefore accept his resignation to date from November 25, 1904, sincerely hoping his health may yet be restored, and that he may live to see many years of usefulness.

RESOLVED, that these resolutions be spread upon the minutes of the borough, and that THE STAR be requested to publish them.

Moved by Maust and seconded by Petry that we adjourn; unanimously carried. IRA F. HAY, Borough Clerk.
