"Biff" Biffed "Big Al."
Our old friend and college chum, Al Swartzwelder, recently got into an altercation with a miner in West Salisbury that goes by the name of "Biff." What happened, did you say? Why Al got "biffed" so hard that it rocked him to sleep for a while. Following is a correct photograph of "Big Al's" face taken by a staff artist of THE STAR immediately after the battle.

"Biff" must be a "biffer" from Biff-bang, but we trust that he hasn't shortened Al's life, for he is a real nice fellow and seldom misses a Sunday at Sunday school or class meeting.

NO MORE STOMACH TROUBLES.

All stomach trouble is removed by the use of Kodol Dyspepsia Cure. It gives the stomach perfect rest by digesting what you eat without the stomach's aid. The food builds up the body, the rest restores the stomach to health. You don't have to diet yourself when taking Kodol Dyspepsia Cure. J. D. Erskine, of Allentown, Mich., says, "I suffered Heartburn and Stomach trouble for some time. My sister-in-law has had the same trouble and was not able to eat for six weeks. She lived entirely on warm water. After taking two bottles of Kodol Dyspepsia Cure she was entirely cured. She now eats heartily and is in good health. I am glad to say Kodol gave me instant relief." BURGESS APPOINTED.

Jer. J. Livengood Appointed by the Court to Fill Vacancy.
THE STAR was in error, several weeks ago, when it stated that a Burgess would be elected at the February election to fill the unexpired term of Ex-Burgess M. C. Lowry, who resigned his office some time ago. In looking up the law governing the resignation of a Burgess, we have found that the court has the sole power to fill such vacancy by appointment of a suitable person petitioned for by Town Council or by any citizen residing in a borough where such resignation has taken place.

Therefore, agreeable to the petition of our Town Council, Jer. J. Livengood was last week appointed to fill the unexpired term of M. C. Lowry, and the town deserves congratulations upon the appointment. Mr. Livengood is not a new man in his present official capacity, as he has in past years served this borough as its chief executive officer with great credit to himself and the town. He has served more years as Burgess than any other man in this town, and although he is now past three score years and ten, he is still full of vim and vigor, and all may rely on it that he will do his duty well.

BEGINS BY "SOAKING" AN OFFENSIVE CIGARETTE STINKER.

Last Friday, the very day Burgess Livengood received his commission from the court, "Artie" Emerick, an offensive cigarette stinker who has been a very mouthy and troublesome character about town for a long time, was arrested by Policeman Thomas for using foul and profane language on the streets. The Burgess ordered "Artie" placed in the "cooler" to sober up, and the next day the prisoner was arraigned before the "trim shop" tribunal and fined \$10.00 and costs, or about \$12.50 in all. Of course, "Artie" didn't have the money to cash up, for he had just returned from the Broad Top mining region the evening he was arrested, and, as is the case with most of the Elk Lick strikers who go and work in other regions a while, he returned with empty pockets; but was as full of profanity, booze and abuse as ever. However, John Schramm came to his rescue and stood good for the fine. When John did that he should have been in better business; but he will learn in due time, never fear. Nothing but trouble is ever gained by nursing vipers.

In conclusion, let us say, the rowdies and abusive street loafers should now take warning, as Burgess Livengood has decided to give them their medicine in big doses, regardless of race, color, striker or non-striker. All Policemen Thomas will need to do now is to make the arrests; the Burgess will do the rest.
