COMMITTEE.

STARTLING BUT TRUE.

People the world over were horrified on learning of the burning of a Chicago theater in which nearly six hundred people lost their lives, yet more than five times this number or over 3,000 people died from pneumonia in Chicago during the same year, with scarcely a passing notice. Every one of these cases of pneumonia resulted from a cold and could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have warded it off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it cured my daughter, Laura, of a severe cold, and I believe saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, New York. Sold by E. H. Miller. 3-1

A Great Minstrel Show.

After a lengthy correspondence and a financial risk to him, Oscar Allen, manager of the new Donges Theatre, of Meyersdale, has succeeded in securing the famous Gus Sun Minstrels for Wednesday night, Feb. 15th. The company is conceded to be one of the foremost minstrel companies of the present age, and is without question the finest attraction ever billed for Meyersdale.

With this splendid attraction it will be necessary to have every seat filled if the opera house manager is to make any money, which he ought to do after securing such a high class attraction. Everybody who can, ought to attend. The following is only a fair sample of what the newspapers all over the country are saying about the Gus Sun Minstrels:

"That minstrelsy is not dead was demonstrated last night at the California Theatre when more than five hundred people were turned away from the box office before 8 o'clock. The fellow who was fortunate enough to get a seat laughed until his sides were sore, while others blustered their hands applauding."—San Francisco Chronicle.

THE SUNSHINE OF SPRING.

The Salve that cures without a scar is DeWitt's Witch Hazel Salve. Cuts, Burns, Boils, Bruises and Piles disappear before the use of this salve as snow before the sunshine of spring. Miss H. M. Middleton, Thebes, Ill., says: "I was seriously afflicted with a fever sore that was very painful. DeWitt's Witch Hazel Salve cured me in less than a week." Get the genuine. Sold by E. H. Miller. 3-1

Profit in Hogs.

One of our good German Baptist Brethren ministers, a progressive farmer of this county, writes us as follows: "As the Lord in His goodness caused the trees to bear a bountiful crop of chestnuts and acorns, last fall, and I being blessed with a good stock of hogs, I butchered this season 8023 pounds of pork, and still have twenty head of hogs on hand for next season."—Oakland Journal.

THAT TICKLING IN THE THROAT. One minute after taking One Minute Cough Cure that tickling in the throat is gone. It acts in the throat—not the stomach. Harmless—good for children. A. L. Spoford, postmaster at Chester, Mich., says: "Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. Three doses of One Minute Cough Cure half an hour apart speedily cured her. I cannot praise One Minute Cough Cure too much for what it has done in our family." It always gives relief. Sold by E. H. Miller 3-1
