Bill had a billboard. Bill also had a board bill. The board bill bored Bill so that Bill sold the billboard to pay his board bill. So after Bill sold his billboard to pay his board bill, the board bill no longer bored Bill.—Houtzdale Citizen.

Pineapple acts like a poultice. Best thing in the world for boils, burns, cracked hands, tetter, etc. Sold by Elk Lick Supply Co. 6-1

The Berlin Gleaner last week changed its form from an 8-column folio to a six-column quarto. The change is a great improvement. The old blanket form newspaper has long ago gone out of style, and at the present time but few publishers are adhering to that form.

One night is all the time necessary to prove that Pineules is the best remedy in the world for backache and all kidney and bladder troubles. If you have rheumatism or any other blood disease, a single dose will give relief. Sold by Elk Lick Supply Co. 6-1

Harry McCulloch has purchased the undertaking business of Rutter & Will, in Meyersdale, and in the very near future he will move his family to that town and take charge of his new business. We are sorry to lose "Mac" as a citizen, but we wish him great success in his new venture.

Married, Sunday, March 12th, 1905, at the home of the bride's brother, at Jennings, Md., Mr. Alvin Oscar Baker and Miss Lulu Fromfeler. The groom is a son of Samuel Baker, of Elk Lick, Pa., and is employed in the large store operated by Jennings Bros. The bride is a popular and handsome young woman of Jennings, Md. We extend our congratulations.

Young people who are thinking of getting married, should try to be present at a few terms of court and hear the cases of desertion and non-support which are regularly aired there. If these young people would do this, they would probably realize as they can in no other way, the difficulties with which they are liable to come in contact after they are married, and when it is too late to remedy them.—Cambria Tribune.

It is difficult to cure a cough or free yourself from the discomforts of a cold unless you move the bowels. Bee's Laxative Honey and Tar acts on the bowels and drives all cold out of the system. Then comes its soothing effect and strengthening influence upon the throat and lungs. For Croup, Whooping Cough, Colds, and all Lung and Bronchial affections, no remedy is equal to the original Laxative Honey and Tar. Sold by Elk Lick Supply Co. 6-1

We forgot to mention, last week, that our dear old friend and college chum, "Mistah Edgah Showaltah," returned from a good union mining region near Bay City, Mich., to this poverty-stricken non-union region. We wonder why, we wonder why. Perhaps, after all, there are worse things than mining coal in a non-union region like this, where the miners are making from two to four times as much money as the poor devils in other regions are making, but who at the same time are being held up, bled and robbed to support a lot of idle men in this region who should long ago have gone to work.

Backache is never known to those persons who take an occasional dose of Pineules. The value of the resin obtained from the Pine tree has long been recognized in the treatment of diseases of the bladder and kidneys. One dose of Pineules will give relief, and one bottle will cure. Sold by Elk Lick Supply Co. 6-1

If anybody has the left hind leg of a rabbit caught in a graveyard in the dark of the moon by a red-haired colored man, he ought to send it to B. Zitzman. He is the victim of a hoodoo. Recently he was found lying almost frozen to death in the snow near his home; later, when he recovered sufficiently to leave his bed, his night clothing took fire from a gas stove, and he was badly burned before the flames could be extinguished, and only a few days ago as he was descending from the haymow in his stable, he slipped and fell, and in his rapid flight downward a ring which he wore on the fourth finger of his left hand caught on a nail, and the flesh was literally stripped from the bone.—Barnerville Republican.

Croup is quickly relieved, and Whooping Cough will not "run its course" if you use the original Bee's Laxative Honey and Tar. This Cough Syrup is different from all others because it acts on the bowels. You can not cure Croup and Whooping Cough until you rid the system of all congestion, by working off the cold through a copious action of the bowels. Bee's Laxative Honey and Tar does this, and cures all Coughs, Croup, Whooping Cough, etc. No opiates. Sold by Elk Lick Supply Co. 6-1

**Death of John Smiley.**  
Mr. John Smiley died this morning at the almshouse, where he suffered for several weeks with typhoid fever. Mr. Smiley became ill while working in a logging camp near Mr. Savage, and having no friends here was obliged to go to the almshouse. He is said to have come here from Pennsylvania and it is believed has a brother somewhere in that state who is a priest of the Episcopal church. The body of the deceased is now at Stein's chapel and will be kept for a reasonable time with a view to locating relatives if possible.—Cumberland Times.

**CHAMPION LINIMENT FOR RHEUMATISM.**  
Chas. Drake, a mail carrier at Chapinville, Conn., says: "Chamberlain's Pain Balm is the champion of all liniments. The past year I was troubled a great deal with rheumatism in my shoulder. After trying several cures the storekeeper here recommended this remedy and it completely cured me." There is no use of anyone suffering from that painful ailment when this liniment can be obtained for a small sum. One application gives prompt relief and its continued use for a short time will produce a permanent cure. For sale by E. H. Miller. 4-1

**\$1,000 IN GOLD.**  
**As a Reward for Hard Work Among Strangers.**  
Miss Love Warnick received from her uncle the sum of one thousand dollars in one-dollar gold pieces, on Tuesday last, for her bravery and hard work among strangers during the year 1904. Miss Warnick is a highly respected lady of Garrett county, and also one among the leading milliners of that section. She will leave here the 12 of April for the state of Georgia, where she will complete her business. Her many friends are sorry to learn of her departure.—Cumberland Times.

**Resolutions of Respect.**  
Inasmuch as it has pleased our Heavenly Father to remove from this life on March 18th, 1905, our beloved young friend, James Silas Wagner, in the morning of his youthful days, and while we deplore his death, yet we bow in humble submission to the will of Him that doeth all things well, and therefore be it

Resolved:—That the removal of such a promising young life leaves a vacancy and shadow in our Sabbath school that will be deeply realized by our school; and be it further

Resolved:—That the Lutheran Sunday school of this place, does hereby extend to the bereaved family our heartfelt sympathy, and commend them to the care of God and His tender mercies; and be it further

Resolved:—That a copy of these resolutions be sent to the family of the deceased, and also to the SOMERSET COUNTY STAR, for publication.

### Change in Management of the West Salisbury Feed Company.

Stewart Smith, the able and popular manager of the West Salisbury Feed Company, has resigned his position, and on April 1st he will be succeeded as manager by Daniel Livengood. Mr. Smith, however, will retain his stock in the company, for the reason that it is a profitable investment, the company doing an extensive business from the start.

The new manager is a popular and well known young man of this vicinity, a son of Elijah Livengood, and withal a gentleman possessing a most affable disposition, as well as business qualifications of the highest order. There are no better fellows than "Dan" Livengood, and we feel sure that under his able management the high standing of the West Salisbury Feed Company, and its volume of business, will be fully maintained.

Mr. Smith will embark in the coal business with Charles F. Cochrane, the two having leased a body of very fine coal in the vicinity of the old Cochrane mine near Coal Run. We wish all parties concerned in the new business ventures mentioned, success in large quantities.

### A CHICAGO ALDERMAN OWES HIS ELECTION TO CHAMBERLAIN'S COUGH REMEDY.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peoria St., Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by E. H. Miller. 4-1

### Addison News.

March 20th.—Last Sunday night Elder H. S. McClintock preached in the Christian church of Addison to a large audience. He is a fine speaker, and has certainly been adding much to his ability.

Last Saturday Frank Largent, of Connellsville, was here visiting his parents, Mr. and Mrs. E. Largent. He returned home on Sunday. He is baggage man for the B. & O. Railroad Company at Connellsville.

John Meyers and family have moved to Addison from Uniontown where they had been living for three or four years.

Last Wednesday Mrs. Cinda Augustine died at her home in Addison, after an illness of four months. Deceased was a daughter of Mr. and Mrs. Wm. Lakle, of Keyser's Ridge. Her age was 20 years, 5 months and some days. She is survived by her husband, T. J. Augustine, to whom she was married about a year and a half ago. The funeral took place last Friday.

Jasper Augustine, of Uniontown, has purchased the George Null farm, which was once a part of the John Mitchell farm.

John Glass, of Cove, Md., has bought the Frank Bird farm and is now moving onto it.

Last Sunday night lightning struck Jonas Platter's barn, near Keyser's Ridge, Md., setting fire to it and burning it to the ground.

### THE COLONEL'S WATERLOO.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c. bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure, Dyspepsia, Biliousness and Kidney Disease, by E. H. Miller, druggist, at 50c. a bottle. 4-1

### Much Truth in This.

If the newspapers and the people who are continually blathering about the trusts would only stop to consider the fact that the trusts are not rich individuals, but are composed of millions of people giving employment at good wages to millions of other people, they might with an extraordinary exercise of their limited mental powers, perceive that these big corporations are not so black as their heated imaginations picture them.—Connellsville Courier.

### PLEASANT AND HARMLESS.

Don't drug the stomach to cure a cough. One Minute Cough Cure cuts the mucous, draws the inflammation out of the throat, lungs and bronchial tubes, heals, soothes and cures. A quick cure for Croup and Whooping Cough. One Minute Cough Cure relieves a cough in one minute because it acts first on the mucous membrane right where the cough troubles—in the throat or deep-seated on the lungs. Sold by E. H. Miller. 4-1
