A young man took his best girl to church, and, stopping at the end of the back pews, turned to the usher and said: "I guess we can squeeze in here." "Yes," said the usher with a smile, "I guess you can, but probably it would be better for all concerned to wait until you get home."—Ex.

You can apply Manzan inside, right where the pain is? It is put up in collapsible tubes with nozzle attachment for introducing it. Manzan stops pain instantly and cures all kinds of blind, bleeding, itching and protruding piles. Sold by Elk Lick Supply Co. 6-1

One of our ladies was scolding her husband for not going to church and trying to be good. "Oh, I don't know that I care to be an angel," said he, "I would have trouble getting my clothes on over my wings." She suggested that she thought what he needed to be worried about most was how he would get his hat on over his horns.

Backache is never known to those persons who take an occasional dose of Pineules. The value of the resin obtained from the Pine tree has long been recognized in the treatment of diseases of the bladder and kidneys. One dose of Pineules will give relief, and one bottle will cure. Sold by Elk Lick Supply Co. 6-1

The old borough school building and heating plant therein were sold at public sale, last Saturday. H. C. Shaw purchased the building for \$185. The heating plant was sold to C. T. Hay for \$100. It is difficult to cure a cough or free yourself from the discomforts of a cold unless you move the bowels. Bee's Laxative Honey and Tar acts on the bowels and drives all cold out of the system. Then comes its soothing effect and strengthening influence upon the throat and lungs. For Croup, Whooping Cough, Colds, and all Lung and Bronchial affections, no remedy is equal to the original Laxative Honey and Tar. Sold by Elk Lick Supply Co. 4-1

Mr. Pink Whiskers of Pocahontas writes—"Fred. Durr told me to-day that Dr. George Washington Slick, of Grantsville, had just wired him that a New Germany girl lately bought a piano with money earned by keeping a dozen hens, and on the following Monday her father went out and killed every hen on the place."—Frostburg Journal.

Pineusale acts like a poultice. Best thing in the world for boils, burns, cracked hands, tetter, etc. Sold by Elk Lick Supply Co. 6-1

The grand military play, "True to the Flag," will be rendered in Hay's opera house, Monday evening, May 22nd, for the benefit of the Sons of Veterans. The cast will consist of nearly fifty people, under the management of Prof. W. H. Beltz, of Pittsburg. This is one of the finest military plays of the day, and one that has been given in Pittsburg and other large towns with the most flattering success, by Prof. Beltz. Everybody ought to see it.

A young man took his girl to a show, recently, and soon after the curtain was raised she complained of feeling faint. The young man took something out of his pocket and whispered, "Put this tablet in your mouth." She quickly placed it under her tongue, but it would not dissolve. However, she soon felt much better. When the show was over she slipped the tablet into her glove. When she removed the glove at home she found the tablet was a button.—Ex.

John Armstrong, a Sharon teamster, has just been rewarded for an act of kindness performed five years ago. While working in Clarion county during the winter he found a man named Cannon who had lost his way and was nearly frozen. He gave him assistance, probably saving his life. Mr. Cannon died a short time ago and in his will made the provision that Armstrong should receive \$500. Armstrong is not in good circumstances, and the legacy will be appreciated.—Sharon Herald.

Croup is quickly relieved, and Whooping Cough will not "run its course" if you use the original Bee's Laxative Honey and Tar. This Cough Syrup is different from all others because it acts on the bowels. You can not cure Croup and Whooping Cough until you rid the system of all congestion, by working off the cold through a copious action of the bowels. Bee's Laxative Honey and Tar does this, and cures all Coughs, Croup, Whooping Cough, etc. No opiates. Sold by Elk Lick Supply Co. 6-1

Space is too limited to mention our many good cash-paying subscribers, who can always be counted on to come around and renew their subscriptions as soon as the time paid for has expired, but we nevertheless feel like making special mention of Robert Walker, who is one of our most faithful in that respect. Whenever "Bob" says he will be on hand to pay, we are never disappointed. We have ever found him to be a man of his word, and he has at various times paid subscriptions for other people, for which he has our thanks.

The weigh shanty over at the Chapman mine accidentally caught fire and was burned to the ground, several days ago. A large quantity of oil stored in the building was consumed. The defeated strikers of Coal Run rendered every assistance in their power to fight the flames, for which they deserve credit. When the strike was on and company property was frequently burned by incendiaries, many of the strikers would stand idly by and express great joy and satisfaction at the loss. Quite a difference between then and now.

When the children rush to the front gate to meet him, and love's own sunshine illuminates the face of his wife every time she hears his footfalls, you may take it for granted that he is pure gold—for his home is a heaven, and a humbug never gets near the white throne of God. He may be a rank atheist and a red flag anarchist, mormon or mugwump, he may buy votes in blocks of five and bet on the election, and he may deal from the bottom of the deck and drink beer till he can't tell a silver dollar from a circular saw, and still be an infinitely better man than the hypocrite who is all servility in society, yet makes his home a hell, who vents upon the helpless heads of his wife and children the ill-nature he would like to inflict upon his fellow man but dares not.—Ex.

The many friends of W. S. Livengood, the editor's brother, will no doubt be interested in knowing that he has just severed his connection with the Los Angeles Daily Times, the largest daily newspaper in the world, to accept a position on the Seattle Post-Intelligencer at a salary of \$300 per month and other valuable considerations. He has hired for four months, dating from May 15th, and at the end of that period he will return to his position on the Los Angeles Times, or remain in Seattle, as he sees fit. His position on The Times is open to him whenever he wishes to return. W. S. has been on the editorial staff of the Los Angeles Times for the last twelve or thirteen years, prior to which time he did editorial work on the Los Angeles Daily Herald and Pasadena Daily Union.

### County Superintendent Seibert Re-elected.

The school directors of Somerset county, in convention assembled at Somerset, Tuesday afternoon of this week, re-elected Supt. Seibert and increased his salary from \$1850 to \$2000 per year. He was elected by acclamation, he being the only candidate. The increase in salary is a fitting tribute to Prof. Seibert's able management of the schools of our county, and he deserves all the salary voted to him.

### A GOOD SUGGESTION.

Mr. C. B. Wainwright, of Lemon City, Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pain in the stomach, colic and cholera morbus by taking it in water as hot as it can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by E. H. Miller. 6-1

### Terribly Injured.

Near Garrett, Pa., Monday night, O. O. White, formerly of this place, was struck by a Baltimore and Ohio freight locomotive and terribly injured. Both arms were crushed and his skull fractured. He was taken at once to the Western Maryland hospital, Cumberland, where it was found necessary to amputate his arms. White was quite well known here, having worked at what is called "The Blue Jay Lumber Camp," and for the Union Mining Company. He had been at Garrett but a short time.—Frostburg Journal.

### A TRIED AND TRUE FRIEND.

One Minute Cough Cure contains not an atom of any harmful drug, and it has been curing Coughs, Colds, Croup and Whooping Cough so long that it has proven itself to be a tried and true friend to the many who use it. Mrs. Gertrude E. Fenner, Marion, Ind., says: "Coughing and straining so weakened me that I run down in weight from 148 to 92 pounds. After trying a number of remedies to no avail, One Minute Cough Cure entirely cured me." Sold by E. H. Miller. 5-1

### Pal of Milt Sheets Wants Pardon.

Attorneys Valentine Hay and A. L. G. Hay will make application to the State Board of Pardons, at Harrisburg, on May 17th, for a recommendation for the pardon of Harry Weller, of near Berlin. It will be remembered that Weller's plea of guilty of murder of the second degree for being in company with Milt Sheets on the night Augustus Glessner was killed at Berlin in 1899 (and for which Sheets was hanged), was accepted by the Court, and he was sentenced to the Western Penitentiary on March 9, 1899, for a period of ten years, in which prison he now remains.

### WHY SUFFER FROM RHEUMATISM?

Why suffer from rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised to find that after awhile the relief became permanent. Mrs. V. H. Leggett, of Yum Yum, Tennessee, U. S. A., writes: "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by E. H. Miller. 6-1

### News from the Hospital.

The editor of THE STAR is much pleased to announce that he has been receiving very encouraging news concerning his wife, who is a patient at the Medico-Chirurgical Hospital, in Philadelphia, where she recently had a very serious surgical operation performed.

Mrs. Livengood has not only been writing home herself, but we have been hearing from her doctor and some visiting friends, also.

Dr. Keating writes that Mrs. Livengood is making exceedingly good progress, adding that she is cheerful, pleasant and a most model patient in every respect. He writes, also, that she will be able to sit up in a few days.

Mrs. Livengood writes very feelingly of the kindness of her doctor and the nurse attending her, and she says as anxious as she is to return to the loved ones at home, she will be very loath to part with those who are treating her so kindly at the hospital.

This week she had two visitors, Mrs. Evora Carr Smith and Mr. F. J. Anspach. We have letters from both of them, telling that they found the patient in a very cheerful mood, and we know that she was greatly pleased and encouraged by the visits of those two kind friends. Their kind letters have brought sunshine and bright hopes into our home, and we feel deeply grateful to all who have and are still showing courtesies and kindness to the good wife and mother who is dearer than life itself to the lonely editor.

We know that Mrs. Livengood's many friends will be pleased to learn of her progress, hence these few remarks.
