BIRDSEYE VIEW OF SALISBURY.

Something that Ought to Interest Salisbury People Who Have Located Elsewhere.

THE STAR has for sale a limited number of very fine pictures of Salisbury, size 22x32 inches, printed on extra heavy, smooth paper, from a very fine engraving. The sketching was done by T. M. Fowler, of Morrisville, Pa., who is an expert in his line and has been following his business in many different states of the Union.

The picture is very clear and distinct, showing all the streets plainly marked, and those familiar with the town can plainly recognize every building in it. The pictures have sold like "hot cakes" here, and a limited number have been placed with THE STAR to supply those at a distance, who may desire them.

Every former citizen of Salisbury ought to have one of these fine engravings, as they show the progress the old town has been making, which has been very great in recent years. But we cannot supply them all, and those who apply first will get them. The picture includes West Salisbury, the surrounding landscape and some of the farm houses in the immediate vicinity, also a large number of the principal buildings printed around the margin of the engraving, from special drawings.

Price, \$1.50 per copy, plus 7 cents to pay postage. Address THE STAR, Elk Lick, Pa.

TO OUR LADY READERS:—Be sure to read the fashion columns that will appear in this paper from time to time. We can supply as many patterns of the styles shown as you may desire at 10 cents per pattern. Fill out coupons at bottom of fashion columns, enclosing 10 cents in stamps or money for each pattern wanted, and mail same to THE STAR, Elk Lick, Pa., and patterns will be promptly sent to you by mail.

HOME DRESSMAKING

By May Manton.

OF BROWN HOLLAND.

Blouse or Shirt Waist 4921, Sizes 32 to 42 bust.

Seven Gored Skirt 4790, Sizes 22 to 30 waist.

The shirt waist suit made of natural colored linen is among the most serviceable of all summer costumes. It is simple and easy to make, and is especially attractive in design and includes a chemise of tucked white muslin, which adds greatly to the effect as well as to the usefulness, inasmuch as it is made separate and easily renewed. The material is desirable as well as smart and suits the plaited waist and skirt admirably well, but it is shown in many other colors as well as the brown and also in mixtures and checks, while the model also would be desirable made from cotton suitings or from wool or silk for earlier wear. The waist is a favorite one of the season that can be lined or unlined as desired, and its double box plait at each seam, which terminates in a point at the upper edge several inches below the waist line, leaving the skirt smooth and plain above. Material required in medium size for waist 3 1/2 yds., 27 inches wide with 3/4 yds. for chemise; for skirt 11 1/2 yds. 27 inches wide or 10 1/2 yds. when material has definite figure not nap. Patterns mailed by Fashion Department 10c each.

THE FASHIONABLE PLAID.

Plain Shirt Waist 4919, Sizes 32 to 44 bust.

No waist of the season is more popular than this plain one and nothing suits it better than plaid material, whether silk, wool or cotton. In the illustration it is shown in Scotch plaid that is cut bias, making it exceptionally good effect, but there are numberless others that are equally desirable. The waist is absolutely simple and can be made either with or without the applied yoke at the back. The turn-over collar is particularly smart this season, and suits it to perfection. It can be worn with any tie that may be preferred. The patch pocket gives a smart mannish effect but is optional. Material required in medium size 3 1/2 yds. 27 inches wide. Patterns mailed by Fashion Department 10c each.

FOR THE LITTLE ONES.

Child's Yoke Dress 4947, Sizes 6 mos., 1, 2 and 4 years.

Nothing renders a wee little girl so charming as aainty frock simply made. Illustrated is one of the very best of its kind that comes plain lawn with any yoke or tucking and full of embroidery. The material is pretty at the same time that it is durable, and the lines of the frock are all becoming to childish figures. All washable fabrics used for dresses of the sort are appropriate while the yoke can be of embroidery, inserted tucking or any other all-over that may be liked, and the frills either of embroidery or of the material. The little dress is made in one piece, gathered across upper edge and joined to the yoke, the seam being concealed by the bertha. Material required for medium size (2 years) is 2 1/2 yds. 36 inches wide with 3/4 yds. 18 inches wide for yoke. Patterns mailed by Fashion Department 10c each.

Bad Luck for Former Somerset County Man.

Some little excitement reigned at the home of J. R. Lichty, Tuesday afternoon, when it was discovered that two horses were in the silo. It is built under the barn, and twenty feet in depth. The horses gained admittance through the cow stable, and thence onto the floor covering the silo. The combined weight of the two horses caused the timbers to give away, precipitating both to the bottom, breaking both hind legs of one, the other sustaining slight injuries. The women were alone when the discovery was made, and in response to the telephone a large number of kind friends with willing hands proceeded to extricate the animals.—Carleton (Neb.) Leader.

A CREEPING DEATH.

Blood poisoning creeps up towards the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c. at E. H. Miller's drug store. 6-1

Democratic County Convention

Fixes Date for Primary. The Somerset Democratic County Committee, at its meeting in Somerset recently, re-elected Alex B. Grof as Chairman, and Gen. Alex H. Coffroth and Charles F. Uhl, Jr., were chosen delegates to the State Convention. The delegates are uninstructed, but will probably support Judge L. W. Doty, of Westmoreland county, for Superior Court Judge.

Saturday, June 10th, was decided upon as the time for holding the annual primary, and the convention will be held on the following Tuesday. Candidates have entered the field for only such offices as the law contemplates shall be filled by the minority party. Those for Commissioner are the present Democratic incumbent, Joseph B. Miller; Thomas E. Null, Fred Donges, and Simon P. Geisel. Candidates for Auditor are S. P. Baker, Demetrius Compton, and George W. Baush.

THERE IS A DIFFERENCE.

The difference between Kennedy's Laxative Honey and Tar and all other Cough Syrups is that it moves the bowels, thus expelling a cold from the system. This relaxes the nerve-tissues and by its healing effect on the throat and lungs the cough is relieved—cured entirely. Kennedy's is the original Laxative Honey and Tar and contains no opiates. Good alike for young or old. Tastes good. Sold by E. H. Miller. 6-1

The Mikado's Advice to Boys.

In view of the astounding progress of Japan it is interesting to recall the following rescript which was issued by the emperor to the Japanese schools some fifteen years ago, says the London Daily Graphic: "Be filial to your parents and affectionate to your brothers; be loving friends; conduct yourselves with modesty and be benevolent to all. Develop your intellectual faculties and perfect your moral powers by gaining knowledge and acquiring a profession. Promote public interests and advance public affairs. Ever respect the national constitution and obey the laws of the country, and, in case of necessity, courageously sacrifice yourselves to the public good." Recent events have proved that the last injunction at least was taken to heart by the youth of Japan.

Dr. Osler at Mukden.

Kuropatkin in retreat, a most dejected man; He sat in contemplation on an empty vodka can, And as the little yellow men their cordons closer drew He muttered low in Muscovite, "If Osler only knew!" "That little fellow Nogi, though he's past threescore and ten, Is prancing like a three-year-old around my Russian men, Is tying Tie Ling in a knot that breaks my line in two— If Osler only knew of this, if Osler only knew!" "Then there's that old Oyama, who my stubborn center stormed; He certainly is past the age; he should be chloroformed. Yet there he stands performing tricks that younger men should do— If Osler only knew of this, if Osler only knew!"

"Kuroki's getting on in life and surely should retire; Then what's he doing on my left directing of the fire. And doing other boyish things an old man shouldn't do? If Osler only knew of this, if Osler only knew!" "That old man Nogi's worth about three hundred thousand boys, But, oh, my military pride it certainly annoys To be defeated by this superannuated crew, Who'd be retired and fossilized if Osler only knew!" —Wallace Irwin in New York Globe.
