A Chicago woman was married one day, eloped the next, was arrested on the third, brought back home on the fourth, forgiven by her husband on the fifth, and went back to live with him on the sixth. It is not so stated, but it is presumed, that like the Creator, she rested on the seventh.

The new pipe line that is now being laid through this section of country by the Southern Pipe Line Company, is causing quite a stir here among teamsters. It looks like business to see so many wagons loaded with heavy iron tubes passing through town, and teamsters are reaping a bountiful harvest in their line of business.

Boswell will celebrate "the glorious 4th" by holding a gigantic picnic. Horse racing, foot racing, bicycle racing, sack racing, baseball, industrial parade, fireworks and all manner of amusements will be on tap. The most wonderful cure for piles is Manzan, put up in collapsible tubes with nozzle attached. It reaches the spot, stops pain instantly, and cures all kinds of blind, bleeding, itching or protruding piles. Sold by Elk Lick Supply Co. 9-1

Here is a remedy for getting rid of the "yellow peril"—the dandelion, which seems to be flourishing in some places. It was discovered by one of the big steel companies, and is said to do just what is claimed for it, and consists of a solution of six ounces of sulphate of iron in two gallon of water. It gives the grass a fine color, and will kill dandelions.

Our good old friend Wm. A. Kann, of Garrett, is visiting Salisbury friends this week. He is looking well and hearty, but he reports business quite dull at Garrett, this summer. He says he may move to Braddock in the near future, where his sons, M. C. and Harry, and his son-in-law, W. G. Donges, are now working. M. C. has moved his family there.

Pineules contain the alterative and diuretic properties found in the native pine. A certain cure for all liver, kidney and bladder diseases. A single dose of Pineules will relieve the worst case of backache in one night. Sole by Elk Lick Supply Co. 9-1

Mrs. M. J. Coleman, formerly Mrs. M. J. Green, arrived in Salisbury last Friday, from Hebron, Neb., having been summoned to the bedside of her daughter, Mrs. P. L. Livengood, who was dangerously ill at the time. Mrs. Livengood has been having a very hard time of it, but we are much pleased to state that she now seems to be on a fair way to recovery.

We are glad to see so many of our citizens using large quantities of fresh paint, this summer. Nothing improves a town more than well painted houses, and nothing else causes so much favorable comment from strangers. John J. Keim, Stewart Smith, J. B. Martin, John Wagner, F. F. Petry, Joseph Wagner, J. W. Miller and others have greatly improved their houses by spreading on paint.

The original is always the best—imitations are cheap. Bee's Laxative Honey and Tar is the original Laxative Cough Syrup. It is different from all others—it is better than all others—it is better than all others, because it cures all coughs and colds and leaves the system stronger than before. The letter B in red is on every package. Sold by Elk Lick Supply Co. 9-1

The Addison correspondent to the Confluence News, in mentioning the Decoration Day exercises in Addison, gets off the following: "The music furnished by the Salisbury band was very fine, but the Addison girls soon captured the boys who were in the band, and then it was all turned into chin music and dancing. We hope next time more married men come in the band to Addison."

William Baumgardner, late of Salisbury, was here several days during the past week, visiting friends. William was recently selected as professor of German and hired to teach that study in the University of West Virginia, at Morgantown, during the next term. On the 20th of this month he will sail for Germany, where he will take a three-months course in a good institution to further equip himself for his work.

Chas. Mimna, one of our Meyersdale subscribers, met with a serious accident at the Colonial Hotel, in that town, Thursday of last week. He was in the act of putting on his coat, when a revolver dropped out of one of the pockets. The weapon was discharged by striking on the floor, and the bullet lodged in Mimna's body, in the groin, inflicting a dangerous wound. He was at once taken to a hospital, and since then we have had no report concerning his condition.

Our esteemed friend and patron, Mr. Jonas M. Cook, of Somerset, has retired from the well known grocery firm of Cook & Beerits, of which he was the head for 33 years. H. C. Beerits & Sons will continue to conduct the business. Mr. Cook is going to take a rest, but we opine that he will soon be engaged in some other business. He is not only one of the best business men in Somerset county, but he is also one of the best men in the county in every other respect.

All old-time cough syrups were designed to treat throat, lung and bronchial affections without due regard for the stomach and bowels, hence most of them produce constipation. Bee's, the original Laxative Honey and Tar, gently moves the bowels and cures all coughs, colds, croup, etc. Bee's Laxative Honey and Tar is the original Laxative Cough Syrup. Look for the letter B in red on every package. Sold by Elk Lick Supply Co. 9-1

We are under obligations to Mr. Edward Mayhugh, of Monongahela, Pa., for a copy of "Lyrics of Childhood," a very charming little volume of poems of which he is the author. The book is a general favorite among the children, all over the country, and is also greatly enjoyed by older people. It will be sent postpaid to any address for \$1.00, and it is well worth the price. Mr.

Mayhugh is the gentleman who recently won the third prize in the Columbia Phonograph Company's poetry contest.

The Turkeyfoot News, published at Confluence, objects to THE STAR referring to it as the "Confluence News." We can't help it, brother, and we shall continue to refer to your publication as the "Confluence News," for the reason that the name "Turkeyfoot News" is so hideously ugly that the mere sight or mention of the name causes us to swear at your judgement in selecting it. "Confluence News" sounds much better, and as your paper is published in Confluence, we shall continue to use that name.

Isn't it about time for our Town Council to act on the dog problem? There are entirely too many worthless dogs in this town, and a remedy should be speedily put in force to get rid of them. Back at the North end of Grant street there is a dog factory that has lately been running wide open, greatly annoying all the citizens, and almost killing the sick, who have been compelled to listen to the baying, barking and howling of about all the canines in town. A dog factory is a greater nuisance than a rough saloon.

In reply to the query, "What has become of the boy with patches?" the Centralia Courier says: "Why, bless your soul, he is out on the farm hopping cloids 16 hours a day. He will come to town after while to run the banks and stores and be the successful lawyer and preacher and physician. Don't worry about the boy in the patches. It's the store-clothed, nicely groomed lad you want to inquire about. He's the fellow that's going to drop through a crack in the sidewalk, and out of sight, one of these days."

The fat drummer leaned over the hotel desk, and grabbing the first piece of paper he could lay hands on, began to figure up his expense account for the day, says an exchange. The slip happened to be a "call" blank, and he began penciling his figures in the 3:30 column. First he jotted down \$1.50 for buggy hire, then 15 cents for stamps, 35 cents for car fare, \$1.60 for express charges, 50 cents for trunk straps, 5 cents for paper and a quarter for a messenger. Down at the bottom, as an afterthought, he put 40, and wrote "beer" after it. Well, at half past 3 in the morning there was trouble, and plenty of it. The night clerk supposed, of course, that the calls had been left in the ordinary way, and while he was a little surprised that so many guests should want to get up at such an unearthly hour, he told the boys to wake No. 150, 15, 38, 160, 110, 60, 5 and 25, and carry a quart of beer to No. 40, which happened to be occupied by a Methodist minister.

A BAD SCARE.

Some day you will get a bad scare, when you feel a pain in your bowels, and fear appendicitis. Safety lies in Dr. King's New Life Pills, a sure cure, for all bowel and stomach diseases, such as headache, biliousness, costiveness, etc. Guaranteed at E. H. Miller's drug store, only 25c. Try them. 7-1

A Modern Rip Van Winkle.

Milton Show, a farmer living near Confluence, went to Somerset, last week, to attend to some business. It was his first trip to Somerset in the last few years, and he was greatly astounded to find the old court house torn down and a new one being erected in its place. Although it is now nearly a year since the old structure was pulled down, Mr. Show knew nothing of the change until he appeared on the scene and saw it for himself. In expressing his surprise, Mr. Show admitted that he takes no county paper, adding that he has been reading only the Methodist Advocate and a temperance paper published in Uniontown.

Ye gods, what an admission! Ye gods, what a Rip Van Winkle! Is it possible that such fossils exist here 'mongst the hills of Somerset? The man who takes no county paper is always many leagues behind the procession of human advancement, and such fellows usually live in a most benighted atmosphere.

Mister Show, you're far too slow, And it's little that you know. It is a foolish caper To take no county paper. So, if you have got the dough, To a printing office go. And at once subscribe for one, You sleepy son-of-a-gun.

CUBAN DIARRHOEA.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors, but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by E. H. Miller.
