BIRDSEYE VIEW OF SALISBURY.

Something that Ought to Interest Salisbury People Who Have Located Elsewhere.

THE STAR has for sale a limited number of very fine pictures of Salisbury, size 22x32 inches, printed on extra heavy, smooth paper, from a very fine engraving. The sketching was done by T. M. Fowler, of Morrisville, Pa., who is an expert in his line and has been following his business in many different states of the Union.

The picture is very clear and distinct, showing all the streets plainly marked, and those familiar with the town can plainly recognize every building in it. The pictures have sold like "hot cakes" here, and a limited number have been placed with THE STAR to supply those at a distance, who may desire them.

Every former citizen of Salisbury ought to have one of these fine engravings, as they show the progress the old town has been making, which has been very great in recent years. But we cannot supply them all, and those who apply first will get them. The picture includes West Salisbury, the surrounding landscape and some of the farm houses in the immediate vicinity, also a large number of the principal buildings printed around the margin of the engraving, from special drawings.

Price, \$1.50 per copy, plus 7 cents to pay postage. Address THE STAR, Elk Lick, Pa.

HUGE TASK.

It was a huge task to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone, I could not sit on a chair without a cushion; and suffered from dreadful backache, headache, and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed by E. H. Miller, druggist; price 50c. 7-1
