The plan has been adopted by certain Michigan feeders during recent years of purchasing lambs in the attumn and carrying them through the winter on rough feed with a moderate allowance of grain and then fattening them and selling them in the spring after having removed the wool. The plan seems to work well. It is claimed plan seems to work well. It is claimed cigars.

PERFUMES AS MEDICINE Therapeutic Value of Some Plants Re-cently Discovered.

A groom recently took some horses from England to Australia for a resident of that Commonwealth.

All the mills on the Penobscot, and throughout Maine, are sawing spruce lumber at top capacity.

FITSpermanently oured. No fits or nervous-ness after first day's use of Dr. Kilne's Great Kerveflestore, \$\forall Link | String | String
