## Why Buy McClure's?

McClure's Magazine is bought and read in homes not because it is a magazine, but because it is the magazine. Why?

FIRST—THE PRICE. It costs but one dollar a year, or less than ten cents a number, for over thirteen hundred two-column pages of reading matter. This amounts in actual bulk to twenty or twenty-five books costing anywhere from a dollar to two dollars a volume.

SECOND—QUALITY. The reading matter is written by America's leading writers—the best short story writers, the best writers on timely articles, the best writers of important serials, such as Schurz's Reminiscences of Baker's Railroad articles. THIRD—TIMELINESS. The reading matter in McClure's is not only good; it is not only entertaining, amusing, instructive and inspiring—it is also about the subjects in which you and all Americans are most interested at the time. No subjects in the next twelve months are going to be so important as the question of railroad rates and rebates and the question of life insurance. Both of these questions will be discussed by authorities in an impartial, careful, interesting way.

FOURTH—ITS CHARACTER. McClure's Magazine is not edited for children, but at the same time, there is never a line in it that any young girl might not read. Its advertising pages are as clean as its editorial pages.

### TORTURE OF A PREACHER.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church, of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption." A grand cure for diseased conditions of Throat and Lungs. At E. H. Miller's, Druggist; price 50c. and \$1.00, guaranteed. Trial bottle free.

The finest assortment of useful holiday goods, at moderate prices, will be found at Cohen's.

### Wabash Extension.

A corps of Wabash engineers is now making a survey across the mountain at Frostburg, through Wolf's Gap, and from here on to Pittsburgh. It is claimed a line can be run with a grade of 1.00 per cent. to the mile. This would be the lightest of any trunk line that crosses the Allegheny Mountains, and would be the shortest from Baltimore to Chicago. The route, it is said, will connect with the Georges Creek and Cumberland railroad, which the Wabash is said to have bought.

The first car of freight, lumber consigned to John W. George & Co., Cumberland, reached Cumberland Saturday, over the Western Maryland connecting link. It was loaded at Stump's Lock, Oldtown. The entire road is about completed.—Georges Creek Press.

### IN MAD CHASE.

Millions rush in mad chase after health, from one extreme of fadism to another, when, if they would only eat good food, and keep their bowels regular with Dr. King's New Life Pills, their troubles would all pass away. Prompt relief and quick cure for liver and stomach trouble, 25c. at E. H. Miller's drug store; guaranteed.

See the handsome Children's Fur Sets for 98 cts. the set, worth \$1.25 at Cohen's.

### The Editor's Revenge.

The country editor is long-suffering in the matter of delinquent subscribers, but, if he lives long enough, he sometimes has his revenge. An Indian Territory editor recently took the occasion of the death of a reader to write this little obituary: "Deceased was a mild-mannered man, with a mouth for whisky. He came here at night with another man's wife and joined the church at the first opportunity. He owed us \$7 on the paper."

A cushion would make him a very nice present. Full line at Cohen's.
