

GIGANTIC HOUSE CLEANING SALE!

HOUSE CLEANING TIME IS HERE!

We have to clean up, get our house in order for a new season, clear out odds and ends of a successful season's business and make room for new goods. It costs money to carry odds and ends over. It pays us better to get the cost of the goods, or even a little less, now, and turn the money over again in spring goods, than to put them in the camphor box and try to get a profit out of them eight or ten months from now. It's a clean-cut proposition. You get the goods you can use now. We get the money to use for spring business.

We will send you, FREIGHT PREPAID, upon receipt of your request, one of our FAULTLESS

SPRUNG WASHING MACHINES

For thirty days' practical test FREE. If you are not satisfied that it is the best washer made, and at the most reasonable price, return it at our expense. This is the only washer with the SUCTION and SQUEEZING principle, and does not grind the clothes to pieces, like most of the other machines.

It removes everything from the delicate fabric to the coarsest clothing, one piece or a whole tub full, with the same ease and satisfaction; it's truly a wonder washer and there's no doubt about it. We'll take all the risk, in trying to prove its merits to you. Write to-day for further information.
