S. mail carrier on the route from Rockwood to Scullton, has covered his sled with new canvas to shield himself from the blasts of Poreas on his daily transit across Mount Pella and other cloud-grazing eminences along the profile of his picturesque, but violently undulating route. Under this ample canopy Mr. Henry is doing a rushing freighting business while the snow lasts.—Rockwood Leader.

At the annual meeting of the Stockholders of the American Graphophone Company, of which the Columbia Phonograph Company is the sole sales agent, held at Bridgeport, Conn., on the 8th instant, the report of the President was received and showed not only a sound and healthy condition of the company, but a continuation in growth and enlargement. In view of the rapid growth of the business and the constantly increasing demand for the company's output, making a further increase in capital desirable, it was voted, upon the recommendation of the Board of Directors, to increase the capital stock of the company from \$5,000,000, which has consisted of \$2,500,000 preferred and \$2,500,000 common stock, to \$10,000,000, consisting of \$2,500,000 preferred and \$7,500,000 common stock. Wm. S. Lichty will start for his home in Nebraska, this week, and he will return feeling that the trip to his native health has not been in vain. He had a pleasant visit with his many old-time friends in and about Salisbury and Meyersdale, and they all enjoyed the visit as much as Mr. Lichty did. Besides, Mr. Lichty has succeeded in interesting many of our people in the Canadian lands he is agent for, and before many months go by, a great deal of Somerset county capital will be invested in the fertile and fabulously productive soil of the province of Saskatchewan, where one crop alone has been paying for farms as fine as the sun ever shone upon. We have many working people in and about Salisbury who have saved from one to three thousand dollars during the past few years, and they could make no better investment than to buy land in the locality where Mr. Lichty is selling it, and where many of our acquaintances, some formerly from here, others from Kansas, Nebraska and Iowa, have been buying and locating. All of them that we have spoken or written to concerning their investments are well pleased, feeling that they have struck it rich, and urging their friends to invest also, while land can yet be had at such figures as will enable purchasers to pay for fine farms with one crop. Mr. Lichty expects to come east again at a later date.

Death of Harvey Smith. Harvey W. M. Smith, was born in Salisbury, Somerset county, Pa., on the 9th day of November, 1855. Died at Crescent City, Illinois, on the 10th day of January, 1908, aged 50 years, 2 months and 2 days. He was connected with the church of his father and mother, the Evangelical, in his boyhood days, and remained a member of the church of his early choice until his death.

During the past sixteen years he had his home with his sister and her husband, Rev. and Mrs. A. M. Bowlin, in the state of Illinois, and whilst with them, worshipped with the M. E. people, and contributed to the support of that church. His early life and the best part of his manhood were spent in his native town, and he was well known by all the people of Salisbury who resided here 17 years ago and earlier than that date.

It may be truly said of Harvey Smith that he was an honest, upright Christian man. All the best years of his life were spent in caring for his father and mother, and providing for them in their old age, when misfortune had overtaken them. No higher tribute could be paid him than this, and now, on the same lot where sleeps the dust of mother and father, his dust also reposes, in the Salisbury I. O. O. F. cemetery.

There survive him, of the immediate family, one brother, M. F. Smith, and two sisters, Mrs. Levi Lichter and Mrs. A. M. Bowlin. Deceased was enjoying good health up to a very short time before his death, when he was stricken by paralysis and survived the stroke but a day or two, when a second stroke ended his life.

MAY LIVE 100 YEARS. The chances for living a full century are excellent in the case of Mrs. Jennie Duncan, of Haynesville, Me., now 70 years old. She writes: "Electric Bitters cured me of Chronic Dyspepsia of 20 years standing, and made me feel as well and strong as a young girl." Electric Bitters cure Stomach and Liver diseases, Blood disorders, General Debility and bodily weakness. Sold on a guarantee at E. H. Miller's drug store. Price only 50c. 2-1
