ABNER M'KINLEY'S ESTATE.

Several Depositions Filed in Somerset County Courts.

Somerset, Feb. 5.—Under a rule issued by Judge Francis J. Kooser of the Somerset court, several weeks ago depositions relative to the estate of Abner McKinley, late of Somerset, taken by Commissioner Owen E. Abraham of New York, were received here yesterday by Clerk of Orphans' Court Charles F. Cook.

Dr. Hermanus L. Baer, Ferdinand F. Hobby, Jr., and James Scoble were examined. The depositions were taken following exceptions filed to the account of Mrs. Annie E. McKinley, executrix of the McKinley estate, by creditors of Abner McKinley, who alleged the executrix did not account for life insurance policies issued on the life of Abner McKinley, which are said to aggregate about \$80,000, and which, it is alleged, are a part of the estate.

Bedford County's Apple Crop.

Since apple shipment began last fall, and up to the present time, 100 carloads of apples have been shipped from points on the Bedford division to eastern markets. This means 50,000 bushels of apples at a price which gives the apple growers about \$50,000. This does not include shipments from points on the Huntingdon & Broad Top Railroad, which will no doubt be as much more. Eighty-two of the one hundred carloads were shipped from Bedford, six from Napier, seven from Mann's Choice, three from Buffalo Mills and two from Fossilville.

KODOL DIGESTS WHAT YOU EAT.

Just a little Kodol after meals will relieve that fullness, belching, gas on stomach, and all other symptoms of indigestion. Kodol digests what you eat, and enables the stomach and digestive organs to perform their functions naturally. Kodol is a thorough digestant and will afford relief from any disorder due to imperfect digestion or mal-assimilation. Sold by E. H. Miller. 3-1

Flood Damages.

The recent high waters in many streams of this county has caused the loss of many county bridges that were built only a few years ago. In some sections, particularly in the northern part of the county, the loss has been very considerable, and many of the bridges are a total loss. The county only a few years since was compelled to make an extra levy for the replacing of bridges lost in this manner, and as long as we have the cheap and unsafe wooden structures, so long will we be compelled to renew them after each flood.—Oakland Journal.
