There is a remedy over sixty years old—Ayer's Cherry Pectoral. Of course you have heard of it, probably have used it. Once in the family, it stays; the one household remedy for coughs and hard colds on the chest. Ask your doctor about it.

"I have had pneumonia three times, and Ayer's Cherry Pectoral has brought me safely through each time. I have just recovered from my last attack, aged fifty-seven. No wonder I praise it."—E. V. HIGGINS, Stevens Point, Wis.

Rev. T. S. Fike, who presided over the German Baptist Brethren church at this place during the past year or more, has moved his household effects to Carroll county, Md., where he will engage in farming. His postoffice address will be Detour, Md.

We call attention to J. C. Balliet's advertisement in this issue. The seed grader for which he is general agent is something that no farmer can afford to do without. He wants agents, and can furnish profitable employment to men possessing hustling qualities.

It is not difficult to relieve blind, bleeding, itching or protruding piles with Manzan, the great pile remedy. It is put up in collapsable tubes with nozzle, and may be introduced and applied at the seat of the trouble. Stops pain instantly. Sold by Elk Lick Pharmacy. 6-1

Our borough "dads" ought to see to it that the dog ordinance is enforced a little better. There are too many worthless dogs running about town without tags. The dog ordinance will bring lots of money into the borough treasury if properly enforced, but an ordinance not enforced is not of much use.

A proposed trolley line is now talked of to connect Altoona and Bedford, via Holidaysburg. The line will be 40 miles in length, and the run from Altoona to Bedford, if the road is built, will be made in about two hours. It is said upon good authority that the road will likely be built during the coming summer.

The gums and resins obtained from pine trees have long been recognized as highly beneficial in the treatment of headache, kidney and bladder troubles. Pine-ules is the name of a new medicine, the principle ingredients of which come from the pine forests of our own native land. Sold by Elk Lick Pharmacy. 6-1

Died, Sunday morning last, an infant child of Mr. and Mrs. E. F. Humberston, who reside on the J. C. & M. J. Glatfely farm. The child was aged only a few days. The funeral took place on Monday, conducted by Rev. H. S. May. The parents have the sympathy of the community in their bereavement.

Mrs. A. J. Mort died yesterday at her home in Elk Lick township, after an illness of several months. Funeral will take place tomorrow afternoon at the United Evangelical church, in this place. Deceased was a daughter of the late Jacob McCloskey. She is survived by her husband and six children, to whom we extend our sympathy.

All the hotel men in the county who applied for liquor license, this year, have had license granted to them, except E. D. Leonard, of Windber, G. W. Kimmel, of Garrett, A. M. Johnson, of Meyersdale, and James H. Trent, of Berlin. The petitions of Leon Holsopple, of Ben's Creek, and Albert Koeppel, of Meyersdale, were withdrawn.

A. J. Bevans, proprietor of Hotel Victoria, Grantsville, Md., has purchased the Grantsville hack and mail carrying business of Louis Gingerich, Mr. Bevans will take charge about April 1st, and he contemplates putting a fine new hack on the road between here and Grantsville. He will give Grantsville the best of hack and hotel service.

The tar that is contained in Bee's Laxative Honey and Tar is harmless. It is not coal tar, but is obtained from the pine trees of our own native forests. Bee's Laxative Honey and Tar is the best remedy for colds because it acts on the bowels—thus expelling all acids from the system. Bee's is the original Laxative Honey and Tar, and is best for coughs, colds, croup, whooping cough, lung and bronchial affections. Sold by Elk Lick Pharmacy. 6-1

Arthur Sharp and family moved to Glencoe, this week, where Mr. Sharp will embark in the hotel business. By their removal this community loses a good family. We believe that Mr. and Mrs. Sharp will conduct an excellent hotel, as they are very sociable, have a natural knack of making people feel at home, and know just how to provide for the traveling public.

A liquid cold cure for children that is pleasant, harmless, and effective is Bee's Laxative Honey and Tar. Superior to all other cough syrups or cold remedies because it acts on the bowels. An ideal remedy for Coughs, Colds, Croup, Whooping Cough and all curable lung and bronchial affections in child or adult. Pleasant to take. Sold by Elk Lick Pharmacy. 6-1

Henry Dersch and Charles Gibson this week take charge of a bakery and restaurant that they have purchased in Hyndman, Pa. They are both good fellows, and we wish them much success in their new venture. THE STAR will keep them posted on the news from this town and vicinity, where both have lived for years. The people of Hyndman will find them honorable and upright men to deal with.

Last Thursday evening a sledload of Grantsville beauty took advantage of the good sleighing, came to Salisbury and registered at Hay's hotel. The beauty consisted of the following named ladies: Ethel Broadwater, Nelle Broadwater, Nellie M. Broadwater, Mollie Dorsey, Emma Beyans, Rebecca F. Bevans, Carrie Dorsey, Maude Bevans, Mollie Blocher, Ruth Stanton, Mary Broadwater. Several Grantsville young men, of course, were with them.

On Monday night a very enjoyable supper was given at the home of Mr. and Mrs. S. C. Loebel, for the benefit of the Lutheran church. An enormous crowd participated therein, driving there in sleds and sleighs from all directions. A very enjoyable time is reported. Last Thursday night a supper was given for the benefit of the Reformed church, at the home of Mr. and Mrs. John J. Engle. The crowd there was also very large, and it goes without saying that everybody present was well fed and handsomely entertained.

A dose of Pine-ules at bed time will usually relieve headache, before morning. These beautiful little globules are soft gelatine coated, and when moistened and placed in the mouth you can't keep from swallowing them. Pine-ules contain neither sugar nor alcohol—just gums and resins obtained from our own native pine forests, combined with other well known bladder, kidney, blood and headache remedies. Sold by Elk Lick Pharmacy. 6-1

Joshua Carpenter, a widely known Johnstown man, died at his home Friday of last week at the age of over 81 years. Mr. Carpenter was famous for his liniment, a preparation that he dispensed to the inhabitants of Somerset, Bedford and Cambria counties for a number of years. He was a devout temperance advocate, having been won to the cause by Hon. Francis Murphy in a crusade on Johnstown a number of years ago. The deceased was born in Bedford county, but spent most of his lifetime in and near Johnstown. He was well known in Salisbury.

J. T. Jeffery abandoned the grocery business, last Thursday evening, and his well known store opposite the post-office has since been purchased by George DeLozier, who took charge of it today. Mr. Jeffery has not yet decided just what he will engage in next, but we wish him prosperity at whatever he goes at. To his successor we also extend our best wishes. George DeLozier is an all-right young man—clever, accommodating and honest, and as he has had considerable experience in a grocery conducted in Altoona, Pa., by his uncle, we predict that he will do a successful business.

We call attention to the advertisement of Isaiah Bare, manufacturer of granulated lime, which appears elsewhere in this issue. Mr. Bare operates the famous Findlay quarries, about three miles east of Salisbury, and everybody knows, or at least ought to know, that the Findlay limestone is the best limestone in all Somerset county. One bushel of Mr. Bare's lime is worth two bushels of any other lime in this locality, and a trial is enough to convince anybody. Besides, Mr. Bare never grinds up coal cinders and other refuse with his granulated lime, as is done by some unprincipled lime manufacturers that we know of.

It is more fun to see a man read a puff on himself in a newspaper than to see a fat man slip on a banana peel. The narrow-minded man reads it over seven or eight times, and then goes around to appropriate what copies he can. The kind-hearted man goes around to the office and pays what he owes. The successful business man who advertises regularly, and makes money by it, immediately starts out to find the editor, and the two walk silently down the street, and the business man takes sugar in his'n, and they both eat a clove or two, and life is sweeter, and peace settles down on their hearts for moments.—Fayette City Journal.

WEDDING Invitations at THE STAR office. A nice new stock just received. tt.

The struggle between the Baltimore & Ohio and the Wabash railroads for possession of Flaugherty Gap, above Meyersdale, appears to be one-sided, the Wabash having made no move thus far looking towards legal proceedings, while the Baltimore & Ohio on the other hand, is bending every energy to obtain possession of the coveted route over the Alleghenies. Friday, Koontz & Ogle, solicitors for the B. & O., petitioned the court for the appointment of viewers for the purpose of condemning lands belonging to six different farmers in Larimer and Greenville townships, through which the Wabash some time ago staked off a line. The Wabash engineers are going ahead with their work with apparent indifference to the steps taken by their rivals to head them off, and it is predicted that when they make their plans public it will be found that they have won out, says the Somerset Herald.

DON'T GET THE HABIT. Indigestion is much of a habit. Don't get the habit. Take a little Kodol Dyspepsia Cure after eating and you will quit belching, puffing, palpitating and frowning. Kodol Digests what you eat and makes the stomach sweet. Kodol is a thorough digester and will afford relief from any disorder due to imperfect digestion or mal-assimilation of food. Sold by E. H. Miller. 4-1

William K. Niver a Helpless Lunatic.

William K. Niver, a prominent citizen and capitalist of Syracuse, N. Y., and one of the main promoters of the Niver Coal Company in this county, was pronounced a helpless lunatic by his counsel in the Supreme court at Syracuse, when making defense to a note for \$12,500, over which suit was brought for the recovery of this amount from Mr. Niver. The court ordered a sealed verdict in the case. As a result of the financial crash of Mr. Niver, his bank stocks were sold at public auction, Wednesday of last week, to satisfy a note of \$10,000 held by the Syracuse Trust Company, which included 10 shares of stock of the Philson National Bank of Berlin, which were bought for the bank at \$140 a share, and 15 shares of the Pen-Mar Supply Company stock at \$5 a share, says the Berlin Gleaner.

Horse and Rider Fall 300 Feet.

A most remarkable escape from serious injury or death was the experience of Charles Tressler, a farmer of near Confluence, on Saturday night. Tressler had been in Confluence during the day and did not start home until after dark. He was riding a horse valued at \$200 and took what is known as the Klondike road, which skirts the Casselman river in some places at a height of 300 feet. At the highest point Tressler's horse stumbled over close to the edge of the road, which is unprotected from the steep brink that drops away from it almost perpendicularly.

Both horse and rider slid, tumbled and rolled down the entire distance to the edge of the river. The horse was killed. Tressler was not badly injured, though he was unconscious when he reached the bottom of the hill. He soon came to, however, and is none the worse for his thrilling experience. Tressler is a tenant on the farm of J. C. Lowry.

Lupton R. Frantz Gets Death Shot from Policeman's Pistol.

Lupton R. Frantz, a well known troublesome character who figured extensively in the criminal records of Garrett county, Md., and several counties in Western Pennsylvania, died on Tuesday night, the 27th inst., as the result of a pistol wound given him by Chas. Liston, a policeman at Friendsville, Md., who had trouble with Frantz the day before.

It is alleged that Frantz had threatened to kill the policeman, and was in the act of drawing a revolver when the policeman shot him. The shooting occurred in a hotel bar room.

Frantz was chief of police in Meyersdale, some years ago, but he was an exceedingly bad and dangerous man. He once served a term in penitentiary for killing Peter Masey, of New Haven, Pa., and that wasn't the only prison sentence he served. He participated in many fierce fights in his time, and at various times inflicted and received dangerous wounds.

Deceased was aged 36 years, and he is survived by a wife who is said to be very beautiful and respectable. To Frantz's credit it is said that he always treated his wife with the utmost kindness. He was also a man of fine ability as a sketcher, and had his energies bent in the proper direction, he would have achieved both fame and honor.

TORTURE BY SAVAGES.

"Speaking of the torture to which some of the savage tribes in the Philippines subject their captives, reminds me of the intense suffering I endured for three months from inflammation of the Kidneys," says W. M. Sherman, of Cushing, Me., "Nothing helped me until I tried Electric Bitters, three bottles of which completely cured me." Cures Liver Complaint, Dyspepsia, Blood disorders and Malaria; and restores the weak and nervous to robust health. Guaranteed by E. H. Miller, druggist. Price 50c. 4-1
